Neighborhood Notes
Sunday dinner guests of the Rev. and Mrs. Stanley Snowden of Keele Street, were Mr. and Mrs. Wilmar Hodgins of Shawville, Quebec, and Mr. and Mrs. Hilliard Argue of Cobden, Ontario. During the evening they entertained Rev. and Mrs. Bert McEvoy of Mt. Dennis United, Toronto, Mr.

and Mrs. Bert Snowden of Bowmanville and Mr. and Mrs. Wesley Down of Oshawa.

There are a few openings left for the upholstery course at Joseph A. Gibson Public School. If you are interested please telephone Audrey Sandford at 832-1216 for the details.

The ladies' skating would like to get started and there is room left for a few more people on Thursday mornings. The teacher for this is Audrey Kutchanko who is also doing the children's programme.

If you have never skated this is quite alright as the program is for learning and becoming more proficient, whatever stage you are at. This is great exercise and fun.

Shirley Amodeo at 832-2409 is looking after this activity, so contact her for more details.

Church News
On November 18 Teston

United is celebrating its 101st Anniversary. There will be a prelude of special music at the Sunday morning service with Roy Robson at the organ and Rev. Doug Sloan at the violin. Rev. Sloan of Guelph will be the special minister for the service.

The church members are busy preparing for their annual Christmas Bazaar being held this year on November 30 at 7:30 pm at the church. This year each month of the calendar will be represented with a booth.

Part of the proceeds from the bazaar will continue the support for foster children which the church has in Greece, Hong Kong and Korea.

October 28 Maple United will be celebrating its 103rd anniversary. The guest speaker for the day will be Rev. Alf McAllister of Thornhill United. At the 11:15 am service the senior and junior choirs will be singing. For the 7:30 pm service

the special music will be supplied by the York Highland Chapter of the Sweet Adelines (Ladies' Choir).

Following the evening service there will be a time fellowship in the church hall when the Adelines will be performing again with a secular concert.

Vaughan Senior Citizens Plan To Attend Musical At O'Keefe

BY EVA HAWKINS

The Senior Citizens of the Town of Vaughan are busy planning their outings for the coming season with the musical production of GIGI at the O'Keefe Centre October 31 the first on the list. Leaving Maple at 11 am, then Kleinberg and Woodbridge, the two buses will stop at the Town and County Dining Room for lunch and then go on to the O'Keefe. All will be home in lots of time to "shell out" in the evening. Cost of the above is \$9, all inclusive.

The second outing on the planning board for this fall is the Royal Winter Fair, with the date for that trip set for November 14. Cost for the bus and the Royal evening performance is approximately \$6.

SHOPPING TRIPS
During the month of December the idea of one bus during each of the three first weeks of December for a shopping trip and Christmas Lights Tour has some merit. These would probably be December 6, 12 and 18. Several plazas have stirred the interest of the Seniors including the new Square One in Mississauga and the New Scarboro Centre. These trips would probably go to a different plaza each week.

This would mean that those who do not have transportation could take one, two or all three of these trips, and could likely get all their shopping completed. At the moment, only one bus is being considered for each trip, but those interested should begin to add their names to the lists of their respective clubs so plans can be finalized.

TRIP TO SPAIN
There is a great deal of interest in the March 24 trip to Spain, and those who have not paid their deposits are urged to do so as soon as it is convenient. With the available insurance of \$7.50, a complete refund is available should cancellation be necessary. The seats on this flight are going very quickly. Not all are reserved for Vaughan, so it's first come, first served.

When we mentioned the trip to California recently, it turned out those who had planned this tour were unable to go, and a new date has been set of January 6 till January 28. This follows the busy holiday season and falls in the coldest part of our winter when more people will be interested.

There are several who have been asking about the Florida tours this winter including a 30-day trip to St. Petersburg, January 9 or March 19. Very few seats are left for the 30 days to Melbourne and a most interesting tour of 21 days including eight days at Daytona Beach and eight days at St. Petersburg Beach on February 5 and February 12. There are lots of seats left on the Florida Grand Circle Tour that several of our friends enjoyed so much last winter with six different dates available during February and March as well as the two off season special rates of November 11 and December 1.

For information on all the last trips to Spain, Florida, California or the Caribbean call Mrs. Louise Cooper at 832-2408. For all others contact your own club representatives.

Arthritis Society Magic Show At Maple

BY EVA HAWKINS

On Friday night about 150 children and a few adults turned out for the magic show at Gibson Public School even in the rain. The most popular person in the auditorium was a very obvious misfit, Bobo the Hobo, with his patched clothes certainly not made by the best tailor.

Of course his profession seems to be creating animals out of balloons, which he did most of the night. He was also great at keeping the children in line with a few honks on his horn.

6 MAGIC MEN
Besides Hobo there were six other magicians from the Toronto Magic Club: Harry Douglas, Jack Brian Ruddini, Keith Stevenson, Michael O'Dowd and Raymond Johnson. One of the most intriguing tricks was the one involving liquids going through peoples heads and out their sleeves. There were always plenty of eager assistants.

Pigeons were popping out of everything — newspapers, boxes and coats. The grand finale for the show was

the sawing in half of Harry Douglas's wife, who reappeared in perfect shape.

All of these men have regular jobs during the day but certainly take their magic very seriously and have extensive equipment and props that they bring along. The children certainly got their money's worth and were enthusiastic right to the last abra-ca-dabra.

All proceeds after expenses went to the Arthritis Society. The Poster Contest prizes

were presented during the evening and if there are winners who were not there,

please contact Mrs. Marilyn Wilson, Netherford Rd. about this.

CONCORD NEWS

School News
October 17 was Meet The Teacher Night at Concord Public School. Principal of both Concord Public and Thornhill Public introduced the teachers and commented on the fact that parent response could have been more enthusiastic.

The parents saw a movie of Concord School and pupils taken 20 years ago when the children took physical education outside summer and winter.

After the filmstrip and a few comments from Mr. Wells, the parents went to their respective rooms to see what their children have been doing this year and to have an informal talk with the teachers. Coffee and cookies were served in the library to close the evening.

Neighborhood Notes
Congratulations to Ron Laird Jr. who chalked up his first shut-out of the season. Ron plays novice in the Thornhill Church Hockey League. The coaches of the team are Ron Laird Sr. and Stan Clich and the manager is Lew Pitcher.

We wish Amon Boves a speedy recovery following his kidney operation. We understand he has just come home from hospital and would appreciate cards and short visits from his friends.

Hallowe'en, the witching night is almost with us again. Parents, please make sure that your witches and goblins wear something that is bright and can be seen in the dark by motorists.

If they are carrying a jack-o-lantern remember that a flashlight is as good as a candle and a whole lot safer. Some of the children will be carrying UNICEF boxes so please spare a few pennies as it is for a good cause.

Only a little smoke damage?

It could cost you thousands of dollars

Overheated cooking oils all too frequently go up in flames. And for an apartment dweller it can be particularly expensive. Water and smudge may cause extensive damage to corridors as well as to possessions of other tenants. Total costs for clean-ups and repair could become your costs, and chances are your present insurance covers only loss to your personal belongings.

Doesn't it make sense, then, to inquire about Economical Mutual's Tenants Package — an all-inclusive insurance policy that provides protection against such risks.

We designed it especially for people who rent, so they can relax. The cost is modest. And it's available right now from your nearby independent insurance agent.
