Mr. Broadloom Gives Hockey Ducats

With the Maple Leafs on a winning streak, tickets at the Gardens on Carlton Street will be in great demand. Every month a lucky hockey fan will have tickets for two as the result of a draw at the new Mr. Broadloom Store, 460 Elgin Mills Road East.

The first draw was made last week at the store with Mr. Broadloom, himself, present to supervise the event and Ward 3 Councillor Charles Stewart drawing the winning coupon. The winner was William March of 16th Avenue, Richmond Hill (East Richvale).

These NHL ticket draws will be a monthly feature at the store with Mr. Broadloom himself presiding on each occasion.

Carrville Neighborhood News

CORRESPONDENT — MRS. ALICE HARRISON

Neighborhood Notes

We've had quite a week — wet and cold; the grumblers were grumbling, the planters did not have to water and were a little grateful. We did some digging and a little planting, so the weather was useful to some. But what a weekend! Simply gorgeous! We did a lot and enjoyed every part of it and the beautiful evenings.

Spring was very inclement but I felt that the fall would be kind to us. If the Farmers' Almanac is correct, we should have quite a winter. As Dale Carnegie said, "If you get a lemon, make lemonade out of it." If it snows, I'm going to do some snowmobiling, how about that!

Getting back to the weekend, the local airport was quite busy with all the fly-

ing enthusiasts. I do go there a lot and have noticed considerable interest in this exciting sport.

Church News
For people with and without appetites, big, small, poor, rich, the ladies of the Carrville United Church are putting on their annual turkey supper this Wednesday. Take out service is available for those who wish it. The food is home-cooked, delicious and will have that old-fashioned flavor that will appeal to the young and the little older squares.

The church is also holding a Hallowe'en costume party, Saturday evening. There will be a penalty for those without costumes. If there is any dispute as to what is classed as a non-costume, a suitable penalty will be levied. The referee will be Rev. Stanley

Snowden.
Keep November 24 open — the Carrville U.C.W. is holding a bazaar that date. A tea table will be available. Many, many items of embroidery and quilting (hand-made) will be for sale as well as homemade candy and baked goods. Further details in my next column.

SIBBALD POINT: The provincial park here was one of 30 in Ontario kept open until Thanksgiving Day instead of closing Labor Day. This is the result of a swing among campers to continue camping into the fall.

NEWMARKET: Approximately 100 walkers raised more than \$2,000 for the Aurora-Newmarket Family Life Centre during a recent 15-mile walkathon.

Former Richmond Hill Man Elected To OMHA Executive

James Pollard of London, a Richmond Hill native who learned his hockey in the Richmond Hill Minor Hockey organization, was elected to the executive committee of the Ontario Minor Hockey Association at its annual meeting held in Toronto, last weekend.

The annual meeting featured several rule changes including an increase of fees paid to referees. In novice and atom games the fee has been increased by \$1 and in the pee-wee to juvenile classes by \$2.

Penalties for serious infractions were also increased. Any player receiving a five-minute penalty for fighting, spearing and butt-ending will be expelled for the rest of the game. If the penalty comes in the third period the offender will be automatically suspended from the next game.

The closing date for entries was changed from December 1 to June 1 for AAA, AA and A series and to October 1 for B, C, DD, D and E entries.

The executive was given power to approve or disapprove a team or organization entering minor hockey in any centre. Previously any team wishing to enter the OMHA competitions from a community already operating an organized league affiliated with the parent organization had to receive permission in writing.

Big Brothers

Fallen Leaves

There are 48 fatherless boys in York Region who will not be participating in the Big and Little Brothers Car Rally Sunday because they lack Big Brothers.

The Car Rally of the Fallen Leaves is an annual event with the Big Brother driving his own car and the Little Brother acting as his navigator. On a pre-arranged route they will be able to observe the beautiful surroundings in the region and beyond, driving about 75 miles on the back road of Ontario.

The rally provides an opportunity for the Big and Little Brother to work as a team toward winning a trophy or some prizes, and also puts the Big Brother in the driver's seat to show the Little Brother the fine points of safe driving. The boys, as navigators, have to use their reading and spelling skills.

