A former Maple resident, Mrs. Edith (Bittner) MacGregor of Kleinburg has won special recognition for her special skills in nursing. Edith is a student at Humber College in the nursing faculty and has received the President's Letter for highest standing in Nursing for 1973, and the Nursing Efficiency Award.

On November 2, the parents of Maple area students at Langstaff Secondary School were indeed proud to attend the beautiful commencement exercises and to see the number of students from Maple and area who received their secondary school diplomas and honor graduation diplomas. Maple young people also won a high percentage of the special awards for achievement.

Following the professional and the singing of "O Canada", Rev. Stanley Snowden of Maple United Church gave the invocation and Desmond McCartney, past teacher at Langstaff and now principal at Stouffville Secondary School, spoke to the assembled students and teachers.

The remarks from Principal Robert Krol were followed with greetings from the York County Board of Education from Trustee Warren Baillie and from the administration from Planning and Administration Superintendent Stephen Bacsalmasi. The presentation of the Secondary School Graduation Diplomas to those who completed their level 4 or grade 12 standing was made by Trustee Douglas Allen and Acting Area Superintendent Kenneth McDonald, all from Maple and area.

Bill Allen, Glen Barnden, Lorne Bromley, Bruce Cameron, Karen Clendenan, Gail Cooper, Deborah Dowdall, Kathy Ella, Cindy Lamont, Marilyn Leonard, Nicholas Mashin, Joe Moore, Jim Moorehead, Peter Raeburn, Tony Roldan, David Snider, Patricia Stuart and Susan Taylor.

The school concert band under the direction of Mrs. Victoria Fraser gave a presentation of highlights from "Oliver" before Trustee Ross Jolliffe presented the secondary school honor graduation diplomas to those who had completed their high school education. The fol-

lowing, all from the Maple area, won honor diplomas: Laurie Anderson, Steve Ball, Nancy Brown, Cathy Carlick, Bill Edmanson, Shirley Foster, Anne Hofland, Jim Hull, Kathy Kennedy, Gary Leonard, Gregory McDonald, Catherine Pile, Sandra Prince, Marjorie Reaman, Thomas Snowden, Cathy Thacker, David Thompson, Jane Ward and David Wright.

Special board prizes were presented to students in each level of school and Lee Myers took the girls' honors for level 2. These were awarded to the students for the highest standing at each level; and were presented by Trustee Warren Baillie.

Maple residents were particularly proud to see that two University Scholarships were awarded by Trustee Morley Kinnee, both to Maple boys Tom Snowden and David Thompson. Tom received the J. Edgar McAllister Foundation Bursary and David received the Archibald McMurchy Memorial Scholarship.

Mr. McCartney proudly presented the awards to the Ontario Scholars, and of the 13 presented, six of these were Maple students: David Thompson, Laurie Anderson, Thomas Snowden, Anne Hofland and Catherine Pile. Each of these students was also warmly rewarded by an enthusiastic round of applause from the audience.

Special awards were presented by various staff and board members, including a classics award for outstanding achievement in Level 5 Latin to Laurie Anderson and the Principal's prize, awarded by Mr. Krol, to David Thompson.

The presentations were followed by the school song, "The Queen" and the recessional of the students, most of the girls in lovely long gowns and their best dresses and the boys in suits and even a group of boys in formal wear.

It was a moving evening and all residents of Maple can be very proud to see so many Maple students represented as achievers.

Church News
On November 18 there will be a special 11 am 101st Anniversary Service at Teston United. The prelude to worship will be a duet of violin and organ with Roy Robson on the organ. Guest speaker for the morning, Rev. Doug Sloan of Guelph, will play the violin. They will also be rendering special music during the service.

The Christmas Calendar Bazaar at Teston United will be on November 30 at 7:30 pm at the church. Each table will represent a different month of the year. Baking, handwork, flowers and gifts will be on sale at that time.

The congregation of St. Andrew's Presbyterian celebrate their 145th anniversary Sunday with services combined with those of St. Paul's, which will be closed for the day.

At the 11 am service, Rev. George French, B.Sc., M. Div., will conduct the service with a special invitation to all friends and neighbors and past members to attend.

In the evening the young peoples group "Breakthrough" will be in charge of the service with a singing quartet "The Living Word" from Pine Ridge Church assisting. Service is at 7:30 pm.

