

# Junior Girls Win First Two Games Of Season

## JUNIOR GIRLS

**Bob's Girls 1, King City 0**  
 Bob's Girls opened their 1973-74 season with back-to-back victories over King City. In the first contest it was not until only 1:50 remained in the game that Faith Cresador beat the King City goalie on a breakaway. Janie Stephenson assisted on the play.

**Bob's Girls 1, King City 0**  
 Returning to King City again last Saturday the local lassies won their second game in as many starts. Heather Moore, as in the first game, played flawless goal-keeping in stopping several breakaways. Debbie Howorth was the marksman in this one with Joey Stephenson picking up the assist.

**East Gwillimbury 4, Bob's Girls 0**  
 Sunday afternoon Bob's Girls hosted East Gwillimbury and came out on the short end of a 4-0 score.

In this contest the local girls had more than they could handle and had it not been for Heather Moore in goal the score would have gone much higher as once again she came up with a fine performance.

The next home game is Saturday afternoon at 3 pm. **MINOR ATOM "A"**

**Newmarket 4, Richmond Hill 2**  
 The Lazenby Pillrollers played one of their better games of the season although bowing to their hosts 4-2. After one period Newmarket led 1-0. The Pillrollers fought back in the second to tie the score 2-2. In the third Newmarket added two goals.

Stars from Richmond Hill were Mark Stevens and Doug Rae. In goal Gord Stanway played well. Shots on goal Newmarket 20, Richmond Hill 11.

**Barrie 11, Richmond Hill 0**

The Pillrollers received a lesson in positional hockey in Barrie. The host players controlled the game from the opening whistle, as the score indicates. In goal Don Fawcett must have thought he was in a shooting gallery as Barrie had 38 shots on goal and the Hillers only 2.

**Etobicoke 4, Richmond Hill 1**

The Lazenby Pillrollers put forth their best effort to date in this exhibition tilt. At the end of the first period they led 1-0 on a goal by Stevens. In the last two periods they played well but were outscored. Stanway was in goal for the Hill. Etobicoke had 28 shots on goal and Richmond Hill 11.

**Thornhill 2, Richmond Hill 2**

This should have been added to the Pillrollers' win column. Twice they had the lead only to have Thornhill tie the score. Outstanding player on the ice was Pillroller Stevens who scored both Hill goals, assisted by Doug Rae and David Noble, who both played well.

**MINOR ATOM (2nd Team) Oro 10, Royal Bank 0**

Down from the north they came December 8 and it was not Santa Claus to say "Merry Christmas", but Oro's Hockey Club to win decisively. That they did to the tune of 10 to 0. Visions of

sugar plums are nice. Maybe this was where Royal Bank came out flanking was as they played with only one shot on goal in the first period and two in the third for a total of three shots on goal. Wait, though, "Little Christmas" is coming on January 6 at Oro.

**ATOM "A"**  
**Perry Hill Industries 5, Orillia 2**  
 There was no energy crisis in Richmond Hill Friday night as the Rams defeated Orillia in a hard-fought battle. Adam Cox picked up the first tally at the 10:21 mark of the first period, when he was set up by D'Antimo.

After end-to-end action carried the game into the third period, Jensen drove home a pass from Harrietha at the 1:13 mark. At 9:34, the Rams went ahead 3-0 on a beautiful unassisted effort by Andrew Don. Two minutes later, Orillia got on the score board when Craig poked a loose puck behind Macklin.

At 16:35 the Rams, while enjoying a man advantage, scored when Glenn Apps let loose with a booming slapshot from the blue line. Assisting on the play was Harrietha. Nineteen seconds later, Orillia scored their final effort when Belajac's shot was deflected by a Ram defenceman. With 32 seconds remaining, D'Antimo picked the corner with a low drive. Adam Cox was credited with an assist.

The team's statistician, Lorraine Reid, reports that for the third successive game the Rams were outshot—this time 17-13.

**Thornhill 1, Perry Hill 0**  
 It was a hard-fought game and a tough one to lose. The Richmond Hill team successfully fought off three penalties against them during this Saturday afternoon game, but while playing with a man advantage a Ram pass went astray. There was only three minutes left in the game when Tschipper picked up the loose puck and slid a pass to Daly who fired a waist-high shot into the right side of the net. The Rams had several good chances to score as well as five clean-cut breakaways, but they could not get the puck past Anthony Risi, Thornhill goalie.

Macklin who was forced to play this game when Baxter, the scheduled goalie, came up with a bruised ankle, stopped 12 of the 13 shots fired at him. He had no chance on the one that got by.

The Richmond Hill squad had 10 shots at Risi, all were good scoring opportunities. The next home game is Friday night at seven against Newmarket—a must game if Perry Hill hopes to overtake the league leaders.

**ATOM "B"**  
**Twin Hill Mercury 5, Richvale 1**

In a good exciting game, the Richmond Hill goals were netted by Mike Smith unassisted, John Hughes, Paul Thomas, Dino Murri and Adrian Steenson. Assists were earned by Brian Cates, Smith, Paul Ohliff, Scott Mansbridge, Steenson, Paul Beckwith and Doug McLean.

