Church News
About 20 from the Maple CGIT group had an evening of bowling at the community center on January 25. The group was then taken to MacDonald's in Richmond Hill for a late supper by the leaders, Mrs. Dorothy Murchinson, Mrs. Anne Soderberg and Mrs. Jean Lowthian.

An excellent representation from the congregation of St. Andrew's Presbyterian met at the church on January 23 for the annual meeting.

Rev. George French opened the session. Art Hills was elected chairman and Andrew Snider served as secretary. The adults were particularly pleased to have a representation from the young people of the church.

On the agenda for 1974 are plans for the Presbyterian Church of Canada centennial celebrations in 1975. Andrew Snider will convene the activities. A social hour followed the business as members chatted over hot biscuits and muffins.

Baseball Meeting
Everyone should have received an information sheet about this meeting so I would like to just remind you about it. On February 3 at 2 pm the baseball association would like you to come to the community center to help plan and discuss the summer program for boys and girls in Maple.

School News
At Joseph A. Gibson Public the parents are invited to a "Parents' Night" on February 11 at 7:30 pm. There will be a pictorial presentation of the Profes-

activities of the teachers last November. The parents will be given an idea of the content of this particular session, emphasizing learning activities. This should be a particularly informative and "different" Parents' Night!

Maple WI
The January meeting of the WI was held at the home of Mrs. Carrie Read. The roll call was a response to advertise, how do I advertise the addage, if it pyas to the WI? Several thank-you notes were read from those receiving remembrances at Christmas time. Mrs. Norman Payne and Mrs. Ella Harris were appointed to attend the leadership training course on Accessories For The Home at Victoria Square on February 26 and 27.

Several intriguing proverbs of Pennsylvania Dutch origin were read by Mrs. Helen Baker. Mrs. Harry Stephenson read an article on year '73 talking to '74 on world affairs. It was take-off on politicians and political affairs of '73. She also gave the ladies tricks for cooking with instant coffee, an article on What is Mars?, and read several humorous articles about WI members.

Mrs. Ella Harris reported on her attendance as an area representative to the central area convention last fall. An invitation by the Maple WI to the Edgely ladies has been accepted. All will gather for the next meeting on February 13 at the Maple United Church to view slides presented by Mr. and Mrs. Laurence Clarke, former residents of Hope. Mr. Clarke has made up a pictorial of Keele Street of a decade or

more ago and will be presenting that. Husbands and friends of the WI members are invited to share in this interesting evening.

Senior Citizens
The Ice Follies were greatly enjoyed by the seniors who went, but something else got a great deal of mention too. Dinner was enjoyed at Old Ed's and at a very economical rate. The extras were tremendous. The atmosphere was unique and to top that off, the service was extra special.

