LOOKING AROUND

IN THE VILLAGE OF MAPLE

At the time of writing, there had been no inquiries regarding the job for correspondent for this column. We had hoped that someone might have been interested in taking on a part time job, requiring a few hours work each week, with tremendous satisfaction a benefit, as well as the monthly cheque.

If anyone has any questions, please feel free to call Mary Dawson at "The Liberal" 884-1105, or I will be most happy to discuss the various aspects of the job.

Roly Keffer spent a most enjoyable day last week when his four daughters, Mrs. Jean Bryson, Mrs. Ruth Grubb, Mrs. Mary Orr and Mrs. Rita Moore spent the day with him, catching up on the odd jobs that a busy man like Roly has not time nor thought for. He is filled with pride for these girls who are so much a part of his life.

Sincere get well wishes to Mrs. Beulah Oster of Concord, a member of Maple Senior Citizens, who has been missed for several weeks because of illness. We understand that Mrs. Hazel Borrett is on the mend following a bout with pneumonia. She, also has been missed from the weekly senior citizens meetings. We were happy to hear that Barney Bryan returned home last week from hospital, and is doing very well.

To any of you who are confined at home or in hospital, please accept our sincere get well wishes on behalf of the community.

We are anxiously awaiting news of all the holidayers who will be returning this weekend, including the group of Langstaff Secondary School students who are now in Rome. All news of holidays will be gratefully received.

Senior Citizens
One of the most interesting outings the seniors have had lately we neglected to mention last week for the lack of time. The group arranged for cars to take them to Bayview Secondary for the special Sunday afternoon production of "My Fair Lady" put on by the students and staff for senior citizens. Those who went for this special effort came home with the most enthusiastic reports, and were most grateful to those who worked so hard to put on this play for the sixth time in as many days for the pleasure of the seniors.

At their meeting March 12, "Chief" Meyers conducted a penny auction which was fun for all, and bingo followed to roundout the afternoon.

An executive meeting was held last Monday afternoon preceding the regular meeting with several items of importance on the agenda.

The trip to Washington has had one cancellation, so that any couple or two people wishing to go along should contact us as soon as possible to see if the vacancy is filled.

By this weekend the itinerary and other information for the May trip to Ottawa will be ready for distribution, and payments for this trip will be most welcome at any time.

time, as deposits must be made for hotel accommodation: \$50 for twin or couples and \$68 for singles including bus, accommodations and guided tour as well as other expenses, incurred.

This trip will go May 22, 23, 24 and 25 and is exclusively for senior citizens unless at the last minute there are cancellations that cannot be filled. At the moment, the buses are filling rapidly, and all names should be in, to us in Maple, to Harry Burnfield in Kleinburg and to Mrs. Mabel Julian in Woodbridge.

It is pancake festival time again and the men of the Maple Lions are deep in their preparations for April 7.

We have been assured that the recent news that maple syrup will be very scarce this year will not affect our festival due to the foresight in getting their stock in well in advance. Also we are told that there will be lots of maple sugar candy for sale.

The problem facing the Lions at the moment is the number of ladies willing to provide baking for the bake sale tables. Since this table was sold out early last year, it is hoped that ladies other than wives of the Lions and the Brownies and Guides and their mothers, will feel the urge to donate some of their culinary arts. Since most of the proceeds from this effort will go to local community work, more specifically the arena, it would be most gratifying to see the parents of those who benefit most from the arena lending a willing helping hand.

For further information call Dr. Walter Jurczak 832-1566.

Tuesday Morning Group
The meeting March 13 was spent with the ladies enjoying a relaxing morning sharing each others crafts. Most popular were crocheting and macrame. Some of the ladies showed a great deal of talent and everyone seemed to benefit, for they all accomplished something and took home their worthwhile efforts.

Just a reminder that this group is expecting a return visit from Mrs. Reva Fox from the Mental Health Clinic March 27, the first meeting after the school break. Mrs. Fox proved most popular on her first visit, so the group is expecting a very successful meeting. Please feel welcome to join the group at 9:30 am at St. Stephen's Anglican Church Hall.

Women's Institute
The March meeting was held at the home of Mrs. Pearl Jarrett.

Mrs. Ella Harris is to attend the officers' conference at Waterloo University May 1, 2 and 3.

Many congratulatory and thank you notes received on the occasion of the 75th anniversary were read.

The district annual meeting is to be held May 10 in the Woodbridge Presbyterian Church.

A food forum entitled "Around the World Dine" will take place March 27 at 8 pm at Victoria Square. This interesting meeting is open to anyone in the community who would like to attend.

Mrs. Jean Jackson gave a report of the meeting held by provincial board members.

It was decided to renew membership in the Vaughan Historical Society, and a letter from Mrs. Bernice Noblitt, FWIO President, was

read telling the members that they must soon start to learn the new metric system, and where help can be obtained.

Mrs. Pearl Brown, Mrs. Margaret Penlington and Mrs. Lulu Leece took part in the program consisting of humorous readings, a dialogue on the history, objectives and ideas for the convener, ending with an article on Women's Institute Resolutions. Rev. Stanley Snowden of Maple United was the guest speaker, with his topic also "Resolutions". He stressed that these can be wonderful thoughts, but they don't do any good until they are put into action.

