Aquatic Club Has New Coach But Urgently Needs Swimmers

Richmond Hill Aquatic Club is confidently predicting its best ever season with a new coach and several promising swimmers. But the club urgently needs new members. It is the only competitive swimming club serving the Richmond Hill, Thornhill, Aurora and Newmarket areas.

The club's new coach is Ross Ballantyne of Nobleton, a former Canadian Inter-Collegiate Breast Stroke Champion and a former University of Toronto Breast Stroke Champion.

He says the club has many swimmers who could reach the Ontario Championships but the club needs more depth. Last year one RHAC swimmer, Gary Gentry, achieved the fourth fastest time in Canada in the back crawl.

The club held its Family Fun Meet November 4 when parents and their children competed. Following the meet, the club directors called an informal general meeting. While concern was expressed about the

relatively low membership, the directors expressed appreciation for the help and co-operation received from Richmond Hill Town Council.

The club is one of the newest clubs in the Canadian Amateur Swimming Association but, in spite of its small membership, it has achieved a fine competitive record against much larger clubs. Newcomers are welcome to drop by any evening at the Centennial Pool on Newkirk Road at Crosby Avenue between 6 and 7 pm. Swimmers are welcome beginning at age eight and upward. Further details from Edward Fleming at 889-1385 or Mrs. Ann Stellinga at 884-6835. In Aurora call Robert Dickson at 727-4022.

It is club policy that all children, whatever their standard, will get a chance to compete once accepted into the club. Most children who join the club show dramatic improvement in swimming capabilities after a few weeks.

Nancy Hamilton 15th In All-Ontario Cross-Country Running

By PATTI DUFFY
RHHS Correspondent
Telephone 884-7837

Amid the freezing, snowy weather outdoors at this time of year, activities at RHHS carry on. And there have been many things happening here in the past week worth talking about, which is, for the most part, a good sign.

While trying to drive the thought of exams out of our minds, we have noticed in the school a very talented person, with regard to cross-country running. Nancy Hamilton of grade 12 travelled to Bradford recently, to compete in the All-Ontario finals. She was very successful, placing an exceptional 15th in the province. Congratulations, Nancy!

GIRLS' VOLLEYBALL

While on the subject of sports, in which there is almost always something happening, our girls volleyball teams played those of Markham High, at Markham, last week.

It was their last game of a great season, and unfortunately, both our teams were defeated, although the scores were very close (Seniors: 15-11; Juniors: 16-14). This shows how well they played, and we appreciate and enjoyed all the excitement we felt while watching them during the season.

This year's badminton team is welcoming new members, and has been very active through the weeks, practicing on Wednesday evenings. We hope to see them in action soon.

STUDENT TRIPS

Aside from sports, one of the big events underway at RHHS now is the planning of student trips to Greece, Russia and Germany, to take place during the March break of next year. All of these trips are being eagerly anticipated by both students and teachers, and it is hoped that they will really enjoy themselves there.

On Friday of last week, being a holiday for students of RHHS and surrounding schools, a Student Council meeting was held. Certain things were discussed (the main things being a blood donor clinic, the Christmas dance and a Student Council assembly). The Lions Hall is the site of a blood donor clinic on November 22, and support from students and parents is anticipated, as well as from anyone else wishing to help in this very important way.

Paul Jones then spoke on the Christmas Dance, saying that it will be held on Friday, December 14. Other details concerning the dance have not yet been decided, but we expect a good turnout, and a very enjoyable evening.

Nats Top League After 2 Wins

The Vaughan Nationals maintained a three-point lead atop the Provincial Junior "A" hockey league on the weekend with a 5-1 win over Markham Friday night and a 3-1 triumph against Wexford Sunday at Maple Community Centre.

Sunday's game with Wexford saw both opposing goalies, Kevin Walton for Vaughan and Steve Napier for Wexford, shining as the Nats outshot the Raiders 41-35.

Jim Tyrrell opened the scoring for Vaughan early in the first period and that's the way the game remained until the 14 minute mark of the second when Wexford tied it on a goal by Neil Burns.

WINNING GOAL

Vaughan's winning goal was scored by Doug Sellars at the 58 second mark of the third period.

Wexford removed its goalie for a final few hectic seconds but this strategy backfired as Sellars picked up a loose puck and fired it into the empty net with 20 seconds left in the game. Brian Burch received an assist on the play, his second of the game.

FRIDAY'S GAME

Friday's game was a Vaughan sweep all the way as they dominated Markham throughout the game. Vaughan's goals were scored by Rick Grisdale, Warren Holmes, Paul Stanley, Alf Lamoureux and Brian Wilton.

Markham's lone goal came off the stick of Bernie Cassidy. The Nats are host to Aurora Tigers Saturday night at 8 pm at Maple Community Centre.

All the Richmond Hill home games will be played out of Langstaff Secondary School on Garden Avenue, Richvale, behind the Emerald Isle Motel.

The club plays Monday and Thursday from 8 to 11 pm.

Three Townhouse Units Hit In Early-Morning Fire In Thornhill

A \$50,000, early-morning fire in a Thornhill townhouse development November 11, destroyed one of the six units and severely damaged two others.

Completely demolished was the home of Peter Shore, where the fire originated at 27 Romfield Circuit at Bayview Avenue.

The two dwellings on either side of the Shore residence suffered a total of \$14,000 damage, all in the upper stores.

Mr. Shore, 29, was also treated at York Central Hospital for burns.

Markham Fire Department, which got the call at 2:25 am from a resident on Royal Orchard Boulevard, was unable to find out how the blaze originated. The firefighters remained on the job for five hours.

Fire walls between the units helped to keep the fire from spreading.

The Markham Department also answered a call to 19 Ruggles Avenue last week when fire broke out in a pile of fibre glass insulation, which had been stored outside.

A quantity of charred timber was found at the base of the fire, which caused \$3,000 damage.

Lighting a match to assist him in his work, brought the wrong kind of illumination for a driver for Ernest's Snack Service, 582 Rivermead Road in Vaughan, November 12.

Fire Chief James Davidson said the man was changing propane cylinders in his truck when he struck a match to get a closer look. However, the propane

started on fire and caused \$200 damage before it was put out.

A similar amount of damage was done to a car owned by Gary Babcock, of Maple Avenue in Oak Ridges November 11, when gas flooded the carburetor and burst into flame.

Richmond Hill and Vaughan departments combined to put out the blaze.

A fire at the home of Robert Dufton, RR 2, Gormley, caused \$250 damage before being extinguished.
