HOUSE LEAGUE PLAYOFFS

SQUIRTS (First Round)

Dan's Esso 1, BAIF's 1
Although plagued by strong winds, Dan's battled to a tie with the BAIF squad. Lorne Scruin notched BAIF's goal while Jamie Bakonzi replied for Dan's.

Ratcliff's 6, Lazenby's 1
Ratcliff's surplus completely overwhelmed Lazenby's in the second half as Jamie Tuck paced their attack with three goals. Ed Devlin with two and Paul Robson with one rounded out the scoring.

Bill Stonehouse scored for the losers and played a strong game. Special mention, too, for David Molton.

FINAL LEAGUE STANDINGS

Ratcliff's	16
Dan's Esso	16
BAIF Bombers	11
Lazenby's	9
Congratulations to Glen Flemming and his team who won it for the second year in a row.	

ATOMS (Playoffs)

Lions 1, Spartans 0
Black Hawk Motor Inn 1, Priority Travel 0

The playoff finalists are Lions and Richvale-Scaffold.

NEW CONVENER

Welcome to Martin Sharkey who is the new convener for the house league for the remainder of the season. Coaches wishing to contact Martin may do so by phoning 884-6075.

In welcoming Martin to the minor soccer association we also have to say farewell to ex-convener Charlie MacDonald who is leaving Richmond Hill. Charlie has done a fine job this season in concentrating on developing the local pee-wee entries in the Newmarket and District League.

You take with you, Charlie, the minor soccer association's very best wishes for the future. Sorry you're leaving.

MINOR SOCCER DANCE

The minor soccer dance will be held Friday, October 5 at the Masonic Hall at 8:30 pm to 1 am. Contact coaches.

PRESENTATIONS, AWARDS NIGHT

This will take place Friday, October 12 at Bayview Secondary School at 8 pm. All convenors, coaches and teams please note: We expect a bumper turnout, as usual.

MINOR SOCCER CLINIC

Plans for this are completed and details will be published shortly. Suffice to say that for now the following program planned for this is an extensive one running right through to May of 1974.

TOURNAMENTS

Due to expanded growth and pressure for us to enter more tournaments in 1973, it can now be confirmed that the minor soccer association

did just that. They were as follows: Robbie Invitational, Newmarket, Whitby, Richmond Hill Centennial, Burlington.

Junior Girls, North York (Varsity Stadium); Intermediate Girls, North York (Seneca College); Senior Girls, Scarborough St. Andrews; OMSA (in conjunction with England).

Throughout 1973 the Richmond Hill Minor Soccer Association has been included in these tournaments along with teams from the following areas:

Ontario, Quebec, Winnipeg, Mexico, U.S.A., England.

In addition, teams were entered in the Ontario Cup and North York Cup Competitions.

Silverware won in 1973: Our junior girls won the North York Willowdale Post championship trophy and our Mosquito boys clinched first place in the North York Premier League with an outstanding performance.

Congratulations to Industrial Life Insurance Junior Girls and CFGM Radio Mosquito Boys.

HOUSE LEAGUE - PLAYOFF FINALS

Make a note of the date and place: Saturday, September 29 at Don Head Secondary School at 9 am.

These finals cover all house league divisions.

The executive requests that all girls and boys come out and give the Richmond Hill Minor Soccer playoffs a real grand finale on September 29.

Soccer Rangers Lose 8-3 Aurora United

The Richmond Hill Soccer Rangers ran into some tough flying weather Saturday as Aurora United walloped them 8-3 in a semi-final playoff game at Aurora.

This must surely have been the Rangers' worst display of the present season as the final score would indicate.

They were definitely outplayed as far as scoring was concerned although they played well for the first 15 minutes and even opened the scoring on a good effort by Horst Delschlegel.

Aurora soon got that one back and a few more to lead by 4-1 at halftime.

The Rangers tried but nothing seemed to go right until Ian McKenna managed to get another goal.

This didn't stop Aurora who kept putting them in and wound up winning by 8-3. Christy Nolan got the third goal for Richmond Hill.

The Rangers have another match Saturday in the Jim Richardson Cup competition against Bradford at Bradford.

Parents Welcome At Workshop

A resident outdoor education workshop will be held this weekend at Camp Richlida this weekend - September 28, 29 and 30. Registration is open to students, teachers and parents.

The Workshop has been arranged by York County Board of Education's committee on outdoor education, chaired by Fred Mayor of Wells Street School, Aurora.

