A SALES CAREER In a Dynamic Industry

McBee, the leader in its field of accounting systems, is expanding in Canada at an unprecedented rate. We look for success oriented men or women who want to work hard and demand promotion to management through their effort.

Accounting, office management or related fields are often the background of McBee executives. However, the desire to succeed, intelligence and ability to talk at an executive level, and an understanding of business are the real keys.

An outstanding training program is offered. This, together with rewards in trips overseas, security benefits that are excellent, salary and commission, and professional status are what you will expect.
