2nd Thornhill Guides Earn Fire Brigade Badges, Hold Brownie Fly-Up

By MARGARET GOVAN North Thornhill Correspondent The 2nd Thornhill Guides spent three very interesting evenings last November attending lectures and demonstrations at the Keele Street fire station. Thanks go to the many willing parents who provided transportation to and from the fire station. The instruction was provided by both the firemen and the fire chiefs. Guides who were subsequently awarded the fire brigade badge were: Joanne Adams, Alison Ashley, Kim Beeston, Nancy Cameron, Karin Carrothers, Pam Church, Karen Crandell, Cathy Harrison, Theresa Johnston, Laura Langman, Marianne Loader, Pam Machen, Pegeen Magee, Heather Neun, Janet Parker, Kathryn Rae, Wendy Rae, Janice Richardson, Brenda St. John, Cheryl Warburton, Lesley Warwick, Marilyn White, Susan Redden, Judy Redden, and Laura Farrant.

cadet guider and trainer, District Commissioner Mrs. Shirley Lancaster, and Deputy-Commissioner Mrs. Pat Fransi were guests at a combined Brownie fly-up and Guide enrolment. The Brownies performed their usual opening ceremonies and then the Guides marched into their horseshoe and proceeded with their color ceremony. Brown Owl Mrs. Avril Davies brought out a beautiful arch which was decorated with flowers and candles. Brownies Paula Gilpen, Jennifer Grant, Leslie Krupa and Sharon Heaps said "good-bye" to their sister Brownies and flew up through the arch to be welcomed into the Guide company. SPECIAL CANDLES Mrs. O'Rourke showed the company her special candle and told its story. The candle had been lit from other candles which were lit by Lady Baden-Powell and Juliette Low, founder of the Girl Scouts in the United States. Guider Pat White and her daughter Marilyn had made a special candle for the 2nd Thornhill Guides

and Deputy-Commissioner Mrs. Fransi lit from Mrs. O'Rourke's candle. The lights in the hall were turned out. Guides came forward, one by one, and lit a candle for each part of the law and promise, repeating them aloud. Each of the eight recruits, having passed her tenderfoot requirements, was brought forward by her patrol leader and presented to Mrs. O'Rourke. Each was enrolled as a Guide and presented with a tenderfoot pin. Commissioner Mrs. Lancaster presented each new Guide with a blue taper to which was attached the story of the candle. The Guide then lit her taper from the new company candle. LIGHTED ROOM The darkened room was

filled with candle light and as each recruit being enrolled repeated her promise, the rest of the Guides repeated their own silently and were reminded of their own enrolment. Recruits enrolled were Lesley Warwick, Nancy Cameron, Karin Carrothers, Pegeen Magee, Karen Crandell, Janet Parker, Alison Ashley and Marianne Loader. The ceremony was concluded with the Brownie and Guide prayers. Then the assembled company joined in a party of games and refreshments. A campfire marked the end of the evening. Parents and friends of Brownies and Guides were invited to attend. CHRISTMAS PARTY A Christmas Party was

held on December 17, to which the Guides from a sister company in Toronto, were invited. The party was entirely planned and arranged by six guides who were earning their hostess badges. Additional badges recently earned include the following: Judy Redden - swimmer, child care, singer, collector, and lifesaver helper; Marilyn White - outdoor cook, challenge badge, Junior camper and hostess; Susan Redden - singer and collector; Karen Crandell - swimmer; Kim Beeston - hostess; Janice Richardson - hostess; Cathy Harrison - hostess. Heather Neun - hostess; Kathryn Rae - lifesaver helper; Pam Church - lifesaver helper.

OMHA Sharon 8, Richvale 0 Royals came up empty-handed against a strong Sharon team which pumped eight goals against the combined efforts of John Bailey and Paul Gulo. This was their poorest team effort in many contests. The only encouraging part was the play of some of the younger players who pulled their weight. Alliston 4, Richvale 1 The lone goal for the Royals was scored by Mike Hegenauer assisted by Greg Meeke. Penalties were a big factor in this game as Royals picked up seven compared with two for Alliston. Richvale played a good aggressive game and with a little luck could have pulled out a tie. Ron Ince played a standout game in goal. Richvale 3, Sharon 3 A hard-fought battle by two teams of equal ability resulted in a 3-3 tie. Scoring for Richvale were Joey Di Battista, Jeff Brookes and Randy DePiero with assists from Terry Thorsell, Heinz Losberg, Jeff March, Brian Hobbs, Shawn McDowell and Pat Mills. Ron Mahaw played a super game to get the shut-out and the Sharon goalie made many outstanding saves. MIDGET Richvale 4, Thornhill 4 In an exhibition game at Markham against the Thornhill Minor Midgets, although short-handed, Richvale skated their hearts out for a tie. Paul McGeachie scored two, Harold Simpson and Robert Sternats one each. Sternats also had two assists as did Norm Stapley. Richvale 4, Alliston 4 BAIF Cadillac jumped to a fast two-goal lead in the first few minutes on counters by Stapley and Greg McDowell, but were hard-pressed to hold on in the last period when they suffered a rash of penalties. Simpson scored twice and McDowell got two assists, Paul McGeachie and Paul Bulger one each. Important Issues A reminder that tonight (January 17) at 8 pm your presence is requested at a meeting in the cafeteria of Don Head School, Vaughan Road (opposite the hospital). There is plenty of parking on two sides of the school. The topic is "Yonge Street South Corridor Study" for which your input is essential before final decisions are made. You are encouraged to show your interest in your community by attending this meeting and another January 31 at Roselawn (not Ross Doan) School on the same subject. This school is located on Carrville Road at Avenue Road. The time of both meetings is 8 pm. The second meeting mainly concerns the residents dwelling within 600 feet of Yonge Street. Most of these home owners and other property owners already have received personal notification of this meeting, since it specifically affects them. If perchance, someone within the boundary lines has not received a letter from the town offices, they are requested to be there anyway. For further information call the planning office at 884-8101 and ask for Cathy Pounder.

