On behalf of their many friends and neighbors in the community we wish to extend sincere sympathy to the family of Mrs. Olwen Michell of Maple, who passed away last week.

Mrs. Michell leaves her husband, Archie and daughter Susan (Mrs. Jensen) and son John. After resting at the Marshall Funeral Home in Richmond Hill, Mrs. Michell was taken to St. Stephen's Anglican Church, Maple for the service, with interment in Richmond Hill Presbyterian Church. Future quiltings will prepare warm covers for use on Indian reserves. All ladies are welcome each Wednesday afternoon at the Bernath home. About 50 people recently gathered in the Nashville Church Sunday school to enjoy the travelogue "Our Trip To The Holy Land" presented by Jim and Dorothy Maw. During the tea hour, questions were answered and much visiting took place with former members and friends who attended. An offering was received to be used for the supply fund of the WMS. The Nashville WMS had planned a dessert luncheon and euchre party to be held in the Sunday school room on February 12 at 12:30 pm. The admission charge is \$1. Everyone welcome.

### Bowling

Pioneers — An upset with the Pioneers came last week with Pete Craibe's "tail ends" being fed up with being just that and coming on to take all three games from Alex Bishop's team as well as the high three games with the benefit of handicap for the season. Jim Craibe's team took two games and five points from Mel White's team. The high games for the night were taken by Jack Kearsey with 278, Elmer McKinnon with 232 and Pete Craibe with 253. Pete also had a high three of 659, just under Jack Kearsey's 672.

Ladies — There were three shutouts on January 22. The Scoundrels, Rasals and Beggars each took all seven points from the Tramps, Rovers and Scamps. Then the Rogues took five points while the Hobos settled for two points. With only two nights left in the 3rd series, the team standings are as follows: Scoundrels 33, Rasals 28, Rogues 22, Beggars 19, Hobos 12, Tramps 11, Scamps 8 and Rovers 7. The high single for the week was a real thrill for Florine Rouse who scored 318. The high triple was a great total of 737, accomplished by a familiar name, Det Palmer. Barb Gauthier still maintains her 210 high average.

## King Couple Celebrate 60th Wedding Anniversary

The sun was shining brightly on January 20 when Mr. and Mrs. Ed. Robson received about 200 guests at their Diamond Wedding Anniversary in Teston United Church. Mrs. Robson wore a long mauve gown with matching orchid corsage, and Mr. Robson sported a carnation boutonniere as family and friends came to wish them well in the church they had both attended as children. Among the guests were Sinclair Stevens MP York Simcoe and King Township Mayor Margaret Britnell along with their ten children, 18 of their 19 grandchildren and 15 great grandchildren. One grandson was missing

because his wife was momentarily anticipating the arrival of a 16th great grandson. Teston Church Minister Rev. Bill Reid was one of the guests. Mr. Robson, 84, farmed in the area until he retired about 15 years ago and moved to King City. Mrs. Robson is 81. All but one of their children live in the York Region-Metro area. The tenth lives in Barrie. The 60th wedding anniversary cake was baked by a granddaughter, Catherine Terry. Mr. Robson was a bit surprised to see the sunshine. It was raining on their wedding day, he recalled.

## The Voice Of Concord

**Program On Drugs**  
The Addiction Research Foundation announce project "Decision" Wednesdays, February 7, 14, 21 and 28 on Classroom (Cable Television) Channel 10 from 8 pm to 8:30 pm. The first program will be on Alcohol and Drugs, the third Area Development Plans, and the fourth directed to youngsters 10-16 and entitled "What Am I Going To Do Next Summer?". To participate in these programs invite neighbors or friends making a group of six or less to view the programs with you on the first two evenings. Pick up free Resource Kits (one for each person participating) from the Thornhill Public Library or the Addiction Research Foundation at 55 Doncaster Avenue, South Thornhill, or your correspondent. After viewing the first two programs and using the materials in the resource kit you can decide if you want to continue with programs three and four. The time needed to work through the kit in an evening has been calculated for a group of six as follows: Cable TV Program time is 30 minutes; individual fills out "Blueprint" for 15 minutes; group reads hearing aids 15 minutes; group does "Let's Talk Decision-Making" 120 minutes. When you pick up your resource kits you will be able to see it is not as complicated as it seems. For anyone watching these programs who feel that perhaps their groups may profit from these exercises, video tapes are available for follow-up programs or for use as examples to set up your own exercises. For information or to have resource kits mailed to you, please call 889-0441.
