Presbyterian Charges Received 22 Members On Palm Sunday

By EVA HAWKINS

Palm Sunday was a truly happy occasion for the two charges of St. Andrew's and St. Paul's Presbyterian when 22 new members were received into the congregations before the observance of the Sacrament of Holy Communion.

Miss Cheryl Cooper, Miss Susan French, Kevin Garratt, Miss Mary Sue Grant, Robb Hudson, Miss Lisa Hudson, Miss Mary Lou Lamont, Miss Heather Lamont, Keith Snider, Mrs. Myfanwy Bajaj, Miss Ruth Christman, Mrs. Carol Cober, Mrs. Rose Ivans, Mrs. Pat Little, Mrs. Nancy Phillips and Mrs. Helen Plunkett were received at St. Andrew's. Mr. and Mrs. Larry Epworth, Mr. and Mrs. Norman Epworth and Mr. and Mrs. Harry Kent were made welcome at St. Paul's.

We feel sure that each of the communicants will feel the warmth of the Christian fellowship shared by members and adherents of all the local churches.

GOOD FRIDAY SERVICE

On Friday of this week, the congregation of St. Andrew's will once again join with that of Maple United at the Presbyterian Church for the Good Friday service at 10 am. Rev. Stanley Snowden will deliver the Easter message, sharing the pulpit with Rev. George French who will conduct the service.

On Easter Sunday morning the youth group "The Breakthroughs" will climax a weekend of devotion to their faith by serving breakfast at 8:30 am and by conducting the Easter Family service at 10 am. Rev. George French

will give the sermon with the young people assisting in the musical presentations with guitars and offering modern and traditional music in the celebration of the joyous Easter season.

The ladies of St. Andrew's will meet at the home of Mrs. Andrew Snider, Oldfield Street in Maple, April 17 at 8 pm for the spring Thank-offering meeting.

One of the main items on their agenda will be plans for the annual "Nearly New Sale" to be held in the church school room, May 3 and 4. This is the annual opportunity for anyone in the community to offer for sale items that are in nearly new condition. Emphasis is on household articles including small pieces of furniture, bikes, toys, appliances, and only clothes in the very best condition.

For details of time etc. see the COMING EVENTS column on Page 3 of the "Liberal" or call 832-1294 or 832-1101.

Church News

The UCW of Maple United is sponsoring a Quilts, Antiques and Craft Fair on Wednesday of next week at the church. The displays are open from 2 to 4:30 and again in the evening from 7 to 9:30 pm. Tickets for admission are \$1 and this includes refreshments. This display will be of interest to men and women. If you have any articles to display please contact Mrs. D. Jarrett.

Within the time it takes to read this article, over 11 children under five years of

age will die of starvation. In fact, 17,000 people die every 40 hours of malnutrition in Africa due to the extensive drought conditions.

The "Breakthroughs" of St. Andrew's Presbyterian are doing something about it. On Thursday evening at 8 pm they start their 40-hour fast to raise funds in aid of the starving. But they need your help too! For more information, or to channel a pledge, please call Rev. George French at 832-2648. Mrs. Louise Cooper at 832-2408, or write "The Break-

throughs", Box 91, Maple.

The "Breakthroughs" invite you to the combined Easter Sunday Morning Breakfast of St. Andrew's and St. Paul's. They are hosting the breakfast of pancakes and sausages at 8:30 am and a service at 10 am in St. Andrew's, Maple. Both congregations hope that you will rise and shine with them on Easter Sunday morning.

Just an additional note. Walkathon participants for the Canadian Bible Society are now canvassing for sponsors and any help that you could give would be appreciated by the society and local churches.

Senior Citizens

Two buses will leave the Vaughan area Tuesday morning for a visit to Allan Gardens, dinner at the Town and Country Dining room and

the movie "Mame" starring Lucille Ball at the Eglington Theatre.

There were still a few seats left for this outing at the weekend, and any senior citizen is most welcome. Club affiliation isn't a requirement. The cost, including bus, dinner and movie is \$6.50 per person. Call Mrs. Louise Cooper to inquire about seats at 832-2408.

The following week, April 24, seats are being reserved for the London Palladium Show at the O'Keefe Centre. The cost of this outing for bus and show is only \$5.50. Dinner will be arranged on the way home at the cost of the individual. Club travel representatives can be contacted or call Mrs. Cooper at the above number. Again, any senior citizen welcome.

BANTAMS

At the time of writing of this column, Maple Bantams were going into their 18th playoff game. They are playing a best-of-seven games series against Elora. Presently they have two games to one over Elora and the fourth game was to be played on Sunday night.

