

I hope that you and your families have a very happy holiday season and since there will be such a consumption of soft drinks may I remind you to save your cans and take them up to

the plaza as is for recycling. Just one reminder about the food cans, please flatten the cans, they take up much less space both at your house and in the bins. Apparently the cans have been in good

shape with the contents washed out and the labels removed. Please continue this worthwhile effort. This is a responsibility that one of the children in your household could assume. Our children vie for the fun of stomping on the cans.

Bowling
On December 10 the ladies bowling league held a turkey draw and those who were lucky were Mrs. Jean Miller and Bertha Ingram. There will be no bowling now until January 7, 1974. The high single for this week was Audrey Ross with 292 and the high triple was also achieved by Audrey with 737. Standings are: Poodles 38, Greyhounds 27, Spaniels 23, Labs 19, Beagles 19, Collies 17, Danes 13 and Terriers 12.

Zion Lutheran Church
Since Zion has a vice-pastor who also has a church in Richmond Hill, the usual tradition of a Christmas Eve Candlelight Service cannot be followed this year. Pastor, James Dauphinee will be helped by the children of the Sunday school as they present the Christmas Story through words and song. This is at 7 pm on Sunday, December 23. An unusual feature of the evening service will be an 11-year old bagpipe soloist, who will perform prior to the actual service. A social hour will follow with fellowship and refreshments.

Note these changes; on December 23, the Sunday school and morning church service will be cancelled in lieu of the evening Candlelight Service. On December 30, there will be a 9:30 am worship service but the Sunday school has been cancelled for that morning. An invitation is extended to everyone to join with the congregation of St. Andrew's Presbyterian Church for the annual Candlelight Service Sunday evening.

MAD
Since the decision of the Environmental Appeal Board which ordered the closure of Disposal Services' operation on the 43-acre site December 15, 1973, there has been little visible evidence of the MAD Committee at work. However, they have been extremely busy preparing for further hearings probably in January and March of 1974. This Saturday, MAD will be at the Maple Plaza with
