

Hill Track Team Impresses In Losing

The green and white of Richmond Hill Athletic Club was prominently displayed in competition last week at the 49th International Indoor Track Meet held at Hamilton Armouries.

A team of 10 local athletes survived a series of day long eliminations to qualify for the evening events in the girl open relay, boy's open relay, and 50 metre high hurdles.

For the second year in a row, a girl's relay team represented The Hill before 4,000 fans in the final event of the women's open 1/4 mile relay.

The team of Dianne Diggins, Liz Srebrnjak, Leslie McGregor and Marnee Buckles qualified for this final by placing second in their morning heat losing to an extremely efficient foursome from Sports International Track Club of Arlington, Virginia.

This international meet was headlined with appearances by Herb Washington, world rank sprinter in the 50 metres, Yvonne Saunders, Canada's world record holder at 600 metres, Byron Dyce, Florida Track Club, in the 1000 metres plus a generous sprinkling of ranked and near ranked athletes from the U.S.A. and Canada.

Both relay teams found themselves competing in the final evening events against top notch American competition, a fact which made the legs move a little faster.

SOLE SURVIVORS

The girls' team found themselves the sole Canadian survivor in the final event facing

Sports International, and Motor City Track Club of Detroit.

Although close to the pace for two circuits the Richmond Hill team gradually faded in the face of the older and swifter opposition to officially place third in the open event contested by an original nine teams.

Opportunity for a minor upset and a second place finish confronted the girls when Motor City runners collided when passing the baton on the second hand-off.

Local runner Leslie McGregor slowed her pace to avoid injuring the fallen runners allowing the American girl to regain her feet and resume the race a few paces back of Richmond Hill.

The 50-yard hurdle event had entries from New York, Chicago, Quebec, Hamilton, and Richmond Hill.

BINKLEY IMPRESSES

Greg Binkley, just commencing training for 1974, was selected as one of the finalists for this crowd-pleasing event. His short training period showed as he slowed over the last few hurdles to place fourth.

Individual competitors throughout the day showed very well but all fell fractional seconds short of qualifying for final appearances.

Sixteen year old Rick Carton, a Bayview Secondary School student, ran extremely well to place fourth in the 880 yard run with a time of 2.09 seconds.

When it is considered that Rick had recently ran a one

mile race his performance was most encouraging.

In the one-mile event both Richmond Hill runners, Mike Bells and Carton, allowed themselves to be boxed in back of the large field and suffered slow times as a result.

The experience gained in this event stood well for young Rick in the 880 yards where he went to the front immediately and avoided the shoving and crowded quarters in the pack behind.

Our sprint types were qualifying in the early heats but, as the American competitors performed, one by one, our entries were eliminated.

Liz Srebrnjak and Leslie McGregor placed third in their heats to miss the quarter finals by one second. Bruce Cook and Ian Dawson looked quite strong in the 300 metres but fell short by 1/10th's to be eliminated. Marnee Buckles ran respectably in the 440 yards but could not match the 59.0 and 60.0 seconds being posted by previous runners.

PLEASANT SURPRISE

Another pleasant surprise of the night was Ian Dawson's 5.9 clocking in the men's 50 yard dash. Lined up with four swifties from the U.S.A., Ian was pulled to a personal best time and a fourth place finish in his heat.

To wind up the evening's entertainment the men's open relay was present with Richmond Hill competing.

The team of Mike Bells, Bruce Cook, Ian Dawson and

Greg Binkley found themselves accepted for the final events of the men's open one mile relay.

This team found the going rough and recorded the slowest time for the finalist which was won by the University of Chicago Track Club in 3:15.2 seconds.

Other activities over the past two weeks provided shot putter Bill Milley competition in the Ontario Senior Championships where he placed sixth. This meet was in preparation for Bill's big test in three weeks at the junior championships where he should show very well.

At the masters meet (athletes over 40 years), RHAC Member Bob Thompson ran fifth in the 60 metres and placed third in the long jump. This meet was also an Ontario championship event.

Next Saturday a small, but competitive team, will represent Richmond Hill at the Ontario Bantam and Midget Indoor Championships.

Midgets Leslie Rogers, Marnee Buckles and Jeff Bells will compete along with Bantams Sandra Digioacchino, Daniela Tosoni, and Richard Lapenna. The Bantam team is under the watchful eye of Ray Kyte during 1974 and this week's meet is the first test for the Bantam athletes.

Indoor training has commenced for the wee types, mites - atoms - tykes, and additional information on this program is available from Bob Thompson at 884-4100.

