

Thornhill Topples Burlington, Weston, Long Branch

OMHA MAJOR PEEWEES

Thornhill's Major Peewees, sponsored by H&S Reliance Ltd. participated in the second annual Rosetown Pee-wee Tournament at Richmond Hill during the Christmas break, but were eliminated after two games.

Thornhill 6, Mississauga Royals 0

Thornhill met the Mississauga Royals of the MTHL "A" Division in the first game of the tournament, winning handsily by a score of 6-0.

Thornhill was strong offensively and defensively, outshooting the Royals 23 to 9. Goalie Jamie Davidson was good when he had to be earning the shutout.

The Thornhill attack showed balance with goals coming from six different players. Scoring for the locals were Daryl Marchant, Ricky Booker, Danny Tuckey, Scott Howson, Paul Moffat and Wayne Grant. Mark Haggart led in assists with three. Scott Burkart and Rick Buchan had two each, and Marchant one.

Peterborough 4, Thornhill 1

Thornhill met a hustling, well-balanced squad from Peterborough in the second game and went down to a 4-1 defeat. The local lads played well but could not capitalize on scoring chances, and Peterborough deserved the win.

Scott Martin scored Thornhill's only goal, assisted by Moffat. Goalkeeping duties were shared by Geoff Weber and Davidson.

The powerful Peterborough squad went on to win the tournament, defeating teams from Oakville and Ottawa.

OMHA MAJOR NOVICE

December 26

Thornhill 4, Markham 5

The OMHA Major Novices, sponsored by Richvale Ready Mix, found this a hard game to lose, as Markham scored with about a minute left to play (very un-Christmas-like).

The game was an even contest throughout, with both teams scoring freely. Thornhill's first goal was scored by Kevin Goble, assisted by Scott Daly. Steve Tschipper then scored after a good combination of passing plays, with Mike Sherwood. The third goal was the result of a goalmouth scramble, Telfer Hansen finally poking the puck into the net, assists to Sherwood and Goble. Troy Bradley rounded out the locals' scoring, assisted by Tschipper.

Thanks also to the Thornhill Church League in helping out over the holiday period, Telfer Hansen, Mike Sherwood and Robbie Humphries playing.

Thornhill 5, Long Branch 0

After two trips to Long Branch, it was Thornhill's turn to host its Etobicoke rivals. This time Thornhill showed some scoring punch, which was lacking in the two previous encounters, and some aggressive play continuing fighting hard for the puck.

Kevin Goble with three, Steven Tschipper with two showed good scoring ability and ably supported by linemate Troy Bradley, got all Thornhill's counts.

However, when one records a shutout, all boys have played well, so hats off to a great performance.

Thornhill 1, Markham 3

In this well-fought game with both teams under pressure, the Briden boys opened strongly. Markham, however, thought otherwise, and only some good goaltending by Anthony Risi and Regan Gor-

man, with help from the posts, prevented more goals.

Thornhill offensively had its chances, but except for the first few minutes and last five minutes, did not keep up a sustained pressure. It was great to see Harold Chopping score his first goal of the season, assisted by Daly. These boys along with Jay Rose and Grant Davidson are now giving the team a better balance, and things look quite rosy for 1973.

On behalf of all the parents, we wish Ron Briden, his helpers, and all the boys a very happy New Year.

PEEWEE ALL-STARS

Thornhill Peewee all stars, coached by Les Buckler, are giving some THL teams stiff competition.

Thornhill 2, Burlington Flyers 0

Thornhill played the Burlington Flyers from the THL "A Division" but proved to be inhumane, by winning a 2-0 contest. The locals grabbed an early lead when Mike Egli converted Eric Coyne's pass.

Thornhill 2, Burlington Flyers 0

The two teams traded play for three periods in a rough game, in which a total of 14 penalties were called.

The All stars were able to outshoot their opposition and hang on to a one-goal lead.

The Flyers pulled their goaltender in the final minute and Greg Wurga fired the puck from inside his own blue line, past three checkers, and hit the open net for insurance and a just reward for a fine game on defence.

The shutout was credited to Brian Ellington and Scott McCarthy, who shared duty in the Thornhill nets.

Thornhill 6, Weston 4

Thornhill played well enough to send Weston's THL team home empty-handed. After giving up an early goal, the smaller team with two fine goals by Jim Bell and Bill Buckler in the first period.

The all stars' inability to take charge of the puck in front of their own net cost them their lead and ultimately four goals from West on sticks. However, the spirit which the locals put into their game was evident when they scored four more goals in the third period.

The late goalkeepers were Eric Coyne, Drew Broadbridge, Mike Egli who netted the unassisted winner and Buckler who hit the empty net for insurance.

Assists were credited to Buckler with two, Coyne, Mike Finch and Ward Williamson.
