

Vaughan Garbage Collector

Fine For Operating Business From Home

A Vaughan Town citizen in Richmond Hill Court Friday was convicted and fined \$50 or 10 days jail for unlawfully operating a garbage collection business in a residential zone.

Pleading innocent was Arthur Cannon of A and F Cannon garbage collection, 21 Fran Drive, Woodbridge, who has collected garbage for the municipality for years. He was charged under town bylaw 980 with operating of Arthur and Faye March 24 and May 19.

RESIDENTIAL ZONE

Kenneth Naylor, Vaughan Town building and zoning administrator, told the court the Cannon property was zoned R-3 Residential in a June 1954 Woodbridge by-

own defense, Cannon said he rents another lot for parking trucks and doesn't leave them very often in his driveway. He said he'd been paying business tax to the municipality since the early 1950s. Mrs. Faye Cannon also took the stand for the defense.

Defense Attorney John Poot of Edgeley argued Cannon's trucking business was a non-conforming use since it was started as gravel hauling before the Woodbridge zoning bylaw was given final approval on the provincial authority. He also argued that the general practice of drivers parking their trucks at their homes in the town made the bylaw ineffective.

Lucky September Mom

Mrs. Josephine Boruszok, 145 John Street, Thornhill, was the lucky mother who cashed her September baby bonus cheque at S. S. Kresge's store in the Richmond Heights Centre. She is seen above accepting a cheque for \$42 from Store Manager Donald Douglas, as the prize in the store's monthly "Triple Your Baby Bonus Draw".

October may be your lucky month. All you have to do to qualify is to follow Mrs. Boruszok's example and cash your baby bonus cheque at Kresge's. You will be given an entry form to fill in and deposit in the draw container.

Court NEWS

law. When the town received a complaint about the garbage operation, he sent a registered letter ordering Cannon to cease and desist, and to remove all commercial buildings from the property.

The letter pointed out to Cannon that the fact he'd paid business tax on his operation for 17 years was no excuse. Naylor told the court garbage trucks parked and repaired on the property were registered in the ownership of Arthur and Faye Cannon.

NEIGHBOR TESTIFIES

Colin Adams of 19 Fran Drive, a neighbor since 1955, told the court the Cannon property was being used for a truck garage and for garbage truck maintenance. He said the garbage business went on there since the mid 1960's, with up to four trucks involved. He said the parked trucks weren't clean because there was a noticeable stench. He said the trucks must be often parked loaded because garbage was collected Saturdays and Sundays when the town dump isn't open.

Cecil Bolton, Vaughan town public works accountant, testified garbage dumping bills were regularly sent to Cannon at 21 Fran Drive for about \$300 a month. He said Cannon collects garbage for the town in Woodbridge and Kleinburg.

EFFECTIVE TIME

Vaughan Town Solicitor Thomas Fraser of 12 Richmond Street, Toronto, prosecuted the case. He argued the bylaw became effective the moment it was passed by the municipality and that there was evidence to support the charge.

Provincial Judge Russell Pease agreed that the bylaw is valid and the evidence was sufficient for conviction. Cannon paid his fine immediately.

A driver who picked up an ornery hitch-hiker was sentenced by the court and set free on a charge of causing a disturbance by fighting August 10 on North Road in Oak Ridges.

Jack Donkers, 25 of Lot 17, Bloomington Side road, told the court the hitch-hiker he picked up demanded to be taken back a mile instead of in the direction Donkers was travelling.

PULLED FROM CAR

The hitch-hiker jumped driver Donkers when Donkers stopped and pulled him out of the car. Donkers said he was struggling to defend himself and get away at 11:30 pm when York Regional Police Constable Ken Harkness came along and arrested him.

Constable Harkness said there were six people walking along the south side of North Road when he came upon a vehicle stopped on the north side. Two youths were struggling at the rear of the parked car and a third person was watching, he said.

Curtain Club Actress Wins Part In Toronto In "Birthday Party"

BY TOM DAVEY
Liberal Drama Critic

An actress from Richmond Hill Curtain Club has won a part in Pinter's Birthday Party now in rehearsal in Toronto.