LET'S PLAY TENNIS
Richmond Hill Tennis Club

New Executive Already At Work

With spring seeming to be many of us are starting to think of flexing those flabby winterized muscles on the tennis courts in the hopefully not too distant future. Our new executive, however, are way ahead of us and have already held three meetings preparing for the coming season, Ian Griffin, who has coached many club members during previous seasons, has accepted the post of club professional (part time). During May, June and July, Ian will be conducting classes, giving private lessons, and generally assisting in the organizing of club events. This is a "first" for the club and a natural development as we grow in size and stature.

Club representatives attended the AGM of the Ontario Lawn Tennis Association and found it interesting and exciting to hear how tennis is growing at the provincial and national level. The attraction of the sport is obvious. Healthy competitive exercise outdoors demanding but a minimum of personal equipment at relatively modest cost (unless you're like me and throw your racket around a lot). And let's face it, what other club could you join for our membership fee? Why the whole year costs less than an hour at massage parlour—so they tell me—and they're closing them down!

Because of this upsurge of interest in tennis, it is increasingly evident that tennis needs to be organized, and member clubs of the OLTA are in the best position to do this, with the greater experience of the Ontario and Canadian associations readily available to them. The Richmond Hill Club was one of the earlier clubs to recognize this and has been a member of the OLTA for a number of years.

HILL JUNIORS RANKED

Congratulations to Vicky Robinson and Mark Girdler on being ranked in Ontario junior tennis. Rankings for 1973 were confirmed at the OLTA AGM. Vicky is ranked No. 8 in girls under 14 and Mark No. 13 in boys under 14. Both come from tennis playing families—the Robinsons and Girdlers have been members of the club for many years and have served the club in numerous capacities.

As mentioned earlier, the executive are busy preparing a program for the season. League teams, tournaments, round robins, social events, beginners' lessons and more advanced coaching and so on. With a full program and our large membership all seven courts will be well occupied, and the old courts at town park will likely be better supervised by holding coaching clinics and lessons there on one or more courts during the evenings.

More details will be available in the club brochure which will be ready for distribution together with application forms for membership and coaching lessons later this month.

Pillrollers Advance In League Playoffs

MINOR PEEWEES

Aurora edged Wilson Niblett 3-2 Saturday evening with McGregor and Eldridge scoring for the Hill, Henderson assisting on both. Goalie Ed McCleave turned in a good game.

In an exhibition game Sunday Wilson Niblett handed Markham a 3-1 defeat. Scoring for the Hill were Dunford, Henderson and Barnett, all unassisted, with Davey Jordan doing a good job between the pipes.

PEEWEE

Friday night the Peevee Lions defeated the visiting North York Rangers 3-1. Ricky Warren and Ted Inch shared the goaltending and both played well. All the Lions skated hard to win. The line of Jeff Joslin, Jim Majury and Dean Logan scored a goal each with assists earned by Joslin (2), Logan (2), Marjury and Hugh Kerr.

In a chippy game against Mississauga Sunday the Lions lost the game 6-1 and more besides. In an unfortunate accident Danny Smith broke his collarbone and will be out for the rest of the season. The Hill's only goal was scored by David Plaxton assisted by Joel Reeves and Scott Bartlett.

MINOR ATOM "A"

The Pillrollers played the first game of the OMHA playoffs in Orillia and it turned out to be one of the most exciting contests of the season with Orillia taking it 6-4. Both teams scored in the first period, Mark Stevens being the Hill marksman assisted by Eddie Main. In the third the Pillrollers scored two quick goals by Wayne Moffett and Stevens with assists going to Doug Rae and Mickey McCleave. Orillia tied the game with less than five minutes left to play. In overtime Orillia scored three goals to the Hill's one, Stevens again the marksman helped by McCleave and Bill Lazenby. Gord Stanway in the net for the Pillrollers played an outstanding game and all the boys put forth a fine team effort.

In the second game of the series Orillia again managed to squeeze by the Pillrollers 4-3. Star of the game was Doug Rae who potted all three goals for the Hill. Two goals were unassisted and on the third the assists were by Eric Mabley and Stephen Rockarts. Don Fawcett played a strong game in the net and it was again a 100% team effort.

In the first game of the

York-Simcoe playoffs the Pillrollers edged Thornhill 1-0, Rockarts getting the only goal assisted by James Kennedy and Stevens. Stanway certainly earned his shutout. David Noble, Rae and Stephen Fraser turned in fine performances for the Hill.

In the second game of this series the score was 0-0 at the end of regulation time. In overtime both teams scored, the Hill goal by Rae assisted by Kennedy, and the final score was a tie 1-1. A special tip of the hat to Don Fawcett for a fine performance in the net.