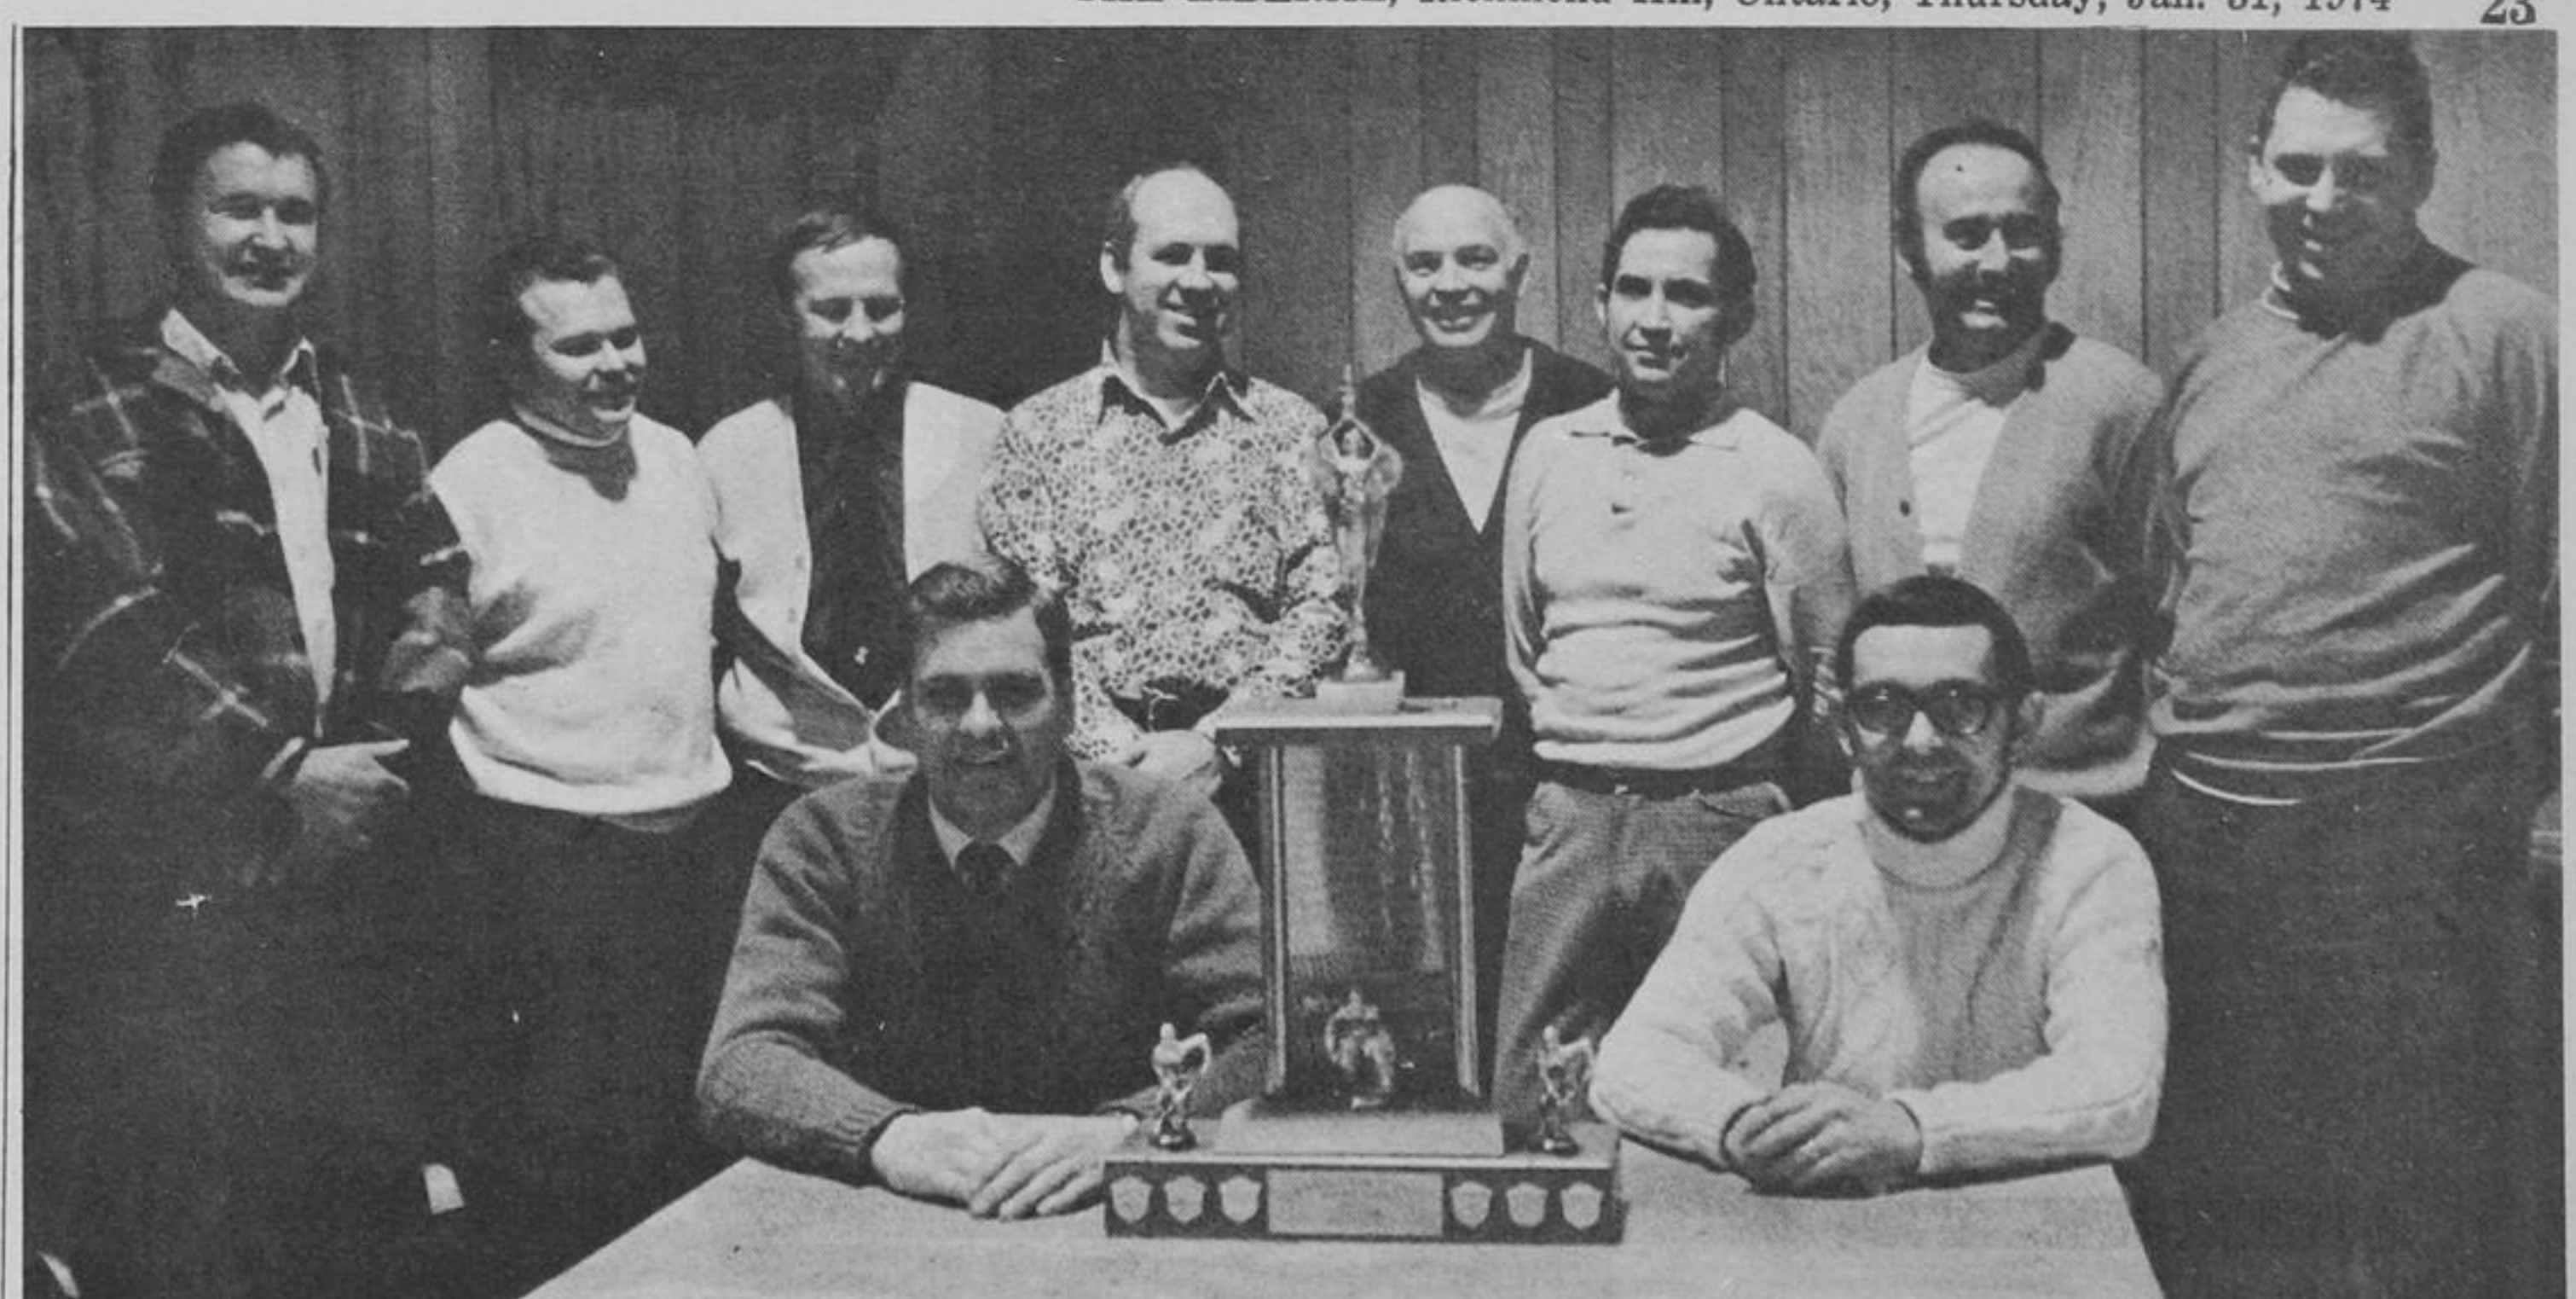

The group would like to mention the two drivers, Morris Cruise and Gerry Small.