There will be checkpoints along the route, and participating teams will be assessed on points for the tasks performed.

"This event will be really the idea of Big Brothering at work," says George Karpatis, executive director of the Big Brothers of York.

The cars will assemble at the parking lot on the Aurora Community Centre at 9 a.m. and after completing the route will end up at the Aurora Shopping Centre (Yonge Street at Murray Drive) at approximately 1 p.m.

And with 48 boys on its waiting list, Big Brothers of York ask men who have a few hours to spare each week, "Why don't you give us a try? There is no pay, no uniform, no medals, nothing but a warm feeling in your heart."

For information call the Big Brother office at 727-1251 or write to P.O. Box 34, Aurora, Ontario.

Australia In November

Marksman George Leary Shoots For Canada In World Match

Fifteen-year-old George Leary, son of Mr. and Mrs. Jack Leary, Gormley, will be one of four trap shooters representing Canada at the world moving target meet in Melbourne, Australia, next month. George will

be leaving November 9 with three other trap shooters: Susan Natrass and Joe St. Arnaud from Edmonton, Alberta, and Terry Seed of Kitchener. Four skeet shooters will complete the Canadian contingent.

All members of the team will wear a special shooting vest of powder blue with royal blue trim. Canada is printed on the back in large white chenille letters.

On the way to Australia the team will have a stopover in San Francisco, arriving in the Antipodes November 11. On the way home their stopover will be in Hawaii.

George started to shoot five years ago at the age of 11, and will celebrate his sixteenth birthday while away.

A member of Timberline Trap Club, he has made the top five man Timberline team at the Intercounty shoots for two years, winning many trophies.

He won his first trophy at the Peel Club and has won the Ontario Provincial Shoot Sub Junior in 1968, 1969 and 1970 and junior in 1971, 1972 and 1973. At the Canadian shoot he won the sub junior in each of the five years from 1968 to 1972 inclusive. In 1973 at the Canadian he won the junior doubles. At the Grand American in Ohio in 1971 he returned home with two trophies. In 1972 he brought home five trophies and in 1973 three.

Six Thornhill Youths Impress Judo Match

Six members of the Thornhill Budokai Judo Club made impressive showings in the Ryobukan YMCA Junior Judo Tournament at Lockport, New York, October 13.

Weight divisions were constructed on the basis of weight plus 10 times a boy's age with the age limit being 16 years old.

The following boys were among the many winners:

In the 16-year-old class it was Dana Curnock and Pasi Holko, both age 13, winning first place in their own weight division.

Dana, from Orton Crescent, is a brown belt and Pasi, of Glenborough Park Court, is a red belt which is classified as junior brown.

Joey Toulre, of Clarke Avenue, 16-year-old brown belt, placed second to win his trophy.

A clubmate, 13-year-old red belt Steven Penyige of North Paliser Crescent, also won second place. Another red belt, 15-year-old Colin Maclellan of Aleaine Court, received a third place trophy while clubmate and blue belt Gerald Larbie, also 15 years old, reached the semi-finals.

The competing youngsters are considered to be among some of the best competitors in the sport of judo and have won numerous trophies.

Mic Mac Queens Tourney Winners

The Richmond Hill Dairy Queen Juvenile Mic Macs closed out their season recently by winning their own tournament.

They downed last year's winners, Brampton by 9-5 to win the "A" Championship after earlier defeating Glenfield by 8-0 and Aurora 9-7.

Glenfield won the "B" section by downing Woodbridge at Crosby Park.

QUERENGESSER STARS
That final Richmond Hill game saw the Brampton squad no match for the Queen's as Pitcher Donna Querengesser was at her best and was backed up by her teammates who came through with some fine fielding and hitting.

They opened the one-day tournament by shutting out the Glenfield 8-0 behind the three hit pitching of Querengesser and then went on to whip Aurora 9-7.

The Mic Macs led by 9-0 at one point only to have Aurora score seven runs in the sixth and seventh innings to make it a real tough game.

Carol Anne Rogers pitched her last game as a Mic Mac culminating a fine season. Biggest hit in the second game was a homerun by Mary Louise Thompson.

