 Bradford 6, Richvale 1- Greg Meeks scored the Royals' lone goal assisted by Alan Evelyn and John Adams. This was the highlight of the game for Richvale who had many good chances around Bradford's net but couldn't finish off their plays. Mike Hegenauer and John March, two of the more energetic players missed the game due to sickness and their absence was quite evident in the Royals' lack of offensive punch.

Richmond Hill 5, Richvale 1
 Penalties ruined the Royals' chances of winning this game as they were assessed seven of the eight dealt out by the referee. Most of them were of the cheap variety. Greg Meeks again came through with an excellent two-way effort, scoring Richvale's only goal, assisted by Alan Evelyn. This was a much closer game than the score indicates as the Royals blew many good scoring opportunities. Sickness still hounded the team as several players were missing and some were playing with bad colds.

Richmond Hill 5, Bolton 1
 With two goals and an assist, Robert Sternats quit knocking on the door and showed some of the potential he has as a top-flight player. Another three-pointer was Steve Wilson with a goal and two assists. Pat Hudema and Norm Stapley each scored and had an assist. Paul McGeachie also helped. Greg Atkinson played a good game in goal.

Unionville 6, Richvale 3
 Harold Simpson was back in form again with a goal and two assists, but unfortunately in a losing cause. Goals by Bob McGeachie and Gary Gath (who also had an assist) and an assist by Detel Salna rounded out the scoring.

Richvale 3, Bradford 3
 Bradford opened the scoring in the first period and the score was tied by McGeachie. McDowell put Richvale ahead in the second but Bradford scored two in the third. With only 14 seconds to go Stapley got the tying goal. In the assist department were Sternats (2) Stapley and Steve Dzilkowski.

Richvale 7, Sharon 2
 A real good effort in goal by Atkinson inspired the boys to great efforts. Simpson led with three goals and two assists. Wilson had a goal and an assist, McDowell a goal and two assists, Bulger and Gath a goal each, Hudema and Sternats an assist each.

Aurora 8, Richvale 4
 Scoring for Richvale were Tim Middleton, Greg Payne with two and Marvin Hirano. Assisting were Chris Amodeo, Hirano, Stan Doel, Bryce Bainley and Wayne Johnson. This was a good effort with the score no indication of how the game was played.

Bolton 6, Richvale 1
 This was a good game but the Richvale squad suffered an energy crisis. Ron Mahau played well but there was no defence. Eddy Gundert was the local marksman with help from Gary Langfield.

Unionville 10, Richvale 0
 The first period saw good hockey but then Unionville turned the power on as the final score indicates. Bill Cromb came up with his second hat trick of the season. Rick Binder added the fourth goal. Cromb also gave

Social Highlights
 Falconbridge Metallurgical Laboratories of Roosevelt Drive held their annual Christmas Party for families of staff members at the Richmond Hill Lions Hall Sunday afternoon.

Clowns kept the children amused, arranging interesting games for both the very young and their mothers, too! There were prizes galore. Everyone joined in the caroling when finally Santa dropped in to distribute gifts. Refreshments were enjoyed—delightful home-baked goodies, specially made by some of the Falconbridge staff.

Mrs. Cecelia Snedden celebrated her 90th birthday December 9 at her home, 12 Westwood Lane. The party was arranged by her daughter who lives with her.

There were 100 guests, among them five of her seven grandchildren, 16 out of 19 great-grandchildren, those residing in Canada. One niece came from Inverurie, Scotland.

Mrs. Snedden left Scotland in 1915 and has resided at her present address for 20 years. She enjoys excellent health and still manages to do cooking, housework and shopping.

Congratulations were joined in from far and wide—a telegram from Governor-General and Mrs. Roland Mitchell, a certificate from Prime Minister Trudeau, a letter from Donald Deacon, MLA York Centre and a beautiful plaque from Ontario Premier William Davis.

Many friends and neighbors were present to make this a very happy and memorable occasion for Mrs. Snedden.

Church Bulletin
 The Richmond Hill Ecumenical Choir is performing a Christmas Concert December 14 at Our Lady Queen of the World Roman Catholic, Bayview and Crosby Avenues, and December 16 at St. Mary's Anglican, Yonge and Vaughan Road. Curtain time is 8:15 pm. Tickets are available at the door.

This is the last reminder for registration in junior and senior ski club sessions, which commence in January. Be in the church basement at St. Mary's Immaculate Roman Catholic, Yonge and Dufferin, by 8 pm December 17. The instructor from Honey Pot will be there to tell you about the year's program and the new facilities. Prices will be about the same as last year and St. Mary's will have a special lesson time.

The ladies of Emmanuel Anglican, Mackay Drive, held their pot luck supper December 4. The members brought

gifts for the elderly and hope to deliver these to York Manor this week.

The choir is preparing for its Christmas Candlelight Service of Seven Lessons and Carols which is being held December 16 at 7:30 pm. Choirmaster and Organist Bob Long will be playing the harpsichord, an unusual but beautiful addition to the service. This is Bob's own property and is one of the largest in the Toronto area. All the carols will be old favorites—selected for all ages of the congregation.

It is hoped that many of you will afford the time during this busy season to come and enjoy this service.

Both Monday and Wednesday TAB groups worked on Christmas Decorations this week. The first group met at Charles Howitt Church 9:30 to 11:30 am, starting with exercises and then making angels and napkin holders.

The other group in the library on Pearson Avenue spent their hour turning milkpods into interesting table decorations. Some also chose to do the same as the Monday group.

The coming week being the last one until they meet again January 14 is to be in the form of a party, exchanging Christmas Cookies. It is with deep regret that

I now have to announce the closing on December 31 of the popular Resale Shop, 21 Yonge Street North, due to unfortunate financial circumstances. Please pick up your clothing and money between December 18 and 20. Anything you wish to leave in the shop as a donation will be gladly accepted for the closing sale.

The "Y" volunteers hope that many have benefitted from this service, knowing that lately it has been drawing people from as far away as King City, Aurora, Markham and Stouffville. However, with constant increases in the cost of operation, only a very generous donation of a factory, warehouse, or small building, big enough to supply the growing need for this service in the expanding com-

community, would make it possible to re-open the doors. Volunteers would gladly come from all directions to maintain this service. Is there anyone among us who could back a venture that has been successfully in operation for ten years and only barely managing to survive now? Is it just wishful thinking, or could there be a millionaire around the corner, just waiting to help us?