Following both services, refreshments will be served so visitors will be able to enjoy a time of fellowship together.

There is many a skip or so the old saying goes, and apologies are due to any who attended last Sunday's services in St. Andrew's because of the error in the Church Bulletin page in listing the services on the November 11. As mentioned above, the services are this coming Sunday at 11 am and 7:30 pm.

The ladies of St. Andrew's WA/WMS are meeting November 21 at the home of Mrs. James McDonald, 18 Cavalier Crescent, Thornhill, at 8 pm.

For details of the Bake Sale to be held December 1 by the ladies of St. Andrew's see next week's "Community Events of 'The Liberal'".

Bowling

Junior — The Maple Recreation Committee is again sponsoring a Junior Bowling League. Registration will be on November 17 at 1 pm at the Maple Community Centre Lanes. Young people eligible for this league must be between 6 years of age and the age of a student in grade 8. For information about this please contact either Dave Birch at 832-1449 or Shirley Foster. After the registration there will be single games.

LADIES — The ladies have started a new series but the players have not changed around. On November 5 Audrey Ross bowled the high single of 299 and the high triple of 683. The other high standers are: high single Bertha Ingram 314, high triple Barbara Gauthier 784 and high average Barbara Gauthier 213. Standings are as follows: Greyhounds 7, Poodles 7, Spaniels 7, Colies 4, Beagles 3, Danes 0, Terriers 0, Labs 0.

The ladies' league has welcomed four new bowlers: Linda DiBerto, Chris Kitchen, Liz Bailey (sparing for Shirley Tarling while she is absent due to knee surgery). They lost one regular last week, Marsha Ulrich. Betty Kucheraway, one of the new bowlers, was very pleased with her November 5 game of 210.

PIONEERS — Pete Craib featured this week's bowling with two good single games of 244 and 292. We won't mention the third game. Del Stillman who is a "no handicap bowler also bowled well with a 651 for his three games. The team standings are as follows: Stillman 28, Craib 22, Darlington 11, Gooderham 9.

Vaughan Senior Citizens Plan Shopping, Pleasure, Yule Tours

The Seniors of the Town of Vaughan had one bus chartered this week for a visit to the Royal Winter Fair and are looking forward to outings in December to at least two shopping plazas. The first on either December 6 or possibly December 4 to the new Square 1 in Mississauga and a second bus going the second week to the Scarborough Centre, probably December 12.

Since most of the seniors belonging to the clubs will probably only take one of these trips, there will be room for any seniors who would appreciate transportation to a shopping plaza before Christmas. For anyone interested, other than club members, please call Mrs. Louise Cooper at 832-2408. All club members please call club excursion representatives.

Although a third trip has been mentioned, it would seem that the first two weeks will be sufficient. But if interest is there, the third trip can also be taken, probably December 18. The cost for these trips will be for bus and expenses only, probably \$3. Depending on the restrictions on hydro, either imposed or voluntary, a short trip through the city to see the Christmas light displays will follow the shopping stop. We again strongly urge all

who are interested in these outings to see that their names are down on the lists, as it is impossible for the club representatives to call each and every one of their members. The responsibility for this rests solely on the individual for whom these trips are being planned. It is also absolutely essential that names be in well in advance, as it is impossible to properly plan an outing if so many members leave their decision to the last minute.

We know that there are a number of people in our area that are planning to go along with the Seniors on their trip to Spain, March 24.

There are several interested in the California trip, but only two have confirmed. This must be done immediately, as full payment and bookings must be in by December 6.

The Florida tours are rapidly being booked, so the same applies. If our folks postpone their plans to confirm their seats, they could very well be gone. Please call 832-2408.

Add 2nd Pine Grove Portable May Need 3rd By Christmas

The effects of extensive subdivision development in the Pine Grove-Woodbridge area are creating problems of accommodation at the Saint Margaret Mary Roman Catholic School at Pine Grove. The school population is increasing rapidly, two or three a day and this influx has sent some classes beyond the 40-pupil mark, York County Roman Catholic School Board learned at its November 6 meeting.

St. Margaret Mary School had a portable added at the beginning of the school year, but now another portable is needed and indications are that a third will be needed by Christmas as two streets of a new subdivision have brought an additional 20-30 pupils and there are still three streets of houses almost ready for occupancy.

