Lots Of Good Fare At Carrville United

Heaped plates of turkey, dressing, vegetables and delicious home baked pumpkin and apple pies and everything to make a delicious repast was the order of the day at the recent Carrville United Church fowl supper, an annual event which has earned the ladies of the church a reputation as

good cooks, second to none. Enjoying the good things to eat in the above picture are (seated) Mr. and Mrs. Cal Halliday with their children (left to right) Melanie, Daryl and Jason. Standing is John Williams of Carrville Road.

Woman Bookkeeper Steals \$9,600 From Hill Firm Police Commissioner Grabs Wanted Man

A Richmond Hill bookkeeper who stole \$9,600 from her firm by altering records and writing illegal cheques in her employer's family name, pleaded guilty in Provincial Court here Friday to theft by conversion.

Mrs. Marianne Livingstone, 53, of 54 Harrison Drive, Newmarket, was convicted by Provincial Judge Russell Pearce and remanded to November 19 for presentence report. A charge of falsifying the books of Canadian Piping and Refinery Specialties Limited, 320 Newkirk Road, was withdrawn after she admitted the first charge.

LICENSE SUSPENDED
Clarke was given a month to pay the fine and reminded by the judge that his license would be automatically suspended three months by the Provincial Transport Department.

Clarke said he was married with four children aged from three weeks to 10 years and asked for the court's best consideration. His breath test reading was 1.60.

Brian Jones, 17, of 79 Bond Avenue, Oak Ridges

admitted a charge of drinking underage when arrested at 8:10 pm October 20 on Yonge Street. He was fined \$13 or two days in jail.

ANOTHER CHARGE
Jones also faces a charge of impaired driving in connection with the incident, the court was told.

Ronald Preston, 20, of 52 Hillsview Drive, Newmarket was convicted for illegally having liquor in a car at 5:30 pm September 27 on Yonge Street in Aurora.

York Regional Police Commissioner Ray Twinney caught a wanted man stealing merchandise in the back of the Twinney service station at Newmarket last week and made a citizen's arrest.

Charged with theft is Arthur Green, 36, of Jarvis Street, Metro. Green was wanted on an impaired driving warrant and faces charges in the Ottawa area for fraud and theft.

Richmond Hill Council Welcomes Advisory Board

(Continued from Page 1) the type of input that the residents of Lake Wilcox are having on the Dillon Report on the many projects which require it, as official recognition.

POSSIBLE NOW
"But that is possible now," declared Mr. Stewart. "You can go to any member of council directly. Any individual or group of individ-

uals can come to this council in session, just as you are doing now, and be recognized. Any attempt to channel information to the public through any committee is an infringement on the rights of the people and of their elected representatives. I believe it is my responsibility to take this information to the people who elected me. You are recognized

by being here and being on the agenda."

NO PROBLEM
"In the past we have recognized ratepayers' groups," said Mrs. Hancey. "I see absolutely no problem in the request of this group to be recognized and have a spokesman. To me it is quite workable within the structure. We can recognize them and receive their input. For several years we have striven to educate the public into the responsibility of citizenship and this is a group which is recognizing that responsibility. They can submit comments and those comments will be considered when the elected representatives make the final decisions."

Stankiewicz Gets Second Shutout Rams Blank Dixie Beehives 6-0

Goalie Ernie Takeuchi did the stopping and Mike Hartman did the scoring Tuesday night as the Richmond Hill Rams carved out a 6-0 shutout over Dixie Beehives and hopped into second place in the Provincial Junior "A" loop.

It was Takeuchi's second straight shutout and it was another flamboyant scoring effort on the part of Hartman who pumped three pucks into the opposition nets. Other goals went to Rick Febbo, Ernie Takeuchi and Jack Guest.

shot which was in as soon as it left his stick. The time was 5:42. Hartman also received an assist on the play.

The same line was back at it again at 9:24 as Febbo slapped an ice-hugger which was kicked out to Takeuchi who flipped it over the prone goalie at 9:24.