**Winson Construction 4, Richvale 5**

Winson Construction Bantams played a much improved game Saturday night, but seemed to sag towards the end of the contest and lost it 5-4 after being ahead 4-2 with only three minutes left to go.

Scoring for the Hill were Ricky Girard with two goals and Doug Lewis and Brian

Greg Meeke was the marksman for Richvale. He was helped by Allan Evelyn.

**MINOR BANTAM (Second Team)**  
**V&G Trust 11, King City Bantams 4**  
 Victoria & Grey Trust revved up like a new engine as they streaked to a 5-0 lead, sputtered momentarily as King City narrowed the lead to 6-4 and skated away in high gear as they won 11-4 in the old arena December 8.

The newly formed line of Robert Greiner, Greg MacMillan and Ross Queregens led the way as MacMillan scored twice and set up two goals while Ross potted two goals (one the winner) and picked up an assist.

Alan Clark, Jim Wood and John Burnett scored six scoring points as Wood tallied twice and earned as assist. Clark scored once and assisted twice. While Burnett set up one counter.

Chris Bedford, Phil McLaughlin and Billy Byers were not left out. McLaughlin picked up two goals, Bedford set up two goals and Byers one.

The defencemen too were active as Greg Walton scored twice on blistering slap shots, Angus McGregor, who is playing very steadily, set up three goals and John Tuck one. Neil Putnam and Peter Tipold were a tower of strength behind the blue line, while Kevin Brown and Mark Porter shared goal tending duties.

**Coldwater Bantams 3, V&G 1**  
 Victoria & Grey travelled 70 miles through the snow and sleet last Sunday and bowed 3-1 to a fired-up Coldwater town which houses 700 inhabitants, is in the heart of the resort district and the way the fans responded to the efforts of the team, it sounded like all 700 people were in the arena.

Defenceman John Tuck started in goal when one carload of Hillers was delayed on the road and with only nine players. John made two miraculous saves before Coldwater scored, but had to leave the game when a hard shot hit his knee, and Mark Porter arrived just in time. Phil McLaughlin tied the game on a perfect Angus McGregor pass.

The big, talented Coldwater lads scored again in the last minute of the second period and ensured victory when they scored in the empty net in 19:46.

Most of the Hillers played hustling hockey and did not back away from the older team. Goalie Porter had to be the star of the game as he turned aside close to 30 shots from every angle.

**BANTAM (2nd Team) Richvale 5, Winson Construction 4**

Winson Construction Bantams played a much improved game Saturday night, but seemed to sag towards the end of the contest and lost it 5-4 after being ahead 4-2 with only three minutes left to go.

Scoring for the Hill were Ricky Girard with two goals and Doug Lewis and Brian

Smith each with one. Assists on these scoring plays went to Albert Delfabro, Diego Manchella, Steve White, Dave Collins and Rob Frater (2).

**Unionville 6, Winson Construction 1**  
 Unionville broke through the gate in this one Sunday night and if it weren't for the great goaltending of Steve Holt and Drew Plaxton the score could have been 12-1.

Craig Clack, who had a breakaway early in the game and failed to score, finally found the mark for the Hill team at 8:08 of the third period when he lifted a Brian Smith rebound high into the net for the Hillers' only goal.

**BANTAM**  
**Legion 3, Thornhill 2**  
 In a game that had to be the Legion's best to date, Thornhill was handed a 3-2 loss in the new arena December 9. This was their first loss in league competition.

The Hillers were really up for this game as they came from behind in a rugged contest that featured bone crunching checks. Thornhill struck first early in the game as James deflected in a puck from Bernardi and Renex, but the Legion bounced back when Richard Campbell scored from Richard Hopson and Jeff Miller, both goals being scored in the first four minutes of the game.

After a scoreless second period, Gordon shot Thornhill into a 2-1 lead from Renex. The fired-up Hillers would not play dead, however, and Bobby Russied tied the game as he fired home a Mike Gallagher pass. This set the stage for Gallagher to score the winner from Richard Campbell.

The Legion held on for dear life as the excellent Thornhill club, enjoying a two men advantage, persistently attacked.

Tickets may be obtained from all Legion players for what promises to be an exciting game against the Swedish Midgets Dec. 28. These tickets make excellent Christmas stocking fillers for all Richmond Hill hockey fans.

**JUVENILES**  
**Mr. Transmission 5, Aurora 2**  
 Mr. Transmission Juveniles journeyed to Aurora November 28 and returned home with a 5-2 win. The first goal in the first period was by Paul Baillie from George Lewandowski and Rick Sackfield.

In the second period Scott Davey scored with help from Mike Wood and Rick Sackfield and later Baillie with assists from Allan Paivio and Jeff Switzer scored. In the third period Paivio got a very pretty goal all alone and later Mike Wood tipped in one more from Sackfield and Switzer.