Included in the program are orienteering, biological studies, a town study of the Village of Kettleby, map making, photography, backpacking, hunter safety, trap shooting, canoeing, swimming and archery.

There will be a minimal charge for the weekend.

Those interested are asked to contact John Wheeler at Don Head Secondary School.

DOMIK RECUPERATING

To get serious for awhile.

Dynes' hurler Bob Domik is recuperating in fine fashion after undergoing an ulcer operation. Bob, who has been a pitching standout for the past few years with the Jewellers, was stricken in the Canadian at Hull and was forced to enter the hospital right after the tournament. He still managed to beat Newfoundland in one of his starts.

Bob reports he is down to 218 pounds from 250 pounds and "I intend to keep the weight off. Everything is going fine now and I hope to be back to my old form next season."

Which is certainly good news.

I would also be remiss in not mentioning Wally Dick who has been holding down the fort all by himself since Domik was forced out of action and doing it magnificently.

He's won something like 11 games in a row (without a defeat) which is pretty good chucking. The thing about Wally is that he's strictly a team-man all the way. How many hurlers do you know that could toss 14 innings in one day (he did it in Ottawa) and still be ready to go again tonight (Thursday)? Without complaining? Congrats, Wally.

Speaking of tonight, the Jewellers open the third round of their OASA Senior "A" playoffs against Welland Dycks at the town park at 8:30 pm. The second game will be played Sunday at Welland at 2 pm.

FEW FINAL NOTES ...

Roller derby fans in Richmond Hill and area will be able to get some thrills October 6 at the Richmond Hill Arena. That's when the Canadian All-Stars (featuring Paul "The Bear" Rupert, Diane Syverson, Skinny Minnie Miller and others) will be going against the Western Renegades with Big Irish Danny Ryley.

The action starts at 8 pm.

Also, Ken Ham, who formerly coached the Richmond Hill Legion Midgets, is now the head coach of the Seneca College Braves hockey team. Ken was one among a number who applied for the position at Seneca and came up with the right answers. He has had a number of years coaching experience in the Richmond Hill Minor Hockey set-up.

Jewellers Defeat Newmarket ...By Simply Not Playing Them

The Richmond Hill Dynes Jewellers and Newmarket Rays didn't see any action against each other on the diamond this season but they have managed to indulge in a playoff of words off the field.

At least of recent days.

It all started Monday when the Newmarket Rays downed Winnipeg Colonials 5-1 to win their best-of-seven fastball final series by four games to one.

Their feat saw them acclaimed as the "Canadian Major Fastball Champions."

Enter the conflict.

Earlier in the month the Richmond Hill Dynes Jewellers defeated Nova Scotia in Hull to win the Canadian Fastball championship.

Confusing? Right?

The answer is partly explained by the fact that a new fastball league, the Ontario Major Fastball League, was formed this season and went on its own way without the sanction of the Ontario Amateur Fastball Association. Newmarket played in this league.

The league then declared its own version of the Canadian fastball championships which were concluded Saturday.

The plot thickened when Ray's sponsor Ray Twinney challenged Dynes to a winner-take-\$1,000 tournament to decide which was the best fastball team in Canada.

Twinney states negotiation had taken place before the Winnipeg series with both Dynes and Newmarket to put up the money.

Richmond Hill then lost one of its ace pitchers, Bob Domik, through illness and "interest waned."

Twinney was quoted as saying that he still wanted to play for Canada's real fastball championship.

"Richmond Hill can pick any pitcher in Canada they want and we can still beat them," he said.

Twinney won't be able to prove his point this season.

Dynes Jeweller Manager Bob McLaughlin put the run to Twinney's challenge by pointing out that Ray's were among 24 teams to compete in the OASA Championship Series in Burlington last July to decide a provincial representative in the Canadian Championships at Hull.

"They (Ray's) lost their first two games and were eliminated at Burlington," said McLaughlin. "They had every chance to win that and go on to Hull for the tournament that was designated the Canadian championship by the Canadian Amateur Softball Association."

McLaughlin compared Newmarket's challenge in the following analogy:

"That's tantamount to permitting Montreal Expos to challenge the World Series winner should Expos fail to win their division pennant."

McLaughlin threw a shaft in Newmarket's direction when he suggested the Ray's

Opening night isn't until Tuesday of next week but already Richmond Hill Rams' Junior "A" Coach Karl Brimblecombe is starting to breathe easier.

"I was a little concerned a few weeks ago," he said. "I thought we had lost a couple of players I was really counting on. Then we got them back from the Major "A" camps and also picked up some others."