The Vaughan Seniors have available to them, 40 tickets for the blue section of Maple Leaf Gardens for a game between Toronto and Vancouver on February 23. The tickets are \$6.60. With the bus fare the total will be \$8. See any of the club representatives, Mabel Julian, Harry Burnfield or Louise Cooper at 832-2408, for these.

The Woodbridge Seniors are planning on a film at their meeting on February 4 of the Costa del Sol in Spain where their 29 - day tour of the country will originate. Their travel representative Louise Cooper will be on hand for this meeting.

Bowling
The ladies bowling league has some openings. Maybe there is someone who would like to add some interest to the rest of winter by bowling on Monday nights, from 7 to 9 and 9 to 11, alternating these times. The league howls at the community center. If you wish to join contact Mrs. Alice Abraham at 832-2331.

On January 18, the ladies bowling had one of their newer members achieve the high single for the night, a 268 for Betty Kucherawy. The high triple for the night was by Betty Rumble with 679. Standings are - Greyhounds 17, Danes 11, Poodles 11, Colliers 11, Spaniels 10, Beagles 9, Labs 9, Terriers 6.

Maple Can Recycling Project 2-Month, 1-Woman Effort

By EVA HAWKINS
Maple Correspondent
About two months ago, Beryl Ward of Weller Crescent took it upon herself to arrange for containers to be placed in the Maple plaza for pop cans and food cans. She has been emptying the containers and transporting the cans to Continental Can Company on Keele Street where they are used to make car parts.

This whole process starts with you the householder. But it has to be carried along by volunteers at the present time. If you have a truck, station wagon or large car trunk, Beryl could certainly use your assistance in emptying the containers with a shovel and taking the cans to Continental Can. To assist her she would also like medium sized, strong cardboard cartons for re-use every week.

WARNING WORD
Please don't leave your cans in brown paper garbage bags or small cardboard cartons. These only create a mess and an additional disposal problem because they are out in the open and get wet.

Well tied plastic bags are a time saver when the bins are being emptied. Also one more reminder. Please wash and flatten the cans by removing both ends and stepping on them.

NEWSPAPERS, BOTTLES
If you would like to dispose of your newspapers or bottles in a practical way, save them up and take them to the Woodbridge Recycling Project which has its headquarters in the Vaughan Town Works Yard, Woodbridge. You will see the recycling sign, a broken circle, in the yard which is located just off Islington Avenue, just north of the Anglican Church on the east side of the road.

The center is open for

papers and bottles on Saturday mornings from 10 to 12. It is manded so you will be shown what to do with the bottles. Probably you would not have to do this more than one Saturday a month and the bundled papers could be stored in your garage. The bottles require nothing more than the lids removed and the contents rinsed out.

Forming Maple Hospital Auxiliary

By EVA HAWKINS
Maple Correspondent
The York Central Hospital will soon open its extension which will more than double its present capacity. Many volunteer women and men are now working at the hospital.

A great many more volunteers are needed and a Maple branch of the hospital auxiliary is soon to be formed. A few Maple residents have already been giving volunteer time to the hospital. About 20 more volunteers are needed.

On February 5, the YCHA president will outline the role of the volunteer in the total service of the hospital to the community. This information meeting will be held at St. Stephen's Anglican Church at 8 pm here.

Both men and women are needed for this week. Even a small amount of any person's time would be valuable to the patients of the hospital. Some of the areas where a volunteer can give additional services is in pediatrics, the laboratory, the hospital gift shop, delivering mail and flowers, providing escort service to patients and doing outside work.

For more information about this meeting or the work of volunteers in general, please contact one of the Maple volunteers, Mrs. Alice Abraham at 832-2331.

Alleged Grave Digging Near Maple

Manslaughter Parolee Appeals 20-Year Penitentiary Sentence

A 20-year penitentiary term conviction for a manslaughter parolee alleged to have driven a victim through the cemetery, ordering him to dig his own grave later near Maple at the Dufferin Street Honey Pot ski area, is to be appealed.

Lawyer John Malone Friday of last week on behalf of Michael Black, 26, of Newmarket said the May kidnapping case will be appealed. A York County Court general sessions jury a week earlier convicted Black and co-accused Dwayne Shaw, 19, of no fixed address, of kidnapping, extortion, armed robbery and possession of a dangerous weapon. Shaw was also sentenced to jail by Judge Walter Martin, six years in penitentiary.

After sentencing Black stood up and said, "Do you mind if I say something? Why don't you people just take me out and shoot me? I'm sick and tired of coming into these courtrooms and no one believing what I say."

SERVED 7 YEARS
Black was on parole after serving seven years of a 15-
