

# Would Expropriate Maple Property

Vaughan Town Council will initiate expropriation proceedings in order to procure additional land for its Maple Park extension plans.

This method was decided on after attempts to purchase a small restaurant located south of the Maple Community Centre were unsuccessful.

The restaurant is located on land 200 by 185 feet in size.

It was pointed out in council Monday afternoon of last week that an offer to purchase the restaurant was submitted to Jones Real Estate, agent for the owner who has the property listed for sale.

The offer to purchase provided a condition that it must be accepted within 48 hours.

Council observed that the offer to purchase had not been accepted or signed back with any "modification or change and the 48 hour period has expired."

Councillor Ab Hollingshead was reticent in the beginning about using the method of expropriation stating he preferred to "let things evolve before taking such steps."

Councillor David Fraser, acting mayor in place of Mayor Garnet Williams who was absent, noted that "we have expropriated for park purposes in the past so it's not an unusual step."

Councillor Jim Cameron thought it would be a "different story if the land in ques-

tion was an asset to the municipality instead of the liability it is at the moment."

He said that "the presence of all kinds of trucks parked in front of the restaurant is a general eye-sore. The place has no redeemable merit as it stands."

Councillor Hollingshead agreed that expropriation would be the logical step if it meant "cleaning up of an undesirable situation in the middle of the village."

Councillor Fraser said the addition of the land area would be "ideal for additional parking facilities."

Council agreed unanimously to authorize an application for approval to expropriate.

**Cubs and Scouts**

The year's program for the Cubs and Scouts is well underway with interesting activities taking place at both levels.

The two Cub packs have Mrs. Muriel Van Vugt and Gary Price as their leaders this year. Assisting these leaders are Mrs. Elaine Gammage, David Birch, David Brown, Ron Wilson and Charlie Wilmont. Scout leader Ian Ferguson is assisted by Ron Garratt, Moe Plant, George Sinclair and Bruce Bousher.

Please take note the Father and Son Banquet will be held on April 10 at 6:30 pm in the Community Centre. Mark this on your calendar and the details of the evening's events will be posted later.

The annual Scout manure drive will be on May 11 and those wishing to order ahead please contact Don Hassel-felt at 832-2524.

The Cubs and Scouts will soon be canvassing from door to door in support of the Trees Canada fund. This is a Humber Seneca District project with half of the proceeds collected by the groups being retained by them and the other 50% going to support district, provincial and national Scouting. Humber Seneca pledged to plant 10,000 trees on May 4. More details about this project will be given out in pamphlet form when the boys canvass the area. Please support this worthwhile project. Your children will see the benefits.

**MARC**

To help you prepare for making spring clothes, a sewing course in stretch and knit fabrics should be valuable. Mrs. Mildred Mason will be demonstrating how to sew T-shirts and bathing suits etc.

A. Gibson Public School. The fee for the course is \$8.

For more information about the course and to register please telephone June Cameron at 832-2694.

**Pancake Festival**

The Lions are again sponsoring their Maple Sugar Pancake Festival at the Maple arena on April 6 from 9 am to 4:30 pm. Pancakes and maple syrup will be on sale and there will be bus tours of Frank Robson's sugar bush for those interested.

There will be many special attractions both inside the arena and out especially for the young people, more details will be given in this column next week.

This is for children who will be 5 years of age before the end of 1974. Additional registrations will be taken for children who will be 5 before March 21 of 1975.

**Senior Citizens**

On March 11 the Maple seniors enjoyed a full afternoon of entertainment on the Irish theme.

With Mrs. Jean Downing in charge of the program, Earle Magee led off with community singing of the old favorites "When Irish Eyes are Smiling" and "My Wild Irish Rose". Dr. Ramsay Armitage of St. Stephen's Anglican Church was on hand to give an excellent talk on St. Patrick. It was tinged with humour as only he can do.

As well as other community singing, Mr. Magee sang "The End of the Cobblestone Road", "A Little Bit of Heaven", "Galway Bay" and "Danny Boy". Mrs. Margaret Jackson read a humorous poem "When Paddy Stole the Rope". Several members participated in a panel with Mrs. Berta Kyle presenting an item. The panel included Mrs. Mary Errington, Mrs. Hilda Allen, Bob Kirk and Mel White. The mystery person, Mrs. Margaret Andrew, didn't fool the panel for too long.

The final number of the program was the skit "Wanted A Housekeeper" which turned out to be an ecumenical kibitz with the ministers of the local churches involved one way or another. Rev. George French and Rev. Stanley Snowden played the parts of Abe Perkins and Ike McSweeney, two bachelor farmers who were tired of their own housekeeping and in search of a housekeeper.

Mrs. Florence Marwood played the part of "Olga from de Volga", Mrs. Louise Cooper played "Gertie Brass". Mrs. Edna Bryan played the elderly "Mrs. Ira Stubbins" and Mrs. Lil Smart played "Gladys Charming".

The participants in the skit only hope that those watching the goings-on enjoyed the effort as much as they enjoyed doing it.

On the excursion side of the activities, Maple and Kleinberg seniors were joined by friends from Woodbridge, Richmond Hill and Nobleton in their trip to see Peter Pan this last week. The

proposed three-day trip to Ottawa has been cancelled, since most seniors in this area have been there twice in the last two years and prefer something in another vein.

The date for the tour of Queen's Park has been set for May 21. This was changed to avoid conflict with the seniors from Woodbridge who are working hard on a "Variety Night" May 15 at 8 pm. More details can be had from club representatives or Mrs. Louise Cooper at 832-2408.

Several other outings are in the planning stage for the balance of the summer, but since the Woodbridge club is planning to do their own trips, these events will have to be checked with their schedule later.

The cabinet of the Senior Citizens of Vaughan will meet March 27 at St. Andrew's Presbyterian Church, Maple at 1:30 pm with Vice-President Mrs. Marj Robson in the chair. All members of the respective clubs are invited to attend the cabinet meetings to observe for themselves how their representatives strive to have the clubs work together in co-operation for the good of all seniors in the Town of Vaughan. The clubs represented are Kleinberg-Nashville (Humber), Maple, Thornhill and Woodbridge.

## Developers Look At Planning In York

The latest program in TV 10's series on planning will be aired tonight (Thursday) beginning at 7 pm.

The past ten programs in the "York Region—Planning And You" series have dealt with planning as seen from the viewpoints of area planners, politicians, ratepayers. Tonight the developers' opinion will be aired.

Cam Milani, president of Milani and Milani Holdings of Vaughan, and Peter Ruddy, general manager of Village In The Valley, Unionville, will be on hand to discuss their views on planning with channel 10 Program Director Scott Colbran.

Who do developers consult with before beginning operations? Who sets the housing standards? Are they too high? Who is the culprit in Southern Ontario's acute housing shortage? These are just a few of the questions raised during the course of the discussion.

The developers also direct their attention to such factors in development as land-banking, the parkway belt and the effect of the current energy crisis on development operations.

Channel 10 will be airing this special program at 7 pm and at the top of each hour until midnight.