A delicious lunch was served by the hostess and the lunch committee.

Church News
The March meeting of the ladies of St. Andrew's Presbyterian will be held at the home of Mrs. Marj Robson, Richmond Street, Maple, March 21. The main topic on the agenda is the special meeting April 1 when the congregation of St. Paul's will join that of St. Andrew's for a special missionary service with Rev. George Malcolm, speaker.

The UCW are having their rummage and bake sale Saturday March 31 at 1:30

Bowling
Pioneers—March 15 Roy Clegg stole the show with games of 200, 255 and 303. With a 213 average, he is only one pin behind the leader, Jack Kearsey who has a 214 average.

Pete Craibe took two games and 5 points from Alex Bishop.

This puts the men's standing thus: with Jim Craibe way out in front with 103 points followed by Mel White with 82 and Alex Bishop with 75. Pete Craibe is closing the gap too, with 60 points.

Ladies—There was one shutout March 12 in which the Scoundrels took all seven points from the Tramps. The remaining three contests were identical. Each of the

Beggars, Rogues, and Rascais won five points, leaving two points each for the Scamps, Hobos and Rovers.

With only two regular weeks left before the playoffs, the standings are as follows: Beggars 26, Rogues 22, Scoundrels 22, Rascais 19, Scamps 16, Rovers 14, Hobos 12, and Tramps 9.

Sharon Groundsell took double honours for the week, scoring a 277 high single, and a 730 high triple. Barb Gauthier still held her 213 high average.

Kleinburg Klarion

Hawks Drub Wings
In the first playoff game of the novice cup Saturday at Nobleton Arena the Hawks took a commanding lead of 6-1. This was the first of a two-game total goal series. For the winners, Tony Griffith was outstanding with three goals and could well have had more but for two good saves by the opposing goaltender.

Other Hawk scorers were Derek Warley, George Smith and Shaun Monaghan, with Tim Burgess notching the Wings' solitary counter.

The Kleinburg Hi-Cs consist of approximately 15 members of high school age who meet every Friday night at the junior school for sports activities and also get-together alternate Sunday evenings at the United Church.

Although relatively small in number, the group has been busy with some very worthwhile projects. The starve-in held last year brought in \$350, half of which went to the Bangladesh relief and half to the Pary Sound Indian Youth Centre.

With the help of two musical groups, Sandstone Road and Mandrake, who generously donated their services, the Hi-Cs were able to hold a very successful dance and send \$50 to the CHUM Kids Crusade.

The group also held a euchre night at Kleinburg a few weeks ago and another one is being planned.

Mrs. Gladys Ireland has been councillor with the Hi-Cs for three years. President is Steve Johnston, Secretary Debbie Decaire and Treasurer Lise Decaire.

New members are most welcome.

The Voice Of Concord

Neighborhood Notes

The 1st Concord Guides spent an evening at the meeting of the 2nd Thornhill Guides, accompanied by Leader Mrs. Marg Clouston. The evening's entertainment was provided by Mrs. Ida Sainsbury, a grandmother who does a lot of hiking. She showed slides of the Bruce Trail and other nature walks.

Mr. and Mrs. John Cole and Mr. and Mrs. Ron Laird attended a St. Patrick's dance in Markham, March 17. We and about 10 other people were snowed in the parking lot and had to be towed out — on St. Patrick's! March came in like a lamb — but it sure is going out like a LION.

Fifty Golden Years

In spite of last Saturday's storm, almost 250 relatives, friends and neighbors joined Mr. and Mrs. Archie Cameron of Leisure Lane, Richmond Hill, in the George Francis Memorial Hall of Richmond Hill Presbyterian Church to celebrate their Golden Wedding Anniversary.

Mr. and Mrs. Cameron were married March 21, 1923, at the home of the bride's parents, Mr. and Mrs. George Acheson, Dundalk. Present on Saturday were four members of the wedding party, the bride's brother, Fallis Acheson, and her sisters, Mrs. Nelson Lindsay (Louise) of Kleinburg, who was accompanied by her three children, Mrs. Margaret Johnston of Markdale and Mrs. Flossie Inkster of Wareham.

Gifts included eight place settings of gold-plated flatware, a set of gold-plated coffee spoons and a gold colored crystal bowl, from the family, bouquets from the town, the Order of the Eastern Star, Senior Citizens, friends and family. Mayor William Lazenby presented Mrs. Cameron with a town crest pin and Mrs. Lazenby presented a matching pin to Mr. Cameron.

Telegrams came from Governor - General Roland

Michener and Mr. and Mrs. Allan and Ken from Hawaii; and plaques from the Dominion government, the Ontario government and Lieutenant-Governor Ross Macdonald.

The Camerons have one son, Archie of RR 2, Woodbridge and two grandsons, Ian Archibald, of CHIC, Brampton; and Bruce, a grade 12 student at Langstaff. All arrangements for the day were made by the family.