The board ratified action of its staff in ordering a second portable for this school after receiving approval from the Ministry of Education in a couple of days. A new teacher will be hired and the classes redistributed. The additional class will be temporarily accommodated in the general purpose room.

Administrator Percy Laframboise reported that, although there is a shortage of wallboard and roofing at present he had been able to order two portables for delivery in the near future, since the firm had enough material on hand. The second of these will be placed at St. Patrick's School in Schomberg so the class now using the general purpose room can be moved elsewhere and the GP room made available for a physical training program for all students attending there.

Remembrance Day Parade At Maple

BY EVA HAWKINS
Maple Correspondent
Sunday morning about 150 of the young people involved in the Maple Scouting movement paraded up Keele Street to the Maple United Church for a Remembrance Service. A color party from the Richmond Hill Legion, attired in kilts and playing the pipes, led the parade of Brownies, Guides, Cubs, Scouts and Venturers. The first lesson was read by Ken Fenton, Scout Group Committee Chairman. Stephen Jones, a Venturer, read the Second Lesson.

Two minutes of silence were observed with the playing of the last post by trumpeter Jack Fortin, followed by REVERENDS.

FLAGS DEDICATED
Two flags were dedicated, one the International Scouting Flag and the Sol/Map flag which was made up especially to remember the Scouts of Solihull and Maple who have exchanged hospitality during 1972 and 1973.

Rev. Stanley Snowden, minister of the church, explained to the young people in the congregation the meaning of Remembrance Day. He told of the way God blessed our country in the past with leaders who discerned a wrong and were prepared to stop it, and with hope for a future role for our country as a peace-maker in the world. "Blessed are the peace-makers for they shall inherit the earth," he said.

Preparing to enter the auditorium for Langstaff Secondary School's annual commencement November 2 are (left to right) Stuart Bowden, winner of the York County

Board of Education Scholarship and other prizes, Carol Parker, valedictorian, and Principal Robert Krol.

Langstaff's 9th Annual Commencement

Langstaff Secondary School had its annual commencement exercises at the school on November 2.

Secondary school graduation diplomas (as acknowledgment of having earned at least 27 credits) were awarded to 118 students.

Honor graduation diplomas were awarded to those who successfully completed grade 13. In this group there were 3 Ontario Scholars, having achieved a final average of 70 percent or better. This year's Ontario Scholars are: Stuart Bowden, David Thompson, Laurie Anderson, Thomas Snowden, Sandra Morlock, Ann Hofland, Lorraine Sherman, Susan Smith, Joseph G. Rogers, Catherine Pile, Marjorie Raeman, Judith Little and Catherine Pearson.

Stuart Bowden, with an average of 93 percent, was the recipient of several awards, including the staff prize for general leadership and academic ability.

David Thompson was awarded the principal's prize for his responsibility and contribution of time to many

school activities. Carol Parker, selected by her classmates as valedictorian, gave an informal, lively address.

Desmond McCartney, now principal at Stouffville High School, and vice-principal at Langstaff for the previous five years, spoke humorously and warmly to the student and staff.

Platform guests included Vaughan Trustee Morley Kinnee who presented prizes from the York County Board of Education. Winners were Leena Norheim and Geoffrey Shaw, year one; Lee Myers and Scott Pearson, year 2; Kathy Parker, year 3; Talvie Norheim, year 4 and Stuart Bowden, year 5. Stuart also received the board scholarship.

Richmond Hill Trustee Warren Baillie brought greetings from the board, and Trustee Douglas Allen, also of Richmond Hill, presented the grade 12 diplomas. The honor graduation diplomas were presented by Vaughan Trustee Ross Jolliffe.

Principal Robert Krol presided during the program and introduced the board trustees and representative.

The Voice Of Concord

Cub News
We wish to thank all the mothers and fathers who gave of their time in support of our annual Apple Day. Profits were down this year, due mainly to the inclement weather on Friday evening and also to the fact that the apples had doubled in price from last year.

A second group committee meeting was held November 6 at the home of Pat McAuley, which only seven persons attended, making an election impossible once again.

