

School Rent High Track Club Forced Train Out Of Town

Members of the Richmond Hill Athletic Club have been forced to abandon the indoor facilities of Crosby Heights Public School due to a combination of rental fees, lack of available school equipment, and a one-night a week restriction.

Club spokesman Bob Thompson said the \$93 rental assessment by the York County Board of Education was not "astronomical but what is difficult to accept is the lack of equipment available and the one night a week scheduling."

"If the track team wished additional nights, these would also cost \$93 for the balance of the winter months," he said.

Added Mr. Thompson. "Faced with this added expense the Richmond Hill Club has invested its limited funds elsewhere to benefit the local athletes."

New indoor quarters for the club will be the CNE Coliseum. Indoor Track which will cost each member \$10 from January 1 to the end of April with facilities available six days a week.

This includes weight training equipment, hurdles, long jump and high jump pits and the 215 metre track.

Thompson said that many junior athletes have availed themselves of this arrangement and travel regularly to Toronto to train.

Some of the younger members, 11 to 14, are attending the YMHA at Bathurst and Sheppard to carry on with their training schedule under the guidance of Garry Lubin.

These athletes enjoy the benefits of the gym, track, and pool for a nominal fee which extends to the end of June and is good for seven nights a week.

Thompson said that "for the local youngster who cannot afford the money or time use these out-of-town training spots there is no local facility available until the spring weather heralds the outdoor season in late April."

"The loss of Crosby School Gym comes at a most unfortunate time as the indoor schedule has been released and a number of meets would be of interest to area athletes," he said.

These include — February 5, Ottawa, All Comers Night; February 9, Toronto, A fun meet for all registered athletes; February 10, Toronto, Ontario Masters Meet; February 17, Toronto, Leg on Bantam and Midget championships; February 25, Toronto, Senior Indoor championships; March 10, Toronto, Interborough Meet; March 17, Hamilton, Highland Indoor Games; March 24, Ottawa, Bantam and Midget Meet; March 24, Toronto, Southwest Ontario Open Meet; March 31, Toronto, Ontario Junior Championships.

These meets are designed to encourage the local track athletes to maintain their training schedules so an early start is gained when

Kings Move Into Third Down Port Perry 8-3

Oak Ridges Kings moved into third place in the OHA Central Junior "C" hockey race Monday night with a convincing 8-3 win over Port Perry at the Bond Lake Arena.

The win assured no worse than a fourth place finish for the Kings who now have 35 points, two better than fourth place Bowmanville and six ahead of South Shore Rangers. Lindsay continues to lead the league with 47 points to 43 to Cobourg with the latter team having two games in hand.

Monday night's game followed on the heels of a Thursday night 7-3 win over Port Perry at Port Hope.

The Monday game saw the Kings out-shooting the visitors 45-36 and leading 5-1 after the opening period and 5-3 going into a roughhouse final 20 minutes.

The visitors picked up a total of 24 penalties to Oak Ridges 14, 15 of these in the last 10 minutes of the game which saw two Port Perry players receive game misconducts. Ousted were Shann Lackie and Harold Fair. The same Fair was embroiled in a second period fight with Jim Roffey.

Oak Ridges refused to retaliate in the roughhouse going despite being intimidated by the Port Perry players who figure they had lost the game and might as well go out fighting.

The newly formed line of Paul Banks, Bill Kenny and Rick Hartwick shone for the winners.

Oak Ridges came out flying in the first period with Hartwick coring at the 47 second mark from Paul Banks and Bill McIlwaine. Banks made it 2-0 at the 3:00 mark with Bill Gunaine adding another one at 3:45.

Port Perry's Harold Fair scored at 8:37 but Oak Ridges came back with two goals by Van Nostrand and Kim Mabley at 10:41 and 15:47 respectively.

The second period saw Port Perry come back with two unanswered markers with John Montague and Ted Prentice doing the honors.

But it was all over early in the third as Banks scored unassisted at 11:11 and Jeff Wood at 11:57. McIlwaine's goal with only 12 seconds left put the icing on the cake.

Goalie Larry Clews was the hero in Thursday's 7-3 win over Port Perry which saw two Port Perry players receive game misconducts. Ousted were Shann Lackie and Harold Fair.

Van Nostrand, Banks, Roffey, and McIlwaine handled the scoring for the Kings.

The Kings dropped at 5-3 game to Port Cobourg Wednesday night of last week.

Their final game of the regular season is against league leading Lindsay Friday night.

Our girls' teams were set for another double-header Thursday of last week, this time at Bayview. The junior game was well played and Langstaff's win was by a score of 27-21.

