### LSS SCOOP

By MARGARET ROGERS

Langstaff Secondary School Correspondent (Telephone 889-2501)

### Wide Range of Activities At Langstaff SS

This coming Monday, Tuesday and Wednesday will be three fantastic days! A free school will be taking place in Langstaff for the second time. During free school, regular classes are suspended and special seminars take place instead. Through the use of films, discussions and creative programmes, it is hoped that the The weather was warn students will be exposed to different subjects and activities that are not available in the current school curriculum.

inars of great variety. Here are just a few of every Wednesday night until accident. The alleged thief, pleaded guilty after being land told the court. them: Monday morning there will be a crosscountry skiing and snow-shoeing seminar at Richildaca. Also, an intense debate between Sam Chapman who is the director of education for York County and the Stroymans will take place. The Stroymans have had experience with Bain), Frederick and Flor- Police Constables Tom free schools, and they believe that secondary schools should be abolished. In the afternoon, survived by twenty-two William Artwein went to the the Argos will be at LSS for an exhibition basket-

Some of the seminars during the day on Tuesday will be concerned with gourmet cooking, horsemanship, outdoor education, women's lib, astrology and an introduction to sensitivity training. At 3:30, our junior boys' basketball team plays Richmond Hill and at 8:00 pm the Good Brothers will be featured at the Langstaff Coffeehouse.

There will be guests on Wednesday speaking Cheryl wish to announce Fulthorp (nee Sullivan), of whom had been drinking, about the United Nations, guerilla, psychiatry the birth of Marcus, 8 lbs., formerly of Winnipeg, were then caught by police. and child psychology, and about the profession of passed away, aged 79 years. However, one of them being a private eye. The Waterloo Dance Company will present a concert in the morning and conduct a modern dance workshop in the after-

> At different times all through the three days, a the following activities are planned: a rap session, music room, games room, and films, including those which range from silent movies to Anne of a Thousand Days to World Cup Soccer, the NFL Conference Championship and NHL Stanley Cup Playoffs from past years. Facilities for play-An undetermined amount ing ping pong, broomball, floor hockey, badminton Tunbridge Wells, England, of damage was done to and ice hockey will be available.

> Most of the seminars will be conducted by people who are in that field as a profession. There will be representatives from various According to police, they religions, for example the Evangelists and the pm from Howard & Mc- emptied a fire extinguisher Church of Scientology. Handcrafts such as macramé, pottery, leatherworking and crocheting are going to be taught for those who are interested. I'm sure that those who stay for lunch regularly will appreciate the change of menu interment in the Elmwood ture around the church, from regular 'caf' food to that of pizza, Chinese Cemetery. In lieu of flow- ripped a control box for Food and submarine sandwiches.

The free school committee has printed an agenda. It has a complete list of all the programmes, a description of each and the day and time. Interested members of the community are invited to attend.

Aside from the extra activities in free school, y students have experiences through memmany students have experiences through membership and participation in school clubs. The flying club will be off on another expedition soon. Another new club at Langstaff this year is the scuba club. The course consists of a lot of pool training and theory. In May, diving in Georgian Bay and other lakes will take place. The ham radio club has different projects including the George Innes, and John your dicta talent by assisting operation of an amateur short-wave radio.

Ski trips have been planned, but due to the very abnormal winter weather conditions, only one has come off so far. The next one is planned for Saturday. Plans are also in the making for this year's winter weekend. Last year Langstaff's winter weekend was held at Bark Lake. There wasn't much snow here, but up there the snow was waist deep and it was great! The photog-Friday.
