"A Tale Of Two Cities"

By JILL WATTS Spruce Avenue, Richvale (with Apologies to Charles Dickens)

A group of students, 12 from Langstaff, and four from Thornlea, left Toronto April 10, headed for Beauport, Quebec (about five miles from Quebec City). Their reason: a week of living, learning and speaking French.

The students, accompanied by Langstaff French Teacher Doug Threngyle, were: from Langstaff, Laurie Anderson, Carol Fleming, Ruth Harper, Linda Hewitt, Ann Hofland, Doug McCauley, Barbara Moser, Scott Nash, Keith Penner, Marjorie Reaman, Barbara Veitch, Jill Watts; and from Thornlea, Arlene Bondarchuk, Terri Brown, Joe Ringhoffer, and Alex Turko.

They were met at the train station in Quebec City by students from Academie Ste. Marie, who were to be their hosts and hostesses for the week.

Wednesday was a long day for all the students. School began at 8:15 and finished at 3:25. Each student accompanied their correspondent to their classes, which proved to be very interesting, as well as educational.

Friday morning was spent at the Ontario Science Centre, which everyone enjoyed. In the afternoon, some visited the planetarium and museum, while others went shopping on Bloor Street.

Saturday was a long day, the students leaving for Niagara Falls at 9 am and returning at midnight. Many points of interest, such as Tussaud's Wax Museum, and Marineland & Game Farm were visited, as well as the Falls.

Sunday was a free day, spent playing tennis or visiting Pioneer Village. In the evening, a barbecue was held at the home of Laurie Anderson, Elgin Mills Road, where hot chili and baked beans were served, as well as roasted marshmallows.

Monday was spent visiting the City Hall, Toronto Dominion Centre, and Centre Island. In the evening, everyone went to Ontario Place, to watch the fireworks.

Tuesday morning everyone assembled at Langstaff home economics room, where both French and English students pitched in to make a breakfast of sausages and pancakes. After the breakfast, bus was waiting to take all the students to Union Station.

It was a tearful goodbye for most, and all agreed that it was one of the best two weeks they had ever spent.

Thornhill's Greg Wileman Saves 2 In Hill Tourney

John Zubick's Tykes Win 3 Straight

By MARGARET HOUGHTON Thornhill Sports Correspondent Telephone 889-3073

After snagging a line drive at first base for the third out in the quarter finals with the score 8-7, Greg Wileman caught two drives in the bottom of the last inning in the semi-final game and caught the throw from pitcher Neil Crebin for the third out, to win the game.

John Zubick's tykes, sponsored by North York TV, won all three games Sunday to go into the finals of the Centennial 100 Tournament in Richmond Hill. The final game will be played Sunday morning at 10 am at Crosby Park, Crosby and Newkirk, in Richmond Hill. It is sure to be the most exciting game of the season.

Thornhill's North York TV Tykes (8-year-olds) started Sunday morning by eliminating the Richmond Hill Zeibart Team at Bradstock Park. Moving to the town park with the bleachers, cheering crowds and the huge backdrop for the second game, Thornhill edged Tony's Esso 8-7. The score was 8-7 with the tying run on base when Wileman picked off a line drive and the game was over. Jay Zubick pitched a great game and the infield and outfield played superbly.

As the cheering grew louder and hoarser, these stalwart 8-year-olds met Bramalea's Glen Echo Nurseries in the third game of the day, this time at Crosby Park at 4 pm. Once again, a second good pitcher, Neil

Crebin, with the aid of the whole team, kept their opponents to one run. Kevin O'Brien tripled and Crebin singled in the 5-1 tally. Once any Thornhill player was on the speed of the Bramalea pitcher—a thorough knowledge of the game and great speed around the bases ensured a run.

Not having complete score sheets does not do justice to all the great plays of the those named were David Harker, John Adams, John Bourrie, Ken Curley and Derek Warburton. Congratulations boys. Thornhill is proud of you! We'll be at Crosby Park Sunday at 10 am to cheer you on again.

League Play In Full Swing

The last two weeks have been very active for our teams, as we are represented in the three leagues by five teams.

The junior team did very well against Three Valleys on May 19 winning 6-2. Their game on May 26 was rained out but was rescheduled the following day when they scored a 5-3 win over Don Mills. On June 2 they are scheduled to play Donalda with Robert Lusk and Ted Percival joining the team. We wish them well.

The ladies' team have had two consecutive wins recently. On May 23 on a perfect tennis morning, they played and beat Curran Hill 2-1. On May 30 they played an away game at Kew Gardens and won again 2-1. Well done, ladies.

May 29 was the opening game of the senior Inter-county against Brampton, the final score a 3-3 tie. On Thursday of the same week the York Simcoe League games commenced with a match against Richmond Hill. This was another close one with play continuing until after 11 pm the result being another tie 5-5 in matches, but Richmond Hill the winner by two games.

The spring series of lessons held by our Professional Steve Segal are in their final week and have been very successful. Over 150 members, adults and children, enrolled in this program. We are now getting into the busy season for the courts, and with lessons completed more court space becomes available.

We invite all lady members to come along to the courts Thursdays 9:30 am for ladies' morning for a round-robin followed by coffee.

He landed by helicopter and then showed the students and some parents slides of Toronto from the air. Mark LaVigne of grade 6 was the "MC" and a panel of students asked questions after the slides. Mr. Luther made some turns and ups and downs to demonstrate the way a helicopter flies before flying away from the school.

The rink at the school was maintained over the winter by George Lang, John Stephens and Bryan, Robert Gordon and Ross, Dunc Ball, Brent Dunnett and Eric Jolliffe. A special word of thanks was given these people in the school auxiliary newsletter. Art Dunnett will look after repairs to the rink in the summer and would appreciate help from other parents in the area.

The Variety Night at Langstaff was begun "O Canada" and then a few short words from Mrs. Mary Lloyd on behalf of the auxiliary.
