**School News**  
A volunteer is needed at George Bailey Senior Public to assist the librarian. Good typing is essential for work on cards and the index file, but general library duties would also be included. If one or two parents could help out even half-a-day-a-week or more it would be much appreciated. One volunteer is going in once a month already, but she is unable to keep the work up to date. If you could assist please call Mrs. Eleanor Brown at 832-2364.

"THE LIBERAL" is always willing to publish items regarding people and events contributed by its readers in Maple, Concord, Teston, Kleinburg. Maple, please phone Mrs. Eva Hawkins at 832-2314; in Concord, Bunty Laird, 17 King High Drive at 669-2314; in Kleinburg Margaret Lade, at "The Liberal", 884-1105.

**Church News**  
Communion Service will be held at St. Andrew's Sunday. On December 13 the annual Christmas pot-luck Supper and Program will be held at the Maple Community Hall at 6 pm. An invitation has been sent to members of the sister church St. Paul's to join in the fun. The ladies of St. Andrew's WA-WMS are planning a visit to Country Place December 18 in place of their December meeting.

**Vaughan Seniors**  
During this last week three bus loads of Seniors were planning outings to the new Square One Plaza, followed by a tour of the Toronto core and Christmas lights. Next week the trip which was being considered to the Scarborough Town Centre has been cancelled. Saturday Woodbridge Seniors are holding their first Bazaar in the Woodbridge Arena at 1:30. The handwork, crafts and bake table which we have seen are beautifully done and we feel sure that anyone making the effort to attend will be amply rewarded. There will also be a tea table.

Sixty-five Maple Seniors and friends gathered on November 26 for their Fifth Anniversary dinner. Following the delicious dinner served by the ladies of the Maple United Church "Chief" Meyers of Naylor Street, Maple cut the huge anniversary cake. "Chief" is a charter member and

served as the first secretary and diarist. Mrs. Marg Robson read interesting portions of the records that Mr. Myers began. Rev. George French of St. Andrew's Presbyterian chose as the theme of his talk the modern TV commercial phrase, "Your not getting older, your getting better". To illustrate his point his cited examples of outstanding feats accomplished by Senior Citizens that he has been associated with.

Bob Kirk thanked Rev. French and Mrs. Mary Erington presented Mrs. Barbara French with a thank-you gift. Following the dinner, euchre cards were brought out and the balance of the afternoon was spent playing cards.

**Area Recreation**  
In the new year, the Recreation Committee would like to start group guitar lessons. These lessons were offered last year and the response was very good. Anyone 10 years of age right up to adults can become involved in this activity and the classes will be in the evening. It is hoped that Joseph Gibson Public will be used and the fee schedule will depend on the interest shown. Please contact Carol Flynn at 832-2666 for further information.

**Bowling**  
Pioneers — Walt Field had a 635 high triple and a 262 the high single game. Chief Myers with a handicap had a high triple of 654 and a high single of 254 with a handicap. Craib and Stillman each took five points from Jim Darlington and Gooderham, leaving the team standings at: Craib-41, Stillman-33, Darlington-27, Gooderham-11.

### Beverage, Food Can Recycling In Maple

By EVA HAWKINS Maple Correspondent  
Maple residents now have the opportunity to support and promote the recycling of beverage and food cans. This is a crucial time in our history — crises galore. Energy looms large among our diminishing resources, recycling is one of the answers. To this end the local residents have located two bins at the Maple Plaza, beside the St. Vincent de Paul clothing container. We wish to thank the local merchants for their support in this endeavor. There are two bins supplied, each clearly marked, beverage cans and food cans. The beverage cans may be deposited "as is", but empty please! Food cans must have

the labels removed and flattened. This sounds like a chore, however it is really very simple. All one needs is one index finger and one thumb to remove the label (labels will pull off without soaking) and one foot, any size to squash the can. A six-quart basket or a paper bag will hold dozens of flattened cans. There is one practical benefit to the householder, the volume of garbage which has to be carried out for the collection is considerably lessened. There are many communities throughout the province already successfully carrying out a recycling programme, including Woodbridge and Unionville.

Only a little smoke damage?

It could cost you thousands of dollars

Overheated cooking oils all too frequently go up in flames. And for an apartment dweller it can be particularly expensive. Water and smudge may cause extensive damage to corridors as well as to possessions of other tenants. Total costs for clean-ups and repair could become your costs, and chances are your present insurance covers only loss to your personal belongings.

Doesn't it make sense, then, to inquire about Economical Mutual's Tenants Package — an all-inclusive insurance policy that provides protection against such risks. We designed it especially for people who rent, so they can relax. The cost is modest. And it's available right now from your nearby independent insurance agent.
