

**Arthritis Week  
In York Region**

A reminder: The York Central Committee of the Canadian Arthritis Society is holding its annual campaign for funds this week. Research is desperately needed to find a cure for this painful and crippling disease, and money is needed for research. Be generous with your contribution when the local canvasser comes to call. The canvassers and committee are donating their time for this very worthy cause, so receive them with courtesy, and if possible, a donation.

**NEWMARKET** — An 11-lot, 27 1/2-acre Gorham Street subdivision being proposed by Robert Brandon has been shelved indefinitely by council. The developer has been seeking a rezoning to an estate residential use, but council has decided it will not consider any residential rezonings until criteria have been established in the new official plan, probably about a year from now.
