Senior Citizens
 Twenty one members were out to their meeting at the Lions Hall, 31 Spruce Avenue, on March 20 at which they discussed plans for their forthcoming summer outings.
 At the next meeting on April 3, the seniors will be holding a spring tea to which all ladies and those gentlemen around who fancy a "nice cup of tea of an afternoon" are most welcome. Come and bring a friend who may be interested in buying a nice gift from many crafts done throughout the year by the local Seniors or some goodies from their bake table, some of those good old fashioned recipes are well worth a try.
 Just coming to see the lovely new interior of the Lions Club is surely worth a visit. This has all been produced by none other than one hardworking team of Lions themselves who gave up many evenings at home to make their hall an attraction for dinners, dances, weddings, bazaars, organizational meetings and functions. So if you have need of a community hall for any such functions be sure and reserve well ahead of time with Lion Stan Judd 889-5038, please do not call him before 12 noon.

Seniors please note that on April 4 you have been invited to the dress rehearsal of the Curtain Club's next selection of two excellent one act plays "Black Comedy" and "Visit To A Small Planet" in which you will see some local talent from Richvale. Sports
 Last Sunday afternoon was exciting for the Richvale Minor Hockey Association House League Playoffs were in full swing with one more week to go. Some excellent hockey was being played by these ambitious youngsters vying for the cup.
 The baking was a popular item of the day and was completely sold out, as also the grab bags which delighted the children and some pretty paper windmills were an attraction for the very young. The prize winner for the big Easter Bunny clad in fifty dollar bills was Mrs. Mary Rascoe of Thornhill, grandmother of two of our young players Terry and Larry Thorsell. I have been asked to thank all of you who generously donated bak-

ing and other items to make this little project such a big success.
 Dear Parents - To provide more sports opportunity for children living in South Richmond Hill, the Richvale Minor Ball Association has been formed. The object of this body is to provide softball competition in the immediate area with the blessing of the surrounding minor ball groups.
 Children living within the outlying boundaries will be expected to play under this association, from Bathurst to east of Leslie (proposed Hwy. 404), Highway 7 to Vaughan Road (west of Yonge), Highway 7 to Hillsview (east of Yonge to Bayview), Highway 7 to Markham Road (east of Bayview to proposed Hwy. 404).
 Registration will take place at the Lions Hall, 31 Spruce Avenue on March 30 and April 6 to 10 am to 3 pm.
 If unable to attend on these dates, be sure to pick up an application form from your school or library and when completed submit with cheque to Steve Collett on 34 MacKay Drive across from Charles Howitt Public School.
 For further information call Steve at 889-2547.
 The fees are \$5 a child or \$12 per family for the full season and this includes a sweater which may be retained by the player at the conclusion of the season.
 Age classifications are as follows: "T" ball for both boys and girls 5-6 years, softball ages 7-18 for girls and 7-16 years for boys.
 A most cordial welcome is extended to all new residents. Any assistance in contacting newcomers will be greatly appreciated. Every effort is being made to prevent conflict with the time tables of other local organizations such as Drum Corps, Majorettes, Scouts, etc.
 The baseball season commences at the end of May unless we get another one of those unpredictable snow storms we recently encountered since the coming of spring.

Community News
 At the March 24 meeting of the BAIF Task Force held in Richmond Hill, discussions were made regarding the fulfillment of its original purpose "The Social Implications of BAIF and the Surrounding Community" or the need to carry on its research in view of continued development and work as a liaison to the Citizen's Advisory Group this latter body being concerned with the whole town at large. Local representative for this is Shirley Stanley 884-4127 who is also a member of the task force.
 As a result of their recent meeting at Emmanuel Anglican with the ratepayers' association and other local community organizations the task force was strongly urged to remain on as an overseeing group concerned with the needs and interests of this enlarged community which is on the listings for so many phases of development and change to the local citizens whole environment.
 What is on the planning boards now could shape our whole destiny, Yonge corridor study, widening of roads, more building small plazas, recreational and school complex, sewers, apartments, community centre, etc.
 One of our recent members of the Task Force, Bill Barker who resides on Lillooet in the BAIF Subdivision is already most community minded. I understand he is

director of the newly formed Richvale Minor Ball Association and has proposed that our organization now be known as the South Richmond Hill Task Force working together as one community to make it a desirable place to live by helping to understand others problems whether they be those of residents of 20 years or more or just as newcomers searching for identity with the main town up over the Hill.
 It was agreed by all of us that this be carried out with future meetings to be arranged down here in this area and an invitation extended to all interested residents of north and south Richvale and BAIF to come join us if you will. These will be held the last Monday of every month until summer holidays.
 Mrs. Reita McLean of Starlight Crescent an old townie has kindly consented to remain our secretary and Stewart MacMillan one of the founders and long time chairman of our group will continue to help and advise us whenever necessary, in the meantime Steve Smith of Lillooet will act as chairman at our next meeting April 29 at place to be announced next week.
 If you have anything to report to Steve please call 884-3271. Steve recently served on the Winter Carnival Committee promoting Oompik buttons and helping at the Mill Pond with the sports events.
 The South Richmond Hill Task Force is still operating as a sub-committee of the Social Planning Council.

Thornhill Flyers Win Leaside International Tournament
 MARGARET HOUGHTON
 Thornhill's Minor Bantam Selects romped to victory with four exciting wins to bring home the Leaside International Tournament Championship. Thriving on adversity, Les Buckler's Flyers met their hosts, Leaside in the first game, without several key players who stayed home to meet their commitments in the Church League semi-finals. The outcome was a 5-3 win, although the 33 to 10 shots on goal for the Flyers was more indicative of the play.
 The Thornhill team returned to Leaside Gardens for their second game against East York, with "all hands aboard", and improved their showing with a convincing 7-2 victory.
 In the semi-final game, the Selects were matched against Dorset Park. This opponent was awarded a decision by the tournament committee after tying the Tri-county Hawks from Detroit.
 The much larger Dorset Park team went ahead one goal in the first period. And except for several fine saves by Scott McCarthy in the Thornhill nets, Dorset Park could have demoralized the Flyers. The plucky boys from Thornhill tied the game at 6:26 of the second period and pumped in five more goals in the third, to win 6 to 1. This set the stage for the final game against Cedar Hill which reached the final by way of a close win over Dearborn, Michigan hockey for the majority of the game.
 The two finalists played tied

the game, each team scoring in turn. Then the Flyers fired two quick goals late in the third period to capture the championship 4 to 2 and then mob their winning goal tender, Garry Heaney.
 The high goal production of Les Buckler's Selects make it impossible to give the scoring credits goal by goal. The 22 goals were divided as follows: Mike Mudie 7, Glenn Perrett 5, Danny Kennedy 4, Ward Williamson 5 and Chris Gannage 1. Assists went to Mudie 8, Perrett 7, Ian Billich 4, Kennedy, Jamie Gibson, Williamson and Doug Heron each with 2, and Allan Moffatt, Willie Osler and Mike Finch with singles.
 The total credit for success belongs to each and every member of this fine team. They knocked themselves out playing two hard-fought games within 3 hours and refused to be bettered by teams that were larger, although only in the physical sense of the word.
