1st Maple Father And Son Banquet

The 63-member 1st Maple Cubs and Scouts held their Father-And-Son Banquet Wednesday night of last week at the Maple Community Centre. It was the big night for dads, food, magic and films, with a few of the moms sneaking in on the food end of things. Shown here (left to right from left fore-

ground) are members of 1st Maple Roadrunner Cubs with their fathers: Victor Flynn and son John of 11 Clemson Crescent; Gary Occhionero and father Ronald of 83 Netherford Road; Vern Stroud and son Clint of 76 Netherford Road; and Don Bedford and son Richard (hidden) of 7 Clemson Crescent.

Neighborhood Notes

Mrs. Lulu Leese spent three weeks in the Barrie hospital recently and is now staying with her daughter, Mrs. Isabell Johnston at RR 1 Stroud. She sends greetings and thanks to her many friends in Maple who sent best wishes to her since she left Maple. Anyone wishing to write to Lulu, contact her at her daughter's address.

When Freda and Des Bourke of Maple arrived home March 30, they were surprised to find their home filled with friends to help

them celebrate their 25th wedding anniversary. Their three children, Digby, Sandra and Jim (Kirk) had planned this wine and cheese party for them. About 50 of their friends gathered for conversation, and wishing them the best. Later they all enjoyed a singsong, accompanied by drums and accordion.

Roland Keffer of Major Mackenzie Drive in Maple returned home from York Central Hospital April 6 and is recuperating nicely at home. On April 12 he was able to travel to King City

with the rest of the family to a surprise birthday party for his daughter, Mrs. Reta Moore.

This week-end is the final deadline for baseball registration. Boys and girls will be able to play this year with fees: 7 to 9 years \$1.00 and 9 years and over \$5. Application forms are available at the Maple BP or contact Bill Tinline, 10 Weller Crescent.

The Maple Ratepayers Inc. are holding their annual meeting for the election of new officers April 30. The meeting will be held in St. Stephen's Anglican Church, Keele Street, at 8 pm. The new membership year commences on May 1 and you are invited to attend and join with them in their concern for the community in which we live.

Only 1,000 tickets will be sold for the grand prize of a Chevelle Malibu and other prizes. The Lions are sponsoring this draw to take place May 31. Get in touch with any Lion for the details.

Mr. and Mrs. Vincent Blakelock of Railway Street, Maple and sister and brother-in-law, Mr. and Mrs. R. H. Kennedy of Dunville, returned on Thursday from a two week vacation in Florida. They had terrific weather the whole time and only had rain once during their trip.

The Maple Senior Citizens spent last Tuesday visiting Allan Gardens and seeing the movie "Mame" at Eglinton Theatre, with dinner at the Town and Country Restaurant.

Wednesday of next week, a bus has been chartered to the O'Keefe Centre for the London Palladium Show which has been well received other years. There are still a number of seats left, and any senior citizen will be most welcome to call Mrs. Louise Cooper at 832-2408 to go along. Since the tickets have not yet arrived, the final cost has not been determined, but should be a bit more than \$5 and dinner on top of that.

An excellent coaching job was done by Eddie Hoogenboom in the absence of King Boake. In thanking King and Eddie, we must not forget to thank Manager Bob Moorehead who has worked hard all season. Thanks must also go to the midgets who's ability added strength to the team and should ensure Maple of more exciting playoff hockey next year.

Here is a run down of the scoring in the playoff games.

Maple Branch Cancer Society Provides Many Public Services

By EVA HAWKINS
April is campaign month for the Canadian Cancer Society and there is much publicity on their work and goals. Perhaps you have wondered what work is done by your own branch.

The basic principal upon which the society was formed was the education of the public. In the Maple Branch, Dorie Bothwell is the education chairman. She places literature and special displays in the schools, doctors' and dentists' offices, library, stores and maintains literature racks in local industries. She also makes arrangements to show films to groups and to provide speakers. Through Education, Cancer Can Be Beaten.

