### Thornhill Star Breaks Shoulder In Game

#### MAJOR ATOMS

**Thornhill 2, Newmarket 4**  
Shots on goal at Newmarket arena for this November 23 Thornhill Thunderbirds Major Atoms OMHA game were Thornhill 16, Newmarket 17, with Regan Gorman and Anthony Risi tending goal.

What a lovely night for a drive to Newmarket. The sky was beautiful, the roads were clear and we felt we would get the two points. First Period: Thornhill and Newmarket played an exciting period rushing from end to end, passing, shooting and making the big save until 11:51 when Newmarket broke loose in front of our net and scored to end the period.

**Second Period:** Thornhill wasted no time in playing catch up hockey. At 1:54 Mike Sherwood passed to Kevin Goble who put Steven Tschipper into the clear. Steven played it well, drawing the Newmarket goalie out and putting the puck behind him to tie up the game. This spurred Thornhill on and at 2:53 Kevin Goble took a pass from Mike Sherwood, broke in on the net and scored to put Thornhill ahead 2 to 1. All went well until 5:56 when Newmarket scored to tie up the game and again at 7:47 to take the lead and end the period.

**Third Period:** The play was even all through the period. We had our chances and Newmarket had theirs. In the last minute of play, Thornhill pulled their goalie but somehow the defense did not realize this and Newmarket took advantage, going around the defense and scoring from the blueline with 28 seconds to go to end the game.

Play of the game: The strong play of Rob McLelland and Scott Daly.

#### Thornhill 2, Camp Borden 0

Shots on goal for this Thunderbirds game November 24 at Markham Centennial Arena were Thornhill 17, Camp Borden 4. Anthony Risi tended a quiet net for Thornhill.

This was the game we had to win to keep our average at 50 percent. You could tell the boys were giving 110 percent by the faces of the coaches who had smiles a mile wide. First period we had three shots on net but the play 70% of the time was in Borden's end. We did not score but Humphries, Allard and Rose kept Borden very busy.

**Second Period** it was all Thornhill — rushing, shooting and checking. Tschipper, Daly and Sherwood never let up until 5:55 when Grant Davidson passed to David Wright to put him in the clear. But Borden's players played it well, coming along side of Wright, who saw Greg Pasek in the clear on the left wing. Wright knew he could not make the play on the net so passed to Pasek, putting him in front of Borden's net. Pasek took his time, picking the bottom corner for the go ahead goal to end the period.

**Third Period:** Thornhill came out skating. They could smell a win. Time and again Goble, Bradley and Tschipper kept Borden guessing. Every time Borden got the puck, Bryson, Sherwood, Allard and McLelland frustrated them until 6:30. Bryson picked up the puck and passed to Bradley who went behind Borden's net with two Borden players. Bradley kept digging until he passed to a waiting Steven Tschipper who picked the top right hand corner to go ahead 2 to 0 and end the game.

Play of the game: Strong checking by Tschipper, Daly, Sherwood and Bradley.

#### MINOR MIDGET

#### Aurora 6, Thornhill 1

Thornhill boys had it tough in this one November 25 at Markham Centennial Arena. The lone Thornhill goal was by Mike Coughlin, unassisted.

#### MIDGET

#### Thornhill 6, York Mills 3

The midgets having no scheduled league games this week, they played an unbeaten York Mills team at the York Mills Arena. The perfect record of the York Mills club made no impression on the Thornhill stickmen as they skated to a 6-3 win.

The Glavelber scoring was done by Bill Sim unassisted, Jim McLaughlin from Paul Bernardi, Brian James from Bernardi and McLaughlin, Dave Brown from Mike Johns, Rob Browning from Ross Gordon, and Paul Bernardi from Brian James. Playing a fine game in goal was Rob Waterson.

#### MINOR PEEWEES

#### Thornhill 3, Barrie 3

The starting lineup for Thornhill for this game November 24 was five defense-men, a new wrinkle. Barrie opened the scoring of the game in the first period and again in the second before Fisher Bros. tallied. Jim Jones got credit for the goal, unassisted, when it went in off the post. Rick Seely and Stephen Mallett, although not receiving assists, started the play by carrying the puck into Barrie's end.

Jim Jones scored again on a power play with assists going to tireless Paul Howson and Rick Seely. Before the end of the second period Thornhill scored a short-handed goal off the stick of Steve Sim. Mark Wiltshire and Stephen Mallett earned assists on the goal.

Barrie scored the only third period goal to get the tie. Thornhill was robbed of the winning goal when the timekeeper let the clock run

#### Bazaars

Despite incessant rain, people poured into the Lions Hall on Spruce Avenue Saturday morning to make the bazaar run by the minor hockey ladies' auxiliary an even bigger success than last year's. Many thanks to the girls who participated: Glenda Thorsell, Vicki March, Anita and Sue Vorlich, Joanna Meek, Ann Evelyn, Donna Chianelli, Claudette McKinley, Gail Adams, Pat McDowell, May Spire, Lynne Cromb, Joan Celsie, Shirley Burke, May Butler and Pat Maheu. These girls were all dressed in costumes appropriate for their particular booths: There were Santa's helpers, elves, clowns, the Jolly Green Giant.

