Civil Engineer Structural

An opportunity exists in our Engineering Department for an Engineer who will be responsible for supervision of Design Engineers in the pre-engineered Building field.

The successful candidate should be a P.Eng., possess 5 years Canadian design experience and must be familiar with Canadian Structural Codes.

We offer salary related to experience, a full range of company paid benefits and an opportunity to participate in the rapidly growing design-build segment of the construction industry. Forward resume to:

> Chief Engineer, Stran Steel Building Systems, A Division of Westeel-Rosco Limited, 105 Industrial Road, Richmond Hill, Ontario, L4C 4Y8

Pilkington Bros. Canada Ltd.

As a manufacturer of architectural aluminum products . . .

WE REQUIRE:

- PACKERS
- WAREHOUSE WORKERS
 - FABRICATORS

Preference will be given to applicants with experience in operating saws and punch presses, blueprint reading a definite asset. Excellent salary and fringe benefits.

> For interview please phone Mr. D. B. Sheppard, 669-1930

135.00 Bathurst/Wilson: An interesting career opportunity for an experienced keypunch operator. Promotion to computer area.

115.00 Lawrence/Caledonia: Put your accounting experience to work and take charge of the accounts Payable dept.

100.00 Finch/Dufferin: This friendly Co. will train a good typist for their Accounting area. A good place to work.

125.00 Keele/No. 7: An outgoing and personable individual for this busy reception desk. 120.00 York Mills: Use your initiative and payroll experience in this very busy place.

140.00 York Mills: Put your bookkeeping experience to use in this very plush place. Great advancement.