The most active committee in any branch is the "Service to Patients". It is constituted to meet the needs of the cancer patient. Marjorie Brook is the chairman of this committee in the Maple Branch.

CAN BRING HELP
When requested by a patient's physician of the public health nurse, this committee can arrange needed services such as dressings, drugs, home nursing of housekeeping. Home visits by volunteers are also arranged when requested.

On the service to patients committee is our dedicated Convener of Transportation Muriel Rose. She arranges transportation for patients for treatments and checkups. Many of your neighbors are volunteers and if you could help the Maple Branch in

this capacity, please contact Muriel Rose at 832-1314.

CAMPAIGN CHAIRMAN
The campaign chairman for the residential area of the Maple Branch is Fran Lippay and the industrial area, Andrew Snider. They do all the preparation and organization for the campaign. With the help of a large number of volunteers captains and canvassers, and the generosity of the people canvassed, the Maple Branch has always been able to reach the quota assigned to it and this is a rewarding experience for the hardworking chairman and his team.

The publicity chairman is Shirley Fenton and she is responsible for publicizing all the activities of the Maple Branch. At campaign time, arrangements are made for window displays and posters for the Canadian Cancer Society flag to be flown at the Town of Vaughan Municipal Offices during April. Daffodil bulletins are supplied to churches requesting them, for Daffodil Sunday. Pat MacLachlan is commemorative funds chairman and looks after "In Memoriam" donations.

The Maple Branch covers an area north to the King Townline, east to Bathurst Street, south to Steeles Avenue and west to Highway 400. If you would like to help in the volunteer work of the Maple Branch, please contact any member of the executive.

Committee To Study House Team Hockey

At the general meeting of the Maple Minor Hockey Association held April 7, a committee was formed to study house league hockey in Maple. This committee has been instructed by the MMHA executive to investigate the operation and organization of the house league and to bring forth recommendations that will indicate future directions for this important segment of hockey. The group is considering such areas as basic skill development, low key competition and interlocking schedules.

The committee held its first meeting April 14, at which time many constructive ideas were discussed. It would appear that this fresh look at house league hockey may significantly assist the executive in its efforts to provide the best of hockey for our youngsters. It is hoped that the results of these deliberations will make hockey more attractive to the children of our area. A second meeting has been called for the near future.

If you have opinions, concerns or suggestions about the future of house league hockey in Maple, now is the time to make them known. Any of the committee members listed below would be happy to hear from the parents: Bill Atwell 832-8800, Jack Fortin 832-1102, Bob Fowler 832-1204, Roy Hawkins 832-2314, Al Taylor 832-2526, Ian West 832-1167, Ron Wilson 832-1305.

Mrs. Earl Jackson Heads Edgeley WI

"Poultry Please" is the subject for the food forum to be held May 7 at 9 pm in Victoria Square Community Hall by the Home Economics Branch of the Ministry of Agriculture and Food. This announcement was made at the April meeting of the Edgeley WI held recently at the home of President Mrs. Earl Jackson, Steeles Avenue.

This was the group's annual meeting and featured reports of convenors of standing committees and election of officers. Past District President Mrs. Arthur Cook conducted the election which resulted as follows:

Past President Mrs. Bruce Snider, President Mrs. Earl Jackson, 1st Vice-President Mrs. James Darlington, 2nd Vice-President Mrs. Donald Bagg, Secretary Mrs. Alan Broyles, Assistant Secretary Mrs. Charles Agnew, District Director Mrs. James Snider, Alternate Mrs. James Spencer. Convenors of the standing committees will be: agriculture and Canadian industries, Mrs. Charles Boake; citizenship and world affairs, Mrs. Charles Agnew; education and cultural activities, Mrs. Arnold Aitchison; family and consumer affairs, Mrs. James Darlington; resolutions, Mrs. Pat Riordan.