"Now we're in great shape," he finished.

The two players Brimblecombe "got back" are Dave Stuart of Oak Ridges and Al Potts.

Stuart scored five goals in two games and Brimblecombe is looking to him to be the big spark of this year's offensive.

"He should score 35 goals in this league," continued Brimblecombe. "He does everything and does it well. He's also a good penalty-kicker."

Stuart was a member of last season's OMHA Midget Ontario Title winners and looks ready to step right into junior hockey with little trouble.

TOUGH ON DEFENCE

Potts is a defenceman who played with Pickering last season and will help make the Richmond Hill defence one of the strongest in the league in company with returning stars Billy Stephenson and Jack Guest. Potts will likely be paired another rugged Oak Ridges player of last season, Jim Roffey. Jim Morrison, a Richmond Hill Legion Midget last season, will round out the defence.

One of the more pleasant surprises was the acquisition of Rick Febbo who played with the Aurora Tigers last season.

"Rick's going to be a big help with us," said Brimblecombe. "He's got a booming shot and he hits with authority out there."

One thing Brimblecombe can count on:

He's got a scrappy team.

One of the scrappiest is another new addition in the person of Ernie Takeuchi who played for Weston last season.

Takeuchi doesn't even like an opposing player to look at him.

"I've never had a club that's been so scrappy at this time of the season," said Brimblecombe. "It's like someone let them out of a cage."

NO FOOLISH PENALTIES

Brimblecombe likes the "scrappy" part as long as it's in the right spot and doesn't lead to foolish penalties.

"They'll cool down a little. Right now they're hungry and that's good."

Coach Brimblecombe isn't making any dramatic predictions but he feels that "with a little luck we could take it this year."

He figures he's strong down the centre "and that's

Photique Studio Eliminate Keswick

Photique Studio Bantams have been continuing their busy schedule both in CASA and league playoffs.

After winning the Zone 4 title, the local bantams met the winners of Zone 3, which was a very strong team from Etobicoke. The Hillers gave it a good effort, but were eliminated in two straight games.

In the league semi-finals Photique knocked off Keswick in two straight games and on September 14 defeated Oak Ridges 3-0. Winner of that series will meet Stouffville for the league championship.

Glenn Moreland pitched steady ball against Keswick and came up with a fine effort to shut out Oak Ridges.

The entire team played errorless baseball.

Oak Ridges returned for the second game of the semi-finals September 21, which was well played by both teams.

After nine innings the score was tied 1-1 and in the bottom of the tenth Richmond Hill won it 2-1 on a long homerun by Brian Charles.

Charles has come through with the key hit in quite a number of games for the bantams.

Glenn Moreland pitched a good game, especially in the eighth inning, when he struck out the side with the bases full.

Photique now advances to the league championship finals against Stouffville. This should prove to be an exciting series. Don't miss it!

always important."

Newcomer Goalie Brian Stankiewicz of Thornhill has been everything that the coach could want and could be the big key.

"He's been playing super in goal," said Brimblecombe. "I've said it before but I think this kid will be as good as Gary Carr," he said.

STARTING LINE-UP

Brimblecombe's likely starting line-up against Vaughan Nationals in next Tuesday's opener.

Dave Stuart at centre between Dave Dunkley and Steve Glover (Toronto Nats); Mike Hartman centreing Bob Bangay and Jim Clement; and Ernie Takeuchi between Jim Casola (Sault Ste. Marie) and Rick Febbo.

Defence will have returning Jack Guest and Bill Stephenson; Al Potts and Jim Roffey.

"We have some other players we're counting on also," said Brimblecombe.

Finally:

"It's going to be a tough league and we'll be pretty tough. I'm quite optimistic over the upcoming season."

Handicap Events This Weekend

The Mixed Singles Handicap Tournament had to be postponed Sunday because of the inclement weather. Inclement, that's a nice way of saying lousy. Who'd a thought it'd rain buckets after all that dry weather we've had all these weekends. Not me obviously, I'd just bought the paint for the outside of my house!

So the singles handicap has been rescheduled for Saturday. Starting time is 10 am. The mixed doubles goes as slated on the following day (Sunday). However, if it dares to rain on the Saturday then the singles will be held on the Sunday and the doubles rearranged for October 7. Don't worry. I promise not to start painting.

Don't forget your long, woolly (and white in accordance with club rules) underwear when you play these fall evenings — it can get cold enough to freeze the balls on No. 1 Court.
