**Neighborhood Notes**

Still gorgeous weather. Some of the flowers were nipped last week and almost everywhere gardens are tidied up for winter. Last weekend at the Leaf manage the lawnmower was given its last workout before freeze-up (hopefully).

Buttonville WI members met at the home of Mrs. Garnet Francey last Wednesday night for their October meeting, and were entertained with beautiful pictures of Europe taken by Mrs. Irene Empringham on a tour which included Holland, Germany and the Rhine Country, Austria, Switzerland, France, Italy and the beautiful Isle of Capri.

Hostesses were Mrs. Francey, Mrs. Ernie Walton and Mrs. Rose Brodie. During the evening Mrs. Lloyd Baker, president, paid tribute to Mrs. Joe Robinson, a former member who died some weeks ago.

Monday of last week the first CGIT meeting of the season was held at Brown's Corners United with Mrs. Lloyd Tennyson and Mrs. Reg Allen as leaders. The girls, 12-18, will meet for a study session and crafts each week.

Cheryl Tennyson is conducting a crafts class at Parkview School at Unionville each Wednesday evening.

Congratulations to Debbie Stewart, daughter of Mr. and Mrs. Garnet Stewart, and Will McKelvey who will be married at Brown's Corners United Friday evening. Debbie was guest of honor at a shower held at Brown's Corners United October 16 when hostesses were members of the Pairs and Spares.

On Saturday evening when the Pairs and Spares (Couples Club) held a euchre party at the church Mrs. Jack Gough and Harvey Brown were tops, with Mrs. Rae Donaldson and Rev. Alen Hallett consolationists. A good evening.

Let the label be your guide to economy! A&P's own brands are top quality foods packed according to A&P's own high standards for quality. You'll find A&P WEO products in almost every section of your supermarket. We are all familiar with Jane Parker and Ann Page — but did you know that Super Right, Sail, Marvel, Yukon Club, Iona, 8 O'Clock, Bokor, Silverbrook, Sultana, Sunnyfield and Gilt Edge are A&P WEO labels?

These private labels are packed especially for A&P to standards which are equal to or higher than those used by national processors. To be sure that these products are of consistently high quality, A&P's quality control department do periodic random tests.

Even more important when we must shop carefully to make the most of our grocery dollars, A&P's own products offer you comparable quality at lower prices.
