LOOKING AROUND

Mr. and Mrs. Larry Thompson and Heather of Maple are moving to 51 Woodcrest Road, Barrie. They have been living on Railway Street for three years and now Larry is opening up the Thompson Real Estate Office in Barrie. Ming has been active in two community groups, the cancer society and the Tuesday Morning Group. All of their friends wish them a happy and successful time as Ming and Larry start out on their new business.

Also leaving us in July are Mr. and Mrs. Dan Crymble, Angela and Shaun of Goodman Crescent who are moving to Streetsville. They have been living in Maple for eight years and since Dan has been working in Streetsville they are now taking up residence there. The Crymbles are members of Maple United Church and Jo-Anne was active in the Tuesday Morning Group. We hope that they are able to find new friends and feel at home very quickly in Streetsville.

It is hoped that the new families coming to Maple will be welcomed by their neighbors and made to feel at home too.

A kitchen bridal shower was held May 26 for Marilyn Brice of Maple at the home of Mrs. Gordon Ingram. Marilyn and her maid of honor, Mrs. Lynda (Ingram) McGuire of Alliston and Miss Loraine Lee of Willowdale. Marilyn will be married to Michael Orr July 6 in St. Andrew's Presbyterian Church, Maple.

About 18 friends gathered for the shower, including the groom's mother from Willowdale and the groom's grandmother, Mrs. Bengerman of Toronto. Many of the guests were former fellow church members at St. Andrew's Presbyterian who sang with both Lynda and Marilyn when they lived here in Maple.

A familiar face to many Maple residents was that of Mrs. Annie Stillman who worked at the left wicket, Maple Post Office. Mrs. Still-

man retired May 17, and her fellow workers honored her at a party. There was a large cake with the inscription "Happy Superannuation Nan", and she was presented with a carnation corsage. To show their esteem, they presented her with a Royal Doulton figurine. A special guest at the party was Mrs. Ella Harris who retired from the post office last year.

Mrs. Stillman has been with the post office nearly eight years and all of the surrounding community would like to express their thanks to her for her years of assisting the public.

Mr. and Mrs. Earl Boeckner attended the graduation of their youngest son, Allan, at the University of Waterloo last Saturday. Allan is a B.A.Sc. (Chemical Engineer) for Dufasco Steel Company of Hamilton.

Among relatives and friends celebrating this happy occasion with him was his one week old daughter, Tawnya, who was born May 19 in the K-W Hospital, Kitchener.

The community was deeply saddened by the passing on May 30 of a lifelong Maple resident, Forest Oliver of 9785 Keele Street. The funeral service was at Maple United Church on Keele Street on Saturday, Rev. Stanley Snowden conducted the service assisted by Rev. Martin Jenkinson of the Victoria Square United Church. Mr. Oliver who was in his 88th year is survived by his wife Nellie and four daughters, Margaret, Eleanor, Ruth and Audrey.

In its first really active effort to involve York Region's 180,000 citizens in the regional community planning process, the new regional municipality's planning department right now is placing a newsletter and questionnaire in every home between Metro and Lake Simcoe. This is the area of the former County of York.

The newsletter covers some of the region's major planning issues as seen by the new regime at Newmarket. It sets out preliminary goals and objectives in regional planning.

Region citizens are invited to complete the questionnaire so the planners can get an idea of public opinion on planning issues and identify the travel patterns of residents. More newsletters and also public meetings are to come in the next two years as the regional community plan is prepared.
