You Can Learn To Play The Bagpipes

Friday was initiation day for our grades 9's It was a day of excitement for all grades, and for those of you who did the initiating. They will remember what they went through. Everyone enjoyed it, and will never regret it. After all we all went through it and will be going through it. The initiation dance was more or less a continuation of Friday resulting in a lot of exhausted kids. You couldn't get any better fun for a cheaper price.

This year we have quite a different surprise in store for you. If you enjoy the sound of those great old Scottish bagpipes, here's your chance to experience them and maybe, you'll become famous at them. If you're interested in this activity, see Mr. Bownlee upstairs in the History department. Its new and you'd probably like it and the best possible way you'd be helping us out, is by coming out to this club and helping to make it the success we hope it to be.
