Swim Registration

By MARG .HOUGHTON The Markham Parks and Recreation Department re-

minds us that swimming registration for the winter

session to be held in the

Town of Markham Pool,

Thornhill (at Thornlea Sec-

ondary School on Bayview)

takes place December 11,

from 6:30 pm to 8:30 pm at

in person for one family only.

and on a "first come, first

Registration must be done

Classes will begin the week

Reusse Tykes Down Beamish 2-1

Hanna Trenching Bantams Win Season's First Game

By MARGARET HOUGHTON Telephone 889-3073

The response to this weekly Thornhill sports article has always been rewarding. Most boys (and many parents) enjoy reliving their hockey game once before it becomes only a dim memory. With the use of this season of three and sometimes four arenas, we like to keep track of

As can be seen with 49 house league teams, seven selects (not all reporting) and six mite teams soon to have regular games, it is a large league with all the statistics and writing to be done on Saturday. Game sheets arriving late Sunday night are very difficult, especially if 24

arrive after supper time. Please bring your game sheets directly from era fighting a great fight. goals in the third period. the arenas if at all possible. The convenors have all been very hard working and all sheets have been turned in for the entire season. However, this article is less effective a week late. Please make the extra effort, particularly with the holiday weekends coming up.

New Thornhill Day Care Project York Regional Council last week agreed to a recommendation of Dr. Owen Slingerland, commissioner of health and social services, to help. Markham with its proposed day care

centre, but it also asked for a concession of The centre, which will be erected at John Street and Bayview Avenue in the Markham community complex, would be built, by the Town of Markham at a cost of \$60,000, with

the cost being recovered from the region on a 10-year rental basis of \$6,600 annually. Renovating the space and supplying equipment would cost an additional \$185,000, of which the province would pay 80 percent, leaving the region with \$37,000.

In speaking to the recommendation, Mayor

Robert Forhan of Newmarket suggested the region agree to it, with the proviso that the property be turned over to the region at the end of the 10-year period.

Solicitor Edward Oakes said that it could be done that way, so long as the building continued to be used as a day care centre.

Richmond Hill Councillor Lois Hancey said she would move the amendment; Councillor Robert Adams of Markham said it had been Markham's intention initially to deed it to the region.

The amended motion, which was eventually brought in by Mayor William Lazenby of Richmond Hill, chairman of the health and social services committee, after consulting with the solicitor, was passed unanimously.

ZID. Our 30-second black-and-white camera.

Square Shooter 2. Our 60-second color camera.

Instant joy. From 14.95.

In a matter of seconds, a Polaroid Land camera captures the spirit of Christmas. And lets you hold it in your hand.

It's the kind of magic that lasts all year long, and here are two great ways you can give it:

Polaroid's Zip. For only \$14.95*, it's the most exciting camera you can buy for the money.

Great black-and-white shots in just 30 seconds. A viewfinder that says YES when the light is right. And you get $3\frac{1}{4}$ " x $3\frac{3}{8}$ " pictures with our inexpensive black-and-white film.

And then there's our Square Shooter 2. Beautiful color pictures in just 60 seconds.

For just \$34.95*, it has features you'd expect to find in cameras costing almost twice that much. Automatic electronic exposure system. Three element lens. An ingenious viewfinder.

And with Polaroid's least expensive square color film, you save up to 25%* on every shot.

So why not give a Polaroid Land camera to someone special this Christmas. Yourself included.
