

**Hill's Interim Tax Bills Now Out**

Richmond Hill Interim Tax Bills are now in the mail. In fact most rate-payers have probably received them by this time.

The first instalment under this notice is due March 26, the second May 28. Total amount of the interim levy is 12 mills, which means if your property is assessed at \$20,000 (an average assessment) the amount required in each instalment will be \$120. The 12 mill levy is approximately half the 1973 levy.

The final tax bill will be sent out when this year's budget has been set. The levies for region and education as well as the amount of provincial grants will have been established by then.

It was reported at the February 18 meeting of town council, that by spreading collection of taxes over the year by means of the interim tax bills, the municipality did not have to borrow any money in 1973 to meet current expenses. This meant a large saving in interest costs.

The interim tax bill is the first tax bill to be turned out on the town's own computer.

**In Metro Grades 9**

Few grade 8 graduates of Roman Catholic Schools in York will be accommodated in Catholic High Schools in Metro next year, Superintendent John Zupancic informed York County Roman Catholic School Board December 19. Citing one school he reported it had 140 grade 9 places, 175 applications from Metro, 77 from York and 75 from other outside areas.

Priority in placements will be given, he said, to those whose parents own property in Metro and to those who have had brothers and/or sisters attending Metro schools and who have done well.

Chairman John McDermott reported that he had heard the Metro schools have a surplus of 800 applications over the number of places available.

**To Discuss Inflation**

Discussion of runaway inflation and unemployment, two of the more controversial problems being experienced in Canada today, will be held at a public meeting in Morgan Hall, Markham, March 11 at 8:15 pm. The meeting is being called by the York North Federal Progressive Conservative Association.

Guest speaker will be Ron Atkey, Conservative Member of Parliament for St. Paul's riding, who will outline the Conservative position on these subjects.

Delegates will be elected to attend the annual meeting in Ottawa. Only members in good standing will be allowed to vote on the nominees.

Morgan Hall is situated on the north side of Highway 7 west of Highway 48.

All visitors will be welcome and refreshments will be served. For further information call President Don Bailey at 881-0630.