Delegates were appointed to attend the district annual meeting to be held at Maple May 9 at 9:30 am.

The door prize was won by Mrs. Bear and luncheon was served by Mrs. Jackson and Mrs. Boake.

Stan Precious Is Buried In Maple

Funeral service for Stanley Precious, 56, of Maple who died April 7 after suffering a stroke, was held at the Marshall Funeral Home in Richmond Hill, April 11. Interment was in Maple Cemetery.

Mr. Precious, a printer in the composing room of the Toronto Star for 30 years, was born in England and came to Canada when he was nine years old.

At that time, a polio affliction prevented him from walking, but he finally overcame his handicap through treatment and constant exercise.

Mr. Precious learned the printing trade at the Timmins Press, and joined The Star in 1942 as a make-up man. He worked on page 1 for many years, until cancer forced him to take a disability leave in 1972.

An ardent fisherman, he developed a pond on his property in Maple and raised trout. He also built his own home there.

Besides fishing, his hobby was to buy antiques and finish them.

Mr. Precious is survived by his wife, Marjorie, his mother, Mrs. Agnes Walton, three sons, Brian, Ronnie and Bruce, and two daughters, Dianne and Rosemary, and five grandchildren, Janice, David, Jason, Andrea and Marcia.

MAPLE MINOR HOCKEY RESULTS

By EVA HAWKINS

Maple Teams Win Bantam And Juvenile All-Ontario "DD" Championships

After 20 playoff games, the Cadillac Lumber Bantam Kings won the All-Ontario Championship with a 5 to 2 win over Elora. For any team to do this, it must be thoroughly team effort.

However there are some things that deserve mention. Team Captain Dennis Limoges had 44 playoff goals and showed good team leadership. Steve Sherman scored the final goal of the series with a typical Sherman effort that many of us have become familiar with over the years.

There was steady net minding by Joey Saunders and David Goodmakers, with David getting the credit for the final game. He came up with a fantastic save in the second period which could well have been the turning point in the game. There was solid work on the defense all through the series by Bruce West and Mike Fitzgibbon.

Special mention goes to the Coach Bren Salvage and Manager Peter Fitzgibbon who have taught the boys how to really play hockey and that there is more to the game than the slapshot. The Maple boys would like to thank all the Maple fans who have supported them throughout this grueling series from Sutton to Nobleton to Elmvale, to Stirling and Elora and finally back to Maple.

The series was won by the Cadillac Lumber Kings with four wins, one tie and one loss over Elora. In the final game, Maple's goals were by Dennis Limoges with four and three assists and Stephen Allen with two assists.

JUVENILES
Easter proved to be an unforgettable weekend for the Maple Juvenile Team in the All-Ontario final against Point Edward (Sarnia). On April 12 the Maple Team defeated Point Edward 6 to 2, giving them a two games-to-one lead.

Hockey fever hit Maple on April 13 at 2 pm when Maple Juveniles proved too strong for the Point Edward boys. In an exciting game Maple won 6 to 3, making them the All-Ontario Juvenile Champions, 3 games to one. The very large crowd of spectators gave them a standing

ovation at the end of the game. After the game, the whole team paid a visit to their coach, King Boake, at Sunnybrook Hospital. Unfortunately, he was unable to see the final result of all his hard work with the boys. Thanks again King!

While enjoying a party with the captain (Alex Bittner), the Team was surprised to hear about their win over Channel 9 news at 11 pm. There was great publicity for Maple and we were pleased to have as a guest at Friday's game, Al Eagleson. Mr. Eagleson is a friend of the Elias. Arthur Ella has done a terrific job in goal all season with his average being 2.8.

Mr. and Mrs. Vincent Blakelock of Railway Street, Maple and sister and brother-in-law, Mr. and Mrs. R. H. Kennedy of Dunville, returned on Thursday from a two week vacation in Florida. They had terrific weather the whole time and only had rain once during their trip.
