LOOKING AROUND

Neighborhood Notes
Gladys Maginn, formerly of Maple and now living in Woodbridge, is a proud grandmother again. Her son Bruce and his wife Joan of Bolton are the happy parents of a baby boy, David, born on September 18 at the York Central Hospital. Congratulations are in order for the new parents and the grandmother.

We have two new families in Maple and we would like to extend a hearty welcome to them on behalf of the community as a whole.

Dorothy and Andrew Snider, formerly of Maple, have lived in Fergus for four years. They have returned and have taken up residence at 3 Oldfield Road, Maple.

Our former neighbors from 36 Netherford Road, John and Linda Boudreau, have moved to the Orillia area where John has taken a transfer with his company.

Mr. and Mrs. Philip Le Blanc have moved here from Toronto and we would like to welcome them.

"Butterflies Are Free", presented by the popular Richmond Hill Curtain Club, running from October 5-20. One of the leading roles, that of Mrs. Baker, is being played by Pat Kantaroff of Maple. The play is directed by Jerry Crack.

After the opening show there will be refreshments and a chance for the public to meet the cast and tour the new theatre which is at the corner of Newkirk Road and Elgin Mills Road. There is ample parking at the new theatre site and you can obtain your tickets (\$2.50) by phoning 884-4274.

Don't put away your golf clubs yet, there is still one more event of the season. October 26 the Lion's are sponsoring a golf tournament for local golfers at the King City Golf Course. Please get in contact with the officials early so they can determine the number of entries and thus establish your starting time. For information and details phone Dr. Jurczak at 832-1566 or Al Taylor 832-2526.

September Is Campaign Month For Arthritis, Rheumatism

By EVA HAWKINS
Maple Correspondent

September is the campaign month of the Arthritis and Rheumatism Society. Many of you may already have been canvassed by one of the 50 volunteers covering the Maple area.

The local CARS does not receive any funds from the United Appeal, therefore this canvass is imperative. Many younger people in their productive years, as well as older folk, are afflicted by the arthritic diseases and as yet there is no cure.

Since the Canadian research being conducted is perhaps the finest in the world, when a breakthrough is discovered quite probably it could be here in Canada. To indicate to you the dramatic accomplishments of public donations to CARS since its conception in 1948,

Year's First Meet Of Cancer Society Names Officers

The first Cancer Society of the new 1973-1974 season was held September 20 at the home of Mrs. Eleanor Hamilton, Goodman Crescent, Maple. The officers include President Mrs. Lynn James, Secretary Mrs. Jennie Cave, Treasurer Mrs. Marguerite Amos and Service-to-Patients Mrs. Marjorie Brock.

There are more positions not mentioned but these are the most central to the society. If you would like more information or are interested in the society, please contact Mrs. James, the president, at 832-1314.

Since this was their annual meeting many reports were tabled. Educating the community to the needs and detection of cancer was carried out by the society last year. Posters and leaflets were placed in the schools, churches and industries in the area.

Cancer patient services were provided by the members with 23 trips being made for treatments etc.

During the April, Cancer campaign, \$6,105.12 was raised by the Maple Branch and they would like to thank all of those in the community who donated monies at that time.

Other services to patients included: bandages, visits, cards, small gifts and plants.

IN THE VILLAGE OF MAPLE

The Tuesday night Cub Pack held their first meeting on September 18. Apparently there are still a few openings for this evening. So if there are any boys aged eight to 10 who are interested, please contact Glen Hutchinson for registration forms.

Church News
Sunday there is the Harvest Festival Thanksgiving Service at St. Stephen's Anglican, Dr. Ramsay Armitage, the rector, will be delivering the sermon at the 11 o'clock service.

The ACW held their first meeting of the fall season in the Parish Hall September 12. The members were welcomed back and the main topic of discussion was the bazaar to be held on November 3 at 1:30 in the Ramsay Armitage Parish Hall. The convener for this year's Bazaar is Pat Little of 20 Goodman Street, Maple.

In spite of a long list of problems and adversities, Rev. George French has begun his duties at St. Andrew's and St. Paul's Presbyterian churches with great interest in the community and his congregations, great enthusiasm and an incredible amount of patience, considering a church with no heat, movers who haven't moved, and not even a manse to move into!

Following the services Sunday morning there will be a meeting of the two congregations.

VAUGHAN PUBLIC LIBRARIES
Story Hour, Crafts, Songs, Stories, Films

All things are happening at the Maple Library. Story hour for pre-schoolers (very popular last year) is in full swing now. Children between the ages of three to five years are invited Thursday mornings at 10:30 for an hour of crafts, songs and stories. The film programme which began during the summer continues. Saturday afternoon at 2:00 is show time; admission is free and every

one is welcome. A new feature in the adult library is a small collection of popular works in large print form.

In the adult non-fiction section, new books include colorful and imaginative interior decorating books, such as Creative Decorating On A Budget, by Better Homes and Gardens. Two other Better Homes and Gardens selections are mouth-watering cook books: Favorite Ways With Chicken, and Ground Meat Cook Book, contain tempting and economic recipes. Tom Stobart's well illustrated book, Herbs, Spices and Flavorings, provides good advice on how to add zest to everyday menus.