Mrs. Louise (Tot) Whittney, wife of the Curtain Club President Tony Whittney, will play the part of Lulu in the play which opens at the Central Library, November 6-10 and from the 13-17.

The play is being staged by the Menagerie Players. Mrs. Whittney said her role was not a major one but very challenging.

"Harold Pinter seldom describes his characters, and Lulu is not described at all and this makes it very difficult when preparing for the role," she said.

She described Lulu as a sort of dumb blond who lives next door. Two years ago Mrs. Whittney won a

Mirvish Award for her acting in The Gioconda Smile. The award, a scholarship and a trophy, was for "the most promising new talent."

The production also won other awards for the Curtain Club, including the best set. The awards were sponsored by the Central Ontario Drama Festival.

Traditionally, The Curtain Club fares very well at the Festival and some theatre-goers are expressing regret that the current play "Butterflies Are Free" is not an entry.

For the club has always won awards every time it has entered.

If Butterflies had been an entry, Terry Harford would have been a strong contender for his role as the blind Don Baker.

Pat Kantaroff, playing his mother, might also have fared well at the Festival for her strong, but extremely sensitive, performance as his mother.

The director, Gerry Crack, would undoubtedly have been in the running for his direction of the play which closes Saturday after a successful run.

While the club has not yet selected its Festival entry, it appears that "Everything In The Garden" by Edward Albee is a likely choice. The Albee play is scheduled to open early in 1974.

Meanwhile, there must surely be some misgivings that "Butterflies Are Free" was not among the entries. I feel certain it would have brought further honours to the Curtain Club.

BRADFORD: Federal Diversi-plex has obtained exclusive rights to a new process of vacuum-packed cooked foods, thanks to Hardee Farms International Limited. Initially potatoes and other root vegetables will be processed and vacuum-packed, although the process is applicable to meats and vegetables. At first they will be sold to hospitals and other institutions, and if they prove successful will then be offered in the retail market.

Police Investigate Bomb Scare After Concord Man Threatened

York Regional Police are investigating a bomb scare at Pasquale Brothers Wholesale Grocers, 8000 Keele Street, Concord.

Police said a receptionist there October 10 received a call from a man, who told her the store would be blown up sometime during the week. The area was checked, but nothing was found.

In Markham, five juveniles have been charged with malicious damage in connection with a round of vandalism at houses under construction in Toronto and Unionville.

The five, all from Unionville, broke 29 windows in one house, damaged two chimneys, drove a fork lift loader through the wall of another house and burnt out the ignition wiring in the loader.

Total damage amounted to \$7,100.

Vandals were also busy in Richmond Hill last week. Police said that the lobbies on the fourth and sixth floors of an apartment block at 36 Centre Street West were damaged by someone who sprayed the walls and ceilings with a fire extinguisher. Police have issued a summons for a 21-year-old resident of South Taylor Mills Drive in connection with the incident.

Adams Rent-All Limited, 7059 Yonge Street, Thornhill, told police they were looking for a couple of men who rented \$134 in trailer equipment more than a month ago and have so far failed to return it.

Police said the man who signed for the equipment gave his name as Muenchausen.

Soccer Rangers Win Now Enter Cup Final

The Richmond Hill Soccer Rangers kicked their way into the finals of the Richardson Challenge Cup Competitions by edging Aurora 3-2 Sunday afternoon at Langstaff Pearson Park.

Richmond Hill started off the first half of play with advantage of a very strong wind flow down-pitch in their favor. It wasn't very long before this proved advantageous as Horst Delschigel was the first to get the ball on target with a score.

The Rangers continued to press and it was only a matter of time before they scored again on a fine effort by John White with Ian McKenna putting in a lot of work up front and ably assisting in the movement.

John White was again in the right place to take an accurate pass and put the Rangers three goals up.

Aurora was awarded a penalty kick shortly before half-time which was highly debatable but it was counted to make the halftime score read Richmond Hill 3, Aurora 1.