A special thank you to Dave Neish as Santa, Alan Evelyn as Big Bird and Ronnie Mills as Sunny Clown — and to Bill March for taking the Santa photos.

Winners of the free draw were Larry Thorsell of Lillioet, Eaton's \$10 gift certificate; and Louisa Di Salvo of Spruce Avenue, a 10 lb. chocolate bar.

"Guess The Smarties" which numbered 2137 was won by Cheryl Carter of Spruce Avenue with the closest guess of 2150. Wow!

Only three children entered the craft contest, so all were awarded a \$5 Eaton's Gift Certificate for their efforts — Bruce Maheu of Duncan Road and Bryan Watts of Spruce Avenue and the only girl entrant Kim McDowell of Birch.

The Resale Shop at 21 Yonge Street North is booming with lots of Christmas Shoppers. Toys, books and games are now being accepted until Christmas.

There is a great need for clothing for small children, infants to 10 years old, but there is simply no more room for adult or teen sizes, unless you have some of those very fashionable pants suits to bring in.

If you are a new neighbor, please do come and visit the shop, if only to browse. You never know when you might find that something you've been hunting for elsewhere and everything is nearly new.

#### Guide Lines

Rangers, Guides and Brownies are now all underway in their activities. The Rangers have just completed two community projects — tagging for the YWCA and folding letters for the John Milton Society for the Blind.

The Rangers' trip to Casa Loma October 28 proved to be most worthwhile. They were accompanied by their Commissioner Mrs. Elaine Hobbs of Westwood Lane.

#### Theatre

How many of you are familiar with British Pantomime, featuring the latest songs, dances and wise cracks? This was indeed a big treat for all the family to enjoy during the Christmas holidays.

How well I remember my parents accompanying me to those highly entertaining shows, based on famous nursery rhymes — and what laughs we all had!

Such musicals have been playing to capacity audiences in Toronto for the past two years, but now we do not have to go that far to enjoy Oscar Hammerstein's musical comedy "Cinderella", which is being presented by the Thornhill Theatre of

Performing Arts in Thornlea Secondary School auditorium, December 29 with a matinee at 2 pm and an evening performance at 7:30. On Sunday there will be a matinee only at 2 pm.

Tickets are \$2 for adults and \$1 for children and may be obtained by phoning Velma Kyté at 884-4862 or Diane Kissick at 889-4673.

Any age (from pre-schoolers to great-grandparents) will surely enjoy the fun, costumes and entertainment provided by this most professional local group, who will be performing "Guys and Dolls" in the spring for a two week run at Hart House, University of Toronto.

The Christmas Program is a first for them, so tell your friends about it and "fill the house" both days. The success of this will decide the continuity of a special feature each Christmas season.

#### Church News

St. Mary Immaculate Roman Catholic Church, Dufferin and Yonge Streets, will be having a parish day of prayer for vocations December 2. There will be Exposition after the 12-15 Mass, concluding with Benediction at 3:30 pm.

Don't forget to get your tickets for the New Year's Eve Dance by phoning 884-1784 or 884-2168.

Registrations for both senior and junior ski clubs will be held sometime in the early part of December. More details next week.

If you are interested in social activities for your parish, please fill in the questionnaire provided or ask for one. Your help and suggestions are needed.

#### Save The Children

If you haven't already purchased all or any of your Christmas Cards, drop in to the library on Pearson Avenue or to the YWCA, 25 Yonge Street North. All have a very fine selection. In purchasing these you will be helping a needy child somewhere in the world.

For your convenience phone Mrs. Marilyn Schiller at 884-8216.

# TOWER LINES IN VAUGHAN?

The "concerned citizens" of King Township were successful in pressuring the Province into re-studying a proposed routing for a 610 foot wide corridor of steel towers carrying electricity-conducting cables. The original routing was in King and was recommended by both the Province of Ontario and Ontario Hydro. That re-study has resulted in a recommendation by Mr. Bruce Howlett, hired by the Solandt Commission (established by the Province) that the tower line should be located in Vaughan in the Province's Parkway Corridor which is also to contain Expressway 407. It is acknowledged that the Corridor is not wide enough to accommodate the line in several places. This route means that a huge Transformer and Switching Station will have to be located southwest of Woodbridge and an additional width of land taken along the present towerline to the Kleinburg Station (already 250 acres in area).

The Solandt Commission has agreed, at the request of Council to hold a  
PUBLIC HEARING  
WOODBRIDGE ARENA  
DECEMBER 3RD, 1973  
AT 8:00 P.M.

We urge you to attend and support Vaughan Council in having the towers moved north.
