EACH

Make way for Super-Dog!

That magnificent BUDDY-L dog in his flying machine. "Prop" turns, engine gleams. Super-Dog is the pilot. 99-1300

And here he is again!

This time, he's pushing a balloon-tired "Rodster" in steel and hi-impact plastic — beautifully combined. 99-0933

Buddy L Jr.

Scoop-N-Hoe

There's action on all sides of this sturdy steel replica of an earth-gobbling monster. Lever-operated scoop shovels at both ends — stretches to an 18" overall length. Caterpillar tread. From the BUDDY 'L' toymakers to last and last. 99-0484