It was Aurora with the wind advantage in the second half and Richmond Hill had to defend stubbornly to keep the ball out of their own half. They appeared to be performing their duties effectively until some defensive slack work allowed the Rangers to beat goalkeeper Ron Binell with a high ball into the corner of the net.

Aurora pressed hard for the equalizer coming close on several occasions but couldn't score.

The Rangers now go into the final but at press time their opponents in the other semi-final playoff were not known.

RICHVALE MINOR HOCKEY RESULTS

OMHA ATOMS

Maple 3, Richvale 1

Richvale Atoms played well in their first exhibition game of the season, carrying the play to a robust Maple team most of the game. Behind good goaltending, especially by Paul Gullo, the Richvale boys could have come away a winner with a few nets around the Maple crew.

Scoring Richvale's lone goal was David Purves aided by John March and Greg Meeke. A return match is scheduled for October 19 in the Oak Ridges Arena from 7 to 8 pm. The Richvale squad has a game with Unionville in Unionville this coming Sunday from 5 to 6 pm. Come out and support the Richvale contingent in these exhibition games.

Legion Midgets Split Two Lose To Wexford, Beat Aurora

Wexford 2, Legion 0

Richmond Hill Legion Midgets opened the 1973 season with a 2-0 loss to Wexford of the THL October 7 in the new arena.

This was a penalty-ridden contest in which the Hillers' outshot Wexford 13-11. Both clubs combined to put on a hard hitting, fast skating, pleasing hockey game.

It appeared from this contest that Coach Pete Artemchuk has his work cut out for him to round the club into a top flight contender.

Legion 9, Aurora 1

The Legion boys skated away with a convincing 9-1 victory over the usual slow starting Aurora Club last Sunday in the new arena.

The Legion came out flying with Richard Hopson scoring the first goal of the season on passes from Mike Gallagher and John Oakley early in the first period, and this counter set the pattern for the balance of the game. The newly formed line of Rob Wallingford, Tony Robinson and Bobby Russell clicked for five of the nine goals, splitting 12 scoring points. Wallingford scored a hat trick, with Robinson and Russell each scoring once.

The trio of Arnold Van Der Weyde, Richard Hopson and John Oakley snared 10 points, with Van Der Weyde and Hopson each scoring twice. Not to be outdone, the line of Wayne Court, Jeff Miller and Bob McCullough

accounted for the other goal while impressing with hustle, determination and fine defensive play.

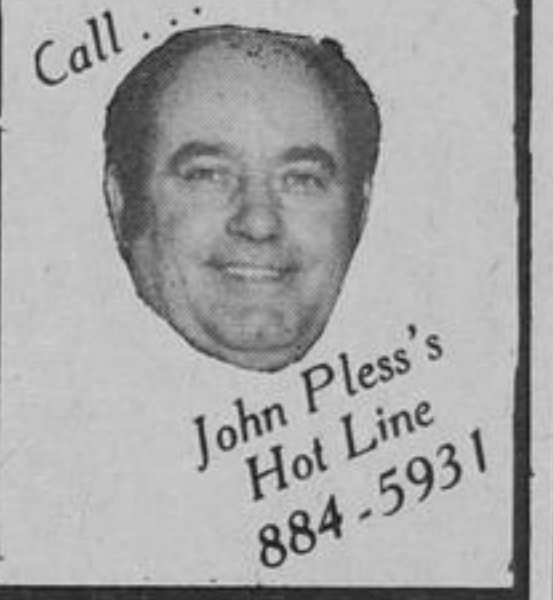

In the assist department, Russell and Brian Kellert led with three as Robinson, Oakley and Gallagher picked up two apiece, with Wallingford and Van Der Weyde adding one each.

Two players sidelined due to injury and sickness were Richard Campbell and Steve Hodgins. Gerry Tipold and Mike Doyle share goal tending duties, backing up a solid defensive unit of Gallagher, Berseth, Minor and Kellert.

This coming week the Legion Club is scheduled to play Aurora in Aurora October 18 at 9 pm, and on Sunday they play a strong Toronto Club in the new arena at 1 pm.