Betty Vollenberg stank 10 points, and with the help of Barb Amos and Lee Myers, led the team's victory.

The senior game was very close and tense. Langstaff was losing by a lot going into the second half, but the shots started to become good.

With only four seconds left, and the game tied, Marg Ball sank a free throw for a final score of 22-21 and a hard fought, well earned Langstaff victory.

Cinda Bulger led the LSS scoring with 12 points.

The juniors are in first place in York County South, and the Seniors are, I believe, in third place. As I did not see the second half of the senior game against Bayview, I can only say what happened according to a 'usually reliable source'.

However, there seems to have been some controversial talk about the officiating.

The Langstaff junior and midget boys were at Thornlea the night of January 26. The midget score was 49-18 in favor of Langstaff. It was one of the most exciting basketball games that I have seen so far this season.

Going into the second half, Langstaff had a nine point lead over Thornlea. In the fourth quarter, after amazing play, Thornlea led by six points. All was not lost as the LSS midgets kept on fighting and were only one point behind with slightly under a minute remaining.

Kevin Todd sank two free throws and that was the end. Congratulations to both Thornlea and Langstaff on a great game.

The junior boys' team played in the second game. They lost by a score of 63-58. Many tensions mounted and broke during the contest.

The Langstaff boys' teams were in action again Friday night of last week. Bayview was at LSS for the contest. The midget team played a good game but lost by a score of 51-40. The junior game was really exciting and continued into two overtime periods.

The score at half time was Bayview 21 and Langstaff 12. The lead changed hands, and at three quarter time, Langstaff led by one point, 30-29. At full time the score was tied at 43-43. The end of the first overtime period again saw the score tied, this time at 49-49. The end of the game came at the end of the second overtime period. The final score was 52-51 in Bayview's favor, with their last point scored on a free throw. Vince Cudia played a great game and scored 12 points for LSS.

Langstaff plans to get into the action at this year's Winter Carnival in Richmond Hill. News on what's happening next week. That's it!

After 11 League Games Junior Basketball Girls Undeclared

Basketball news continues... again! Our junior girls' basketball team is doing a great job this season. After 11 league games they are still undefeated. The latest games were as follows. On January 22 and Tuesday of last week, the junior girls played Thornlea, and had easy victories both times.

Woodbridge was at Langstaff January 24 for a doubleheader against both our junior and senior girls' teams. The junior score was 28-12. In the senior game, a very close contest saw the girls come out with a 24-22 win. The second half was quite tense, as Woodbridge seemed to find some weakness in the defense, and scored over twice as many points as they had in the first half.

York Region Police Area Thieves May Have Designs About Starting Own TV Station

Somebody in the area must be trying to start his own television station.

York Regional Police reported two thefts from Classic Communications Limited, 244 Newkirk Road, Richmond Hill, and one from Metro Cable TV, Dufferin Street, Vaughan, during the past week.

The Richmond Hill station was hit January 29 and February 2. On the first occasion, thieves forced a window in a car at the above premises and took two 1,000-foot rolls of TV cable, plus a quantity of tools in a pouch stamped "Cadillac."

Value of the equipment was \$200. The second time around, they scaled the station tower at the northeast corner of Eglon Mills Road and Bathurst Street and stole two TV antennae, valued at \$575.

A TV antenna was also the goal of thieves who climbed the 50-foot tower at Metro Cable TV to get their prize.

Prior to that, they broke into the building, but it is believed that nothing was taken.

Electronic equipment was also on the minds of thieves who broke into Radio Shack Limited, 250 Yonge Street, Richmond Heights Plaza, between January 27 and 31.

Taken were two walkie-talkies valued at \$184.45. Construction projects in Richmond Hill also had their share of trouble.

Thornhill Cottage Asking Price \$250 5 1/2 Acres And Barn

Would you believe a cottage for sale on 5 1/2 acres just north of Thornhill, with a stream and a cow barn, for \$250 or \$20 down and \$2 a month?

Well, that's what the advertisement said in the pages of the Toronto Daily Star 55 years ago.

Mrs. Ellen Newman of 147 Yonge Street North, Richmond Hill, this week reported noting this remarkable item in pages of the Toronto Daily Star for 1916 and 1917 found in her attic. Her son Allan, 16, was cleaning and while rummaging around found the papers stuffed between the floor boards.

There's is the old house occupied by the Ripley Animal Hospital. The pages of the old newspaper were exciting and interesting, says Mrs. Newman.

Published during World War I, the papers were brittle and yellow, but still could be read. Besides the surprising classified real estate item about the cottage, Mrs. Newman noted an advertisement for porterhouse steak at 30 cents a pound