ATOM "A"

Friday night the Perry Hill Rams played host to Barrie for the second game of their best of three quarter-finals and lost 5-1. Down one game, Richmond Hill needed a win to stay in contention.

Although the Rams came out fighting Barrie opened the scoring at 2:05 of the first period. Persistent forechecking by Paul Harrietha and Ken Jensen produced a goal for Adam Cox.

On Barrie's third goal Richmond Hill's starting goalie Lorne Baxter was injured. Doug Macklin replaced him and continued to foil Barrie on several occasions.

This team will continue in York-Simcoe play and travel to Boston to play in the Perini-International Invitational Tournament at the end of the month.

MINOR BANTAM 2ND

Victoria & Grey Trust defeated Duffield Boys Club 6-1 in an exhibition contest in the new arena February 25.

Dave Cates opened the scoring on passes from Billy Byres and Angus McGregor, but Duffield soon tied the game. Robert Greiner potted the winner when he scored from Greg MacMillan and Pete Tipold, and Ross Queregresser added a goal from Greiner. Greiner clicked again, this time from MacMillan, followed by Phil McLaughlin's tally from Reiner Pleschberger. Queregresser concluded the scoring when he was set up by MacMillan.

Victoria & Grey Trust took a 1-0 lead in the best two out of three semi-final series in the York Simcoe League with a 3-0 shutout win over Stroud Bantams last Saturday night.

The stubborn bantam club came out hitting, and it was obvious they were going to be tough. Defenceman Angus McGregor scored what proved to be the winner when he picked up the puck in his own end, stickhandled by two forwards, split the defence to neatly tuck in the puck.

Red hot Robert Greiner took over as he fired home a Ross Queregresser pass, and then Greiner added a big goal in the third period when he scored unassisted. Mark Porter picked up his third shutout of the campaign as he played flawlessly; Captain Greg MacMillan played a strong two way game.

Victoria & Grey Trust spotted Thornhill a 5-1 lead in an exhibition game in the Maple Arena last Sunday afternoon and discovered that a hockey game consists of three periods as they dropped a 5-3 decision.

The Thornhill club, obviously out to avenge their

last defeat at the hands of the Hillers took a 3-0 lead before Jimmy Wood scored from Phil McLaughlin and Neil Putnam. Thornhill, who are particularly adept at strict positional play fired two more goals to lead 5-1.

The under-staffed Victoria club, their pride obviously damaged, averted a rout when they fired two goals in the final stanza. Wood scored his second goal from Billy Byres and McLaughlin, while Jim Burnett ended the scoring from Angus McGregor.

Although the Hillers outshot Thornhill 22-14, they were not as effective as their opponents.

MIDGETS

Richmond Hill's Legion Midgets leaped into a 2-0 lead in the best out of five series against Orillia in the semi-finals of the York Simcoe League last week.

Rob Wallingford's late third period goal was the margin of victory as the Legion Midgets skated away with a 3-2 victory over Orillia February 28 in the first game of the semi-final playoffs in the Orillia Arena.

The Hillers who have consistently handled Orillia this year forged into a 1-0 lead at 3:48 of the initial period when Arnold Van Der Weide scored from Tony Robinson and Kerry Minor. Wallingford scored his first of two goals in the middle period as he teamed up with John Oakley and Mike Laughauser.

This contest, a lustrous affair, suddenly developed into a real hockey match as Orillia came to life and rapped home two quick goals within the first five minutes of the last period.

This set the stage for Wallingford's winning tally on a pass from Richard Hopson, as the Legion only played as well as they had to.

The Legion Midgets grabbed a 2-0 stranglehold on the best three out of five semi-final series with a 5-3 victory over Orillia in the new arena last Sunday afternoon.

Rob Wallingford, still of minor midget age, holding a hot hand against Orillia scored a hat trick to lead the Legion team to the victory. The Hillers took a 3-0 lead after two periods as they seemed to handle Orillia with relative ease. Wallingford opened the scoring from line-mates Tony Robinson and Bob Russell, and Wayne Court slapped home the puck when he was set up by Richard Hopson, while Wallingford converted a Robinson pass into a 3-0 lead.

As in the first game of the series, Orillia suddenly caught fire in the third period, and rapped home two fast goals to narrow the gap to 3-2 as the Legion became guilty of complacency. Kerry Minor got up the winning goal as he sent Russell into the clear; Russell, using a linemate as a decoy, fired home the puck. Wallingford scored his fifth counter of the series when he converted a Robinson pass into an insurance goal.