Febbo almost had another one at the 14 minute mark when he broke clear from the centre-line only to shoot into the goalie's pads as he was harassed and finally hooked by Dixie's Bill Stewart.

Despite the above two mentioned players the entire Ram squad should be credited with the win as they outskated, outthrust, and outchecked the Dixie team at every turn.

The Rams gave Stankiewicz excellent protection most of the way and the latter came through with some key stops whenever the eventually frustrated Dixie-ites broke through.

GETS HAT-TRICK
Hartman made it 5-0 at 16:40 as he latched onto a loose puck by the sideboards and his slap-slider again baffled the Dixie netminder and found the far corner of the net for his hat-trick of the evening.

The Rams continued their hard-skating, hustling ways in the final period as the Dixie team continued to falter.

Richmond Hill scored the sixth goal at 7:23 and it was by defenceman Jack Guest from Dave Stuart and Dave "Digger" Dunkley.

The Rams ran into penalty trouble, were short two men on one occasion, but the Dixie squad couldn't penetrate the Rams' defence and when they did met Stankiewicz and it was game over.

Richmond Hill scored its sixth goal at 7:23 and it was by defenceman Jack Guest from Dave Stuart and Dave "Digger" Dunkley.

The Rams ran into penalty trouble, were short two men on one occasion, but the Dixie squad couldn't penetrate the Rams' defence and when they did met Stankiewicz and it was game over.

It was, incidentally, the first of two goals Hartman scored on backhanders which in these days of curved sticks is almost as unusual as dinosaurs.

SHORT SHOTS
All the Rams gave it the big effort but special mention would have to go to the defence corps of Jack Guest and Billy Stephenson who controlled their area throughout the game. Guest, in particular, was a stand-out. Al Potts also played well on the rearguard.

HARTMAN AGAIN
Hartman did it again at 2:48 of the second period as he took a pass from Febbo, fought his way past the blue-line to the sideboards, and then lifted a high backhand which found the corner behind a baffled Dixie netminder.

The line of Febbo, Takeuchi and Hartman, of course, were offensive standouts.

Other honorable mentions go to Dunkley who was digging as usual and to Jimmy Clement who also hustled all night and handed out one particularly tough check.

The aroused Rams continued to skate and check in playoff style and it paid off again when Febbo latched onto a partially blocked pass by Takeuchi just inside the blue-line and blazed a slap-

shot which was in as soon as it left his stick. The time was 5:42. Hartman also received an assist on the play.

MANY PROPOSALS

"I would have liked to have had you here," stated Councillor David Stephenson, chairman of council's planning committee. He was referring to the planning committee meeting also held October 10. "At that meeting we heard a proposal on modular housing, heard about 12-storey apartment buildings and four-storey townhouse condominiums." Mrs. Graham agreed that the clash of dates was indeed unfortunate, "but we did not know the day of the planning committee meetings had been changed. We tried to change our date but found that impossible."

MANY MEETINGS

Mr. Stephenson also pointed out that "the planning committee has gone overboard in seeking public participation in the past. "We have held public meetings on the Lake Wilcox Study, on apartment buildings, on development in the Marviale area, on planning of the Rockwell area, on the hydro corridor and on rural estates."

The planning chairman also recalled that the committee members had been invited to attend planning committee meetings and "I don't think any representative has come and stayed for the whole meeting. If you are sincerely interested, come to the committee meetings. There are many things coming up in which you can assist."

ALWAYS LISTEN

"Since I've been on council I haven't refused to listen to any person," stated Regional Councillor Gordon Rowe. "This door should be open at all times for any citizen to enter. Your input will always be welcome but this council will have to make the decisions. We are here as elected representatives to make those decisions. I'll listen to what you have to say and will pick the good out of it."

The committee will be picking their own brains for input into planning and it is up to us then to make the decisions," summed up Mayor Lazenby.
