SAD WEEKEND

Again Royal Bank had a sad weekend starting January 11 with a visit to Tottenham and going down to defeat 11-1 as our only goal was scored by Gary Sutherland, assisted by Barry Munro. In this game there was no single star as they all played their hearts out but could not match the power from Tottenham.

At Coldwater January 13, the Royal Bank again suffered defeat, this time 5-2. If spirit alone could win a game this team would be unbeaten, but alas somebody still has to put the puck in the net. Down 3-0 at the end of the second period, the Royal Bank rebounded with scoring from Mike Briggs assisting Brian Hall and with two minutes remaining Jackie Woods unassisted.