JUVENILE

Playing not overly well February 26, Mr. Transmission Juveniles, with Paul Beresford in goal and the boys playing defensively, won 6-2 over Aurora. Aurora got the first goal in the

first few minutes of the game. Near the end of the first period Paul Bailie put the puck through the net when it was passed by Ricky Sackfield, tying the score. Aurora scored again in the second and Tom Sanlon assisted by Allan Pavio answered. Scott Davies unassisted got the third goal. Bailie aided by Mike Wood scored again and then Davies got his second from Bill Dyarst. The sixth goal was tipped in by Reg Armstrong unassisted.

It would seem that the Transmission boys are either good or terrible. Sunday they were terrible. Ajax was the opposition and our boys looked like old men. Ajax scored two goals in the first period before Kim Mabley assisted by Armstrong put one in. By the end of the period Ajax had scored twice more. In the second Ajax scored again before Mabley aided by Allan Graham and Don MacPhee scored for the Hill. Ajax scored again before the period ended.

In the third Ajax scored twice then Sanlon got one back assisted by Pavio and Tom Lamb and Pavio got another when he slipped the rubber in assisted by Lamb and Sanlon. In the last few minutes Ajax scored again to make the final score 9-4 in their favor.

PEEWEE 2nd Team

In the first league playoff game March 1 the Richmond Hill Carpenters & Joiners Union Peewees defeated Bolton 5-3. Scoring for the Hill were Bruce Buchan, Scott Campbell, Rick Gerber, Matt Zurich and Gerry Lawlor. Earning assist points were Lawlor with two, Blake Moss, Jack Vantol, Zurich with two, Rick Clendenning, Allen Lynden and Gerber. The local boys now have seven straight wins to their credit. Keep up the good work.

The Carpenters & Joiners managed a 1-0 win over Markham February 26 in Markham. Scoring the only goal of the game was Gerry Lawlor, on a passing play from Rick Gerber and Dave Vennard.

MINOR ATOM "A"

This past weekend the Pillrollers handed Thornhill a 3-2 defeat. Outstanding Hill player was Mark Stevens who scored all three goals. One goal was unassisted. Stephen Rockarts helped on the second and Don Head aided on the third. Doug Rae, Eric Mabley and James Kennedy, along with the rest of the team, played exceptionally well. Stanway was very steady in the net. The Pillrollers now advance to the second round of the York Simcoe playdowns.

(Continued from Page 13)

The leaving of Mr. Domik is old news but that of Mr. Dick is somewhat new. I must say I'm disappointed that Wally won't be around for his second year. I very much enjoyed the brief association.

Wally is a tremendous pitcher but above and beyond that he was a kind of competitor that gave his best (which was a lot) but who appeared to lack that "me first" attitude. In other words, a good team man. He also had an easy-going way about him. Wally will be missed.

Where has he gone? They tell me he has lined up a job in St. Catharines which is his old hometown. As to whether he's going to play ball with a team down there, I don't know. Sure hope so. Be nice to see him back in The Hill even if it's in an enemy uniform.

ANDY GIONETTE

Finally, a little bit on Manager Russell "Casey" Cripps' replacement for one of the two above star chuckers.

All I can say right now is that his name is Andy Gionette, he's 25, played with Scarboro Cable TV last season, and beat Casey twice.

When you beat Casey twice that means you will be playing with him the next season. That's good logic.

Says Casey about Mr. Gionette (pronounced Gee-o-net):

"He's a helluva chucker." You have to go along with Mr. Cripps. He's been right before. More on Mr. Gionette later on. Now it's time to go. I'll go out humming Spring is here, is here, is here. Isn't it?

CARRY ON

A little more on that upcoming Seventh Annual Richmond Hill Legion Midget Hockey Tournament running from March 18 to 24.

Billets are required for some 40 out-of-town youngsters. Parents are being asked to accommodate two boys or more during their brief stay. Any parents desiring to help out are asked to call either 884-2479 or 884-7250.

OAK RIDGES PEEWEES

Congratulations to Oak Ridges Peewees Coach Ross DeGeer and his kids for winning the right to participate in the Little NHL hockey finals at Aurora's Centennial Centre March 20 to 24. There will be a total of 48 teams fighting it out for honors in the various brackets.

BIG SHOW

Hey, I almost forgot. There's a big show in store for you figure skating fans Saturday and Sunday at the local arena. Members of the Richmond Hill Figure Skating Club will be presenting their production of "Land of Make Believe."

The cast includes local youngsters from three years to 18. Get out and support them and, besides, see a great show. Performances at 8 pm Saturday night, 2 pm Sunday afternoon.