Guide Lines At the close of the old year, a presentation of "The Christmas Carol" by the Guides proved to be an outstanding performance for which both girls and their leaders deserve congratulations for the hard work that went into this production. The Rangers ended their year tobogganing, followed by entertainment at the Schramm's home. Liz Schramm and Kathy Niven planned this party as an enrolment project, which they passed with flying colors. For the first meeting of the new year, the Rangers held an election of officers. Those elected were Chairman Cathy Morton, Vice-Chairman Marg Schramm, Secretary Liz Schramm, Treasurer Donna Smith. Many thanks are expressed to the former executive for the fine work done last year. Anyone interested in joining Rangers would be more than welcome. If interested phone Mrs. Dagmar Matyas at 889-5181. School Bulletin The elective program for students at Roselawn Senior Public School is once again underway on Wednesday afternoons. The students are involved in a number of different activities, including chess, crocheting, dressmaking, community living, skiing, bowling, riding, field trips, crafts, badminton, photography, rug hooking, skating, judo, typing and home nursing. The activities are planned and supervised by teachers and parents. They vary in length from an hour and a half to four hours beginning at 2 pm. This program will continue for the 10 weeks of the winter term. A meeting is planned for the parents and students of the grade 8 classes on the evening of January 23 at 7:30 pm. The topic will be "Secondary School Orientation". Representatives from the area secondary schools will be on hand to explain programs and courses available in their schools in 1974-5. The meeting is designed to assist students and their parents in making phase and

option choices for the first year in secondary school. Approval has been obtained from the superintendent for the grade 8 trip to Ottawa. This year's excursion will be the sixth year in which grade 8 students have visited the national capital. For the first time, the students will be staying at the residence of Carleton University. Sites to be visited will include the Parliament Buildings, the mint, government house, aeronautical collection, national arts centre, national war museum, central experimental farm, national museum of science and technology and the supreme court. During travel to and from Ottawa visits will be made to Old Fort Henry, Upper Canada Village and the Peterboro lift locks. The dates for the trip are May 29 to June 1. Theatre A wonderful evening of entertainment may be enjoyed by all members of the family a week from tonight (January 24), when the local Rotary Club will feature the third film of their travelogue series, "Inside Passage and Aleutian Islands," presented by Dennis Cooper. Come to the auditorium in Bayview Secondary School at 8 pm. Tickets for the remaining four presentations will be available at the door, so be sure to tell your friends and new neighbors that an evening well spent is fun for the family and money, for a very good local cause which is the Rotarians' aim. An ecumenical service and prayer for Christian Unity will be held at St. Mary's Anglican Church, Vaughan Road and Yonge Street at 8 pm this coming Sunday. St. Mary Immaculate Roman Catholic, Yonge and Dufferin, distributed envelopes Sunday for the Catholic Immigration collection which will be taken up at all Masses this Sunday. This enables the diocesan immigration services to help all those who have come here to begin a new life. The church is committed to meeting both the spiritual and social needs of the people. Last year the diocese was able to assist 1,100 persons in bringing about the reunion of families. For income tax purposes, be sure to put your envelop number on all special collection envelopes. For the skiers information - tow tickets will be issued to members of St. Mary's Ski Club each week, as buttons have been discontinued. Please be ready to start lessons by 7 pm. Renters must get to the Honey Pot earlier. At Emmanuel Anglican, MacKay Drive, there will be a vestry meeting at 7 pm January 27. The ACW held its annual meeting and election of of-

ficers recently. Names of the new executive will be published in next week's column. It was reported that the Christmas Fair, under the sponsorship of Jean Fitchett and Doty Jellicoe was most successful - exceeding all expectations. This coming Sunday the men's club will receive corporate communion at 9:30 am, followed by breakfast at 9 am. Last week the youth club visited the Church Army headquarters on Brunswick Avenue, where they learned all about the work. They were then escorted to St. Paul's Church on Bloor Street for a social evening of table tennis and other entertaining games, after which they all enjoyed refreshments before returning home. The congregation of Emmanuel has been invited up to St. Mary's Anglican for a service of ordination Sunday at 10:30 am. Right Rev. John Boswell, Bishop of Niagara, will officiate. There will also be a regular 11 am service at Emmanuel, including Sunday school as usual, taken by Mr. James Galbraith. YWCA Both TAB groups in the area resumed activities this week. Monday morning exercises followed by a discussion within the group about program ideas at Charles Howitt School. Next week an hour of crochet instruction will follow the exercises. Wednesday mothers' meeting at the library enjoyed an hour's discussion on the social implications of BAIF, led by Julie Parker, a resident of Avenue Road in that development and a recent member of the task force. Next week they will enjoy the film, "Sexuality and Communication", featuring the Drs. Cherniak, husband and wife team.