We have two great leaders for the Cubs in Randy and Peter, but the problem is getting parental support. The Cubs and Scouts can exist only with a sponsor, in our case a group committee. A letter will be going out to all the parents to advise them of

the next meeting. If we do not get sufficient parents to participate the Cubs and Scouts will be non-existent in Concord.

Social News
Mr. and Mrs. Ron Laird with friends, Mr. and Mrs. Peter Schooney, visited their very good friends, Mr. and Mrs. Byron Camp, in Montreal. Nearly all day Saturday was spent sightseeing and visiting Old Montreal which of course whetted the appetite for more as a weekend is not long enough, they found. The weather was very cold and sunny and a lovely time was had by all.

Edgeley WI Learns Ways To Use Sling

James Darlington, Netherford Road, Maple, was hostess to the Edgeley Women's Institute for its November meeting. President Mrs. Earl Jackson was in the chair and roll call was answered by a "Healthful Eating Habit".

Guest speaker for the evening was Mrs. Mary Bulloch of Woodbridge, a member of the St. John Ambulance, who instructs classes in first aid as well as being on duty with the service. She gave many first aid hints as well as demonstrating bandaging and the many ways a sling can be used in first aid work.

Mrs. Charles Agnew, delegate to the Central Ontario Convention in Toronto, gave a very interesting report and many suggestions for use in the program for next year.

Current events were given by Mrs. Bruce Snider who gave items of both local and world affairs.

Plans were made for a short course, "The Bedroom and Bath" to be held at the home of Mrs. Bruce Snider December 6 from 10 am to 4 pm. Everyone is welcome to attend.

The December meeting will be a luncheon meeting December 4 at 12 noon at the home of Mrs. Bruce Snider. The door prize was won by Mrs. John Snider. Mrs. Darlington and her assistants served a lovely lunch.

Environment Appeal Board Decision

Extend Garbage Dump License

BY EVA HAWKINS
Maple Correspondent

The Environmental Department Appeal Board met on Monday and Thursday of last week. They heard an appeal from Disposal Services Limited against conditions of a certificate to dump on a 96-acre parcel of land in Maple.

The certificate required no waste be accepted at the site after August 31, 1973 and that the holder of the certificate submit to the regional engineer a detailed proposal outlining closing off procedures for this site. Disposal Services continued dumping past August 31, 1973, pending the outcome of this appeal.

The Maple Ratepayers as well as the Corporation of the Town of Vaughan and the Ministry of the Environment were represented at the hearing. The board has not given its final decision in writing, but parties to the hearing were informed of the board's decision at the time.

ONLY 43 ACRES
It was ruled that the certificate covered only 43 acres and not 96 acres, as was shown on the face of the certificate. The Appeal Board further ruled that the certificate should be modified to allow dumping on the 43 acres until December 15, 1973. At that time, all dump-

ing must cease and the site be properly closed. Maple residents can be encouraged by this decision, but it is only a first step. We understand new applications are presently being processed which, if approved, will allow Disposal Services to dump on a 20-acre site to the west of the present 43 acres and closer to Keele Street.

PUBLIC HEARINGS
There will be public hear-

ings very shortly respecting this property. Larger proposals respecting this property will follow the applications on the 20-acre site. The Maple Ratepayers Association, through its subcommittee, Maple Against Dumping, need your support if major dumping is to be stopped in Maple. They may be contacted by writing to Box 774, Maple or by telephoning Tom Connolly at 832-1577.

TOWN OF VAUGHAN
SENIOR CITIZEN
APARTMENTS' SURVEY

The Ontario Housing Corporation, an agency of the Ontario Government, at the request of the Council of the Town of Vaughan, is considering the development of senior citizen housing in the Town. During the month of June survey questionnaires were mailed to all residents of the Town of Vaughan 60 years of age and older, according to the last revised assessment records. It has since come to the attention of the Ontario Housing Corporation and the Town that there are several residents who have re-considered the matter and now wish to complete a questionnaire.

Those persons interested in obtaining a questionnaire may do so by contacting Mr. R. J. Douglas, Deputy Clerk, Town of Vaughan at 832-2281 or 889-9211.

PLEASE REMEMBER THAT ONLY BY COMPLETING A QUESTIONNAIRE CAN YOU HELP TO DETERMINE WHETHER A PROJECT SHOULD BE DEVELOPED.