After a very hard series against Stirling, Maple dropped the first game to Elora, only to come back the following week in Maple to win. Then came another important win in Elora. This last game in Elora was particularly remarkable as Maple was down 4 to 0 in the first period. After fighting their way onto the scoreboard, they got their winning goal and came out the winners (6 to 5) on a great play by Blair Sutherland at the 2 minute mark of the last period.

It is worth noting we have seen an excellent demonstration of team spirit with everybody contributing to our success. Ron Line came into the game with just a few minutes notice. There has been steady work on the defense especially by Derek Hoare and there is Blair Sutherland's fine work at centre. Robbie Hudson also needs commendation on his fine play although his arm is in a cast.

Now for those readers who are particularly interested in this series, here is a rundown of the individual games.

Game 1 - March 29 at Elora
Elora 6, Maple 4: Dennis Limoges two goals and one assist, Blair Sutherland one goal, Stephen Sherman and Steve Allen with 1 assist each.

Game 2 - April 2 at Maple
Maple 7, Elora 0: Dennis Limoges three goals and one assist, Stephen Sherman two goals and three assists, Bruce West one goal and one assist, David Clendenen one goal, David Moore 2 assists. Derrick Hoare, Mike Fitzgibbon, David Sutherland and Blair Sutherland each had one assist.

Game 3 - April 4 at Elora
Maple 6, Elora 5: Dennis Limoges three goals and two assists, Blair Sutherland two goals and one assist, Steve

Sherman one goal and two assists, David Sutherland one goal.

The Annual Hockey Association meeting was held Sunday of last week but the turn out was very poor. Another meeting is scheduled for later, so watch for the announcement in this column. Also next week there will be a resume of Sunday's meeting.

JUVENILES

After eliminating Tweed in the All-Ontario semi-finals in a tough series (3 games to 1), Maple Juveniles travelled to Sarnia to meet Point Edward in the finals. The first game played on April 6 was won by Maple 3 to 2. The goal tender, Arthur Ella, was injured half way through the game and was replaced by Mary Schanck.

The Point Edward team was two goals ahead at the end of the second period, but Maple came out flying in the third period with goal Number one scored by Keir Todd assisted by Digby Bourke. The second goal was scored by Jim Moorehead assisted by Tony Roldan. The winning goal was scored by Digby Bourke unassisted.

April 11 saw Maple lose a hard-fought game 6 to 2. The two Maple goals were scored by "Ziggy" Pflug assisted by Brian Murcheson, and Jim Moorhead assisted by Alex Bittner and Jim Welckoff. Approximately 20 spectators stayed overnight with the team and more supporters arrived for the game on Sunday.

King Bourke, coach of the Maple Juveniles, deserves a special mention. He has been ill through the semi-finals and after Sunday's game was taken to hospital. Hopefully he will be back with his team on Friday.

Give Maple Juveniles your support when they meet Point Edward in the Maple arena on the Easter weekend. Many of you will be holidaying and one of these hockey games would make good entertainment. They play Friday at 8:30 pm, Saturday at 2 pm and Sunday at 2 pm if this game is necessary.

W.A.R. Wants Wine Bottles Other Glass, Paper To Recycle

By EVA HAWKINS
Maple Correspondent

If you have a great deal of refuse to dispose of due to spring cleaning, perhaps some of it is suitable for recycling and the Woodbridge Area Recycling group could be of some assistance to you. They accept glass (clear and green), wine bottles, cardboard cartons and newspapers. They also collect tin cans, but Maple already has set up its own bins at the plaza.

Many of us were in the habit of saving and tying in bundles our newspapers for the Boy Scout pick up. I have had a few calls recently inquiring about the reinstatement of some type of newspaper collection. This prompted me to do this article on W.A.R.

Since tying newspapers in many small bundles so they aren't too heavy to lift is such a chore perhaps using small cardboard boxes to store them in is a better solution. Bring the papers, boxes and all, since the boxes are compressed and stored until a large number are collected. W.A.R. has purchased a cardboard compacting machine and any money they earn from the sale of collected materials will compensate for this expense.

NEED WINE BOTTLES
W.A.R. has also rented bins for the collection of glass and tin cans. Concerning the bottles, remove all plastic or metal materials but don't worry about the labels. They will be burned up in the recycling process. There are separate bins for clear and green glass. Incidentally, W.A.R. would appreciate hav-

ing your wine bottles. It sells them to home wine makers by the dozen.

The collection depot is open and supervised every Saturday morning from 10 to 12 am. Please don't bring items at any other time. The location of the depot is in the Works Yard of the Town of Vaughan in Woodbridge, just off Islington Avenue, north of the Anglican Church.

BROKEN CIRCLE SIGN

The broken circle W.A.R. sign of recycling is displayed on the Town's sign. For information about collection techniques, purchase of wine bottles or recycling itself, call Mrs. Claire Coates at 851-0802 in Woodbridge.