New fiction selections are varied. An anthology of short stories, The Magic Of Shirley Jackson, makes good reading for mild mystery buffs, and Patricia Power's Face Of The Fox is a Crime Club selection. New Canadian fiction includes another zany novel, Gone Indian, by Robert Kroetsch. Two anthologies of Canadian short stories worth special mention are Rudy Wiebe's Stories From Western Canada, and from the opposite direction, Nova Scotia's David Lewis' collection, A Lover Needs A Guitar. The Hard Time Bunch, is a western novel by Clifton Adams, and for science fiction fans, Nightmare Reader contains many short stories, edited by Peter Haining.

In the junior library, there are many new books that should be helpful for school projects. For pleasure and education, children of all ages will enjoy Dolphins Are Different, by Letitia Parr; The Sky Little Girl, by Phyllis Krasilovsky; Inger and Lasse Sandberg's Little Anna And The Tall Uncle; and The Man Whose Mother was a Pirate, by Margaret Mahy.

The Maple Library has information about evening classes at universities, colleges and schools; if you want to learn a skill or craft that is not offered, ask a library staff member about it. We're always looking for community programme ideas.

The awards for the winners of each class will be presented by Mr. Lown at the coming Magic Night to be sponsored by the CARS. I will have the details on this shortly in the column.

Here is the list of the poster contest standings in order of merit:
George Bailey Senior Public School—Donald Stephenson, Ricky MacCallum.
Joseph A. Gibson Public School, Grade 2 — Kerry Hobbs, Monica Wild, Sarah Langley, Melody Shears, David Back.
Grades 3, 4, 5 — Valerie Stephenson, No Name "Arthritis is Never Hopeless", Kelly MacCallum, Kim MacCallum, Caryl Bothwell, Linda Goulet.

Second Chance October 9

100 Vaughan Senior Citizens Entertained At Seneca College

More than 100 senior citizens from Vaughan, including some from the Maple area, King City, Kleinburg and Woodbridge, enjoyed fully their evening of entertainment sponsored by Travelways World Tours Tuesday of last week.

Along with nearly a thousand other seniors in the Minkler Auditorium of the Finch campus of Seneca College, they joined in the singing of a host of the old favorites, some with new twists, and laughed with the rest of the excellent material of Master of Ceremonies Eric.

Films were shown of the fall season of exciting holidays in Daytona, restful month-long stays at Melbourne, Florida, the highlights of the Gulf coast and St. Petersburg and St. Petersburg Beach, and of course the 16-day luxurious trip to the Caribbean, including bus trip to Fort Lauderdale, Florida where the super-luxurious cruise ship Fairwind docks to beckon her passengers for the holiday of a lifetime.

Unfortunately, not all the senior citizens who were interested were able to enjoy the evening since the auditorium holds only 1,100. So the effort is to be repeated the evening of October 9. Same time, same program for those interested in the winter holidays.

FREE TRANSPORTATION
Any senior citizens in the Vaughan area wishing to participate in this next evening of fun may call Mrs. Louise Cooper 832-2408 to arrange to be included. The entire evening is at the expense of Travelways World Tours, including transportation, entertainment and refreshments. With apologies to those who missed their coffee and a promise that there will be sufficient refreshments for all.

The Maple members were particularly surprised and pleased when their driver, George Hooper, accepted the job that had been collected for him but quietly returned it to their hostess with instructions to use it to the best advantage for the club. He suggested a Wheel Chair rind, an idea which we feel is an excellent one, and one which has been considered several times but postponed for lack of funds.

At least one wheel chair, to be the property of the members of the club, would add to the enjoyment of the many outings when some members find mobility difficult. With thanks to Travelways and George Hooper it would seem that a wheel chair is to appear in the near future for the Maple Seniors.

KLEINBURG INVITED
The Maple Senior Club has extended an invitation to the members of the Kleinburg Club to visit October 8 for the afternoon to view films of the planned trip to Spain March 24 on which a number have already booked. Travelways have kindly offered a program of films for the afternoon, and would consider doing the same for other clubs in the area if they were interested. Contact Mrs. Cooper for information.

On October 2 and 3, a two-day trip through the Haliburton region through Algonquin Park and overnight at the Hidden Valley Holiday Inn, returning through the Muskoka color region, has been booked. As it stands, the bus is filled, and names will be taken now only on a stand-by basis. Departure Woodbridge 8:30 am, Kleinburg 8:45 am and Maple 9 am.

ANOTHER TOUR
A one-day color tour is planned for Oct. 4, although price and final arrangements have not been completed. Please contact the club travel secretaries for details. Since only one bus is being considered, names must be in as soon as possible.

Hockey
A reminder to all young hockey players who have not yet registered: Registration forms for Maple Arena can be picked up at Bowes' Super-test Gas Station, corner of Dufferin Street and Highway 7. Forms can be mailed to A. G. Taylor at 28 Malaren Rd., Maple.

His telephone number is 832-2526. First games start October 13. So come on boys, get your skates on!

Birthday
Belated birthday wishes to Lou Pitcher, Southview Drive, for September 18. His wife Helen gave a small party with a few close relatives and friends attending. I hear it was a very nice evening.

Visitors
Your correspondent is very

happy to have her brother and his wife, Mr. and Mrs. Robert Smillie from Galashiels, Scotland, visit her and family for a few weeks. Happy holidays to both of them!

AURORA — In the wake of two traffic accidents involving children on Murray Drive, a 10-man delegation recently demanded that council take action to curb speeding drivers on that street. Lowering the speed limit to 25 mph, marking the roadway with a solid white line, and more police surveillance were suggested. The necessary bylaw for a 25 mph speed limit has been prepared and council is awaiting comments from York Region's traffic engineers before passing it.