Playing their final game as Mic Mac's were Nancy Stoness, Carol Ann Rogers, Pat Soundy, Mary Louise Thompson, Fran Berthelette and Cheryl Lance. They will move into an older age bracket.

A rebuilding job will have to be done next year around the pitching of Donna Querengesser and Louise Brewer.

Team Manager Verda Stoness and Coaches Shirley Lee and Bill Fox wish to thank all the fans who supported them throughout the year.

Cow Butchered On Spot

Cattle rustlers, who slaughtered a cow in Mount Albert on the weekend, left only its intestines behind, York Regional Police reported.

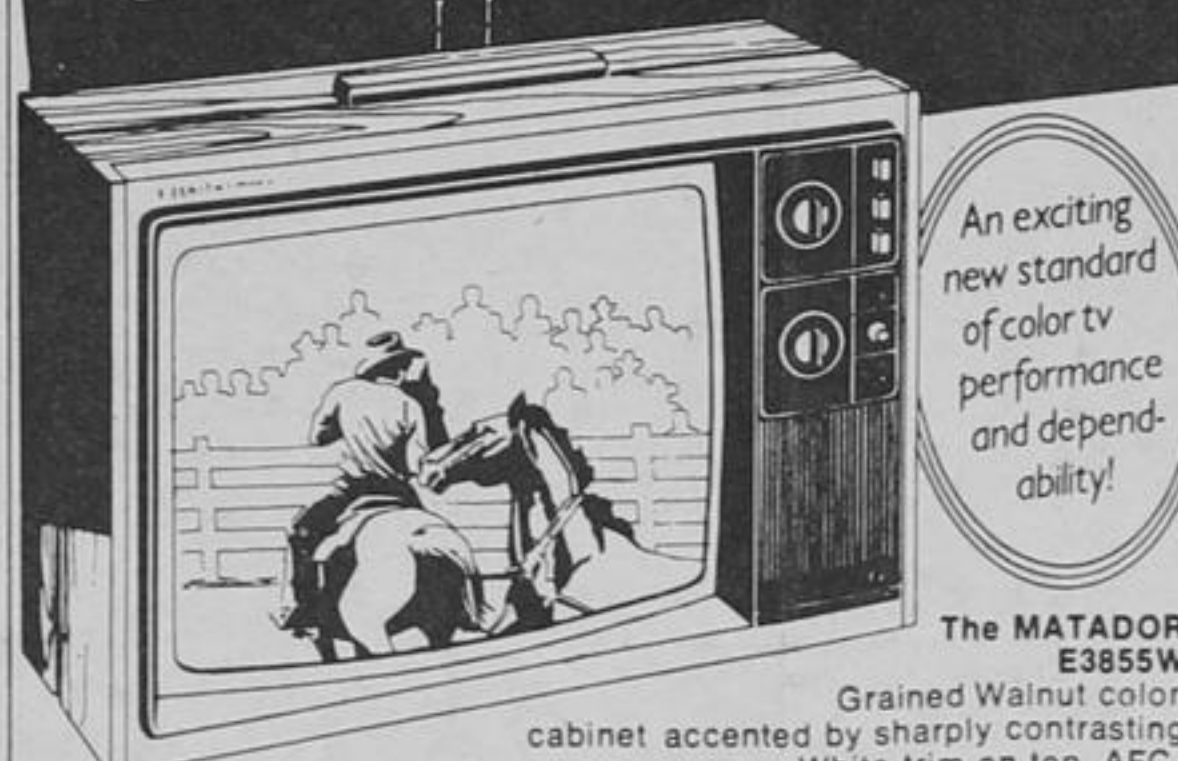

Police said the remains of the 800-pound, two-year-old Hereford were found by owner Grant Oldham, when he went to feed his animals on Concession 7 in East Gwillimbury.

The cow was valued at \$450.

NEWMARKET — Goodbye Sousa, the National Film Board movie which featured the Newmarket Citizens' Band, has won the Canadian Film Award as the best theatrical short film made this year. The award is the Canadian counterpart of the U.S. Academy Award. The 17-member band was the work of Anthony Ianzuelo, a native of Keswick.