**Mr. Transmission 5, Bolton 1**  
 The locals hosted Bolton Sunday afternoon and won

**Sorry About That**  
 A nearby's generosity nearly cut short a honey-moon last week.

Edward Hogan, 479 Queen Street, Newmarket, received a \$50 bill from his brother, Terry, as a wedding gift November 30. However, a little while later the bill was found to be counterfeit.

But the donut was not at fault. A quick check of the Bank of Nova Scotia in Oak Ridges, where he cashed his pay cheque, showed that the phoney \$50 had been inadvertently dealt to him by the bank teller.

Mr. Hogan's next wedding gift will probably be in the form of a money order.

**New health insurance office serves district residents**  
 A new Ontario Health Insurance Plan office is now open to serve residents, physicians, and practitioners in the following Counties:

Dufferin	Peel
Halton	Simcoe
Muskoka	York (excluding Metropolitan Toronto)
Ontario	

The new Mississauga District Office is located on the fifth floor, UNIVAC Building, 55 City Centre Drive, Mississauga.

Mailing address: P.O. Box 7020, Mississauga, L5A 3M1  
 Telephone: (416) 275-2730  
 Office hours: 8:00 a.m. to 4:30 p.m. Monday to Friday

again 5-1. The game started with a bang with Tom Lamb getting a fast goal aided by Tom Sanlon and Paivio. The second goal was netted by the same trio a few minutes later. The third goal was by Sanlon from Lamb and Paivio.

Baillie with assists from Lewandowski and Switzer got the fourth and Sackfield helped by Peter Kennedy and Brad Campbell got the fifth.

**Thornhill 5, Richmond Hill 2**  
 The juveniles never got out of low gear in this one. Their timing on completion of plays was pathetic. Their aiming for the net was off centre and their defense was way off. The two goals they made were from Baillie assisted by Wood and Sackfield and by Lamb from Paivio and Campbell.

**NEWMARKET:** Town council can't require taxis to provide a 24-hour service without subsidization, it was learned recently. Council also decided not to limit the number of taxi licenses issued in the town.

**NEWMARKET:** A "Complex and expensive" traffic control signal for the Main-Water Streets intersection has been approved by York Regional Council at an estimated cost of \$26,000. The region wants assurance from Newmarket that Main Street will remain a two-way artery.

## Vaughan Councillors

# Defer School Office Site Proposal

It could cost from between \$45,000 to \$80,000 an acre to locate the proposed new York County Board of Education offices in the Yonge Street - Major Mackenzie Drive southwest corner of Richmond Hill.

The guestimates came up Monday afternoon of last week as Vaughan Town Council deferred recommending any locale for the new administrative offices until further information is made available on costs and other factors.

Various area municipalities have been requested to make recommendations to the school board on their choices for the school site.

Vaughan Regional Councillor John Gilbert touched on the \$45,000 to \$80,000 an acre figure indicating that he would vote to have the administrative offices in Newmarket "if they can get land for a dollar."

He was referring to recent considerations by York Regional Council to offer "approximately four acres" of land on the site of the old York Manor in the Town of Newmarket for the sum of \$1.

**\$1 PROPOSAL**  
 Council later decided against the \$1 proposal although it was reported that the "door was still" open for further negotiation.

Councillor Gilbert observed that there was still a possibility of the deal going through adding also that the site of the present school board administrative offices in Aurora will be maintained for another year.

"This gives us time to check the situation out further," he said asking that council table or defer the recommendation as submitted to it by members of the municipality's planning staff.

**STUDY REPORT**  
 A committee of council reviewed the staff's report which was essentially the same one prepared a few years ago before the Regional Municipality of York came into being and was entitled

"Civic Complex Centre" and was prepared in concert with Amendment 18 of the Vaughan Official Plan.

It involved the Yonge Street-Major Mackenzie Drive south-west corner which was later taken in by Richmond Hill under regional government.

Councillor Ab Hollingshead wondered if Newmarket would be the right place for the administrative offices in the Yonge Street corridor.

**DEFER DECISION**  
 Council decided generally to defer the matter noting that there was "no great rush at the moment."

It was pointed out at a recent York Region Council meeting that the school board had publicly advertised for proposals for three to four acres for the centre.

The centre, if built on the York Manor site would become part of a regional complex of administrative buildings.

Speaking to the motion, Mayor Anthony Roman of Markham said he wasn't opposed to the board being offered the land, but he was concerned that council was making the offer "without knowing what the ultimate ramifications will be."

**STUDY SITE**  
 A comprehensive study of the site now being undertaken should be gone over first, he said.

Chief Administrative Officer Jack Rettle said that the provincial government was negotiating for 10 acres of the land for the Ministry of Government Services.

Newmarket Councillor Ray Twiney said that acceptance of the York Manor motion would have represented great savings for the school board. The land was there and as the region was the tax collector for the board, it was coming out of the same pocket.

The motion was rejected but Mayor Roman said the door was still open but he didn't say if the bargain basement price of \$1 still stood.
