"The big thing we have going for us this year," said Bob, "is the fact that most of the meets are in the Toronto area. That means a big saving on transportation costs for out of town trips. Our club also helps to pay for the registration fees, etc."

Not that Bob is going around crying about it all.

"Track and field athletes don't look for a lot of adoration," he said. "No applause can come close to the feeling when an individual runner cuts a half-second off his timing. It's the best of all."

Who are the young hopefuls with Bob's club this season?

"I figure we could have three who will get past the zones, the provincial and into the with 36 teams taking part in omitted this report is sub-

gets that "all-weather" track as well as the local support from new-found fans of track and field. I hope so but, truthfully, I'm not holding my breath. Anyone interested in getting some track

and field practice in is invited to come out to club sessions at Richmond Hill High School field starting the first week in May. Just call Bill Alexander at 226-2732 for further information.

In closing, I should hasten to add that the club needs bodies to assist in the sessions. Drop around and have some fun. Helping Bob are such stalwarts as Ray Kyte, and Al Workman who is also a speed-skating expert in his own right.

#### NEED HELP

The idea of the meeting was to have any Rose were accompanied by Partington defeating Frank amount of people turn out and volunteer their services as coaches, convenors, and umpires. It didn't work out that way at Sunday's Richmond Hill Ball Association meeting. Only 50 persons this spiel a top notch "fun" Dalt Hicks to win the third turned out and there were very few applicants closing. for the various positions open.

#### HOCKEY NOTES

Back to hockey for a few final (?) notes: Congrats to members of the Oak Ridges

Juveniles who won the OMHA "C" Championship by downing Belle River 3-0 in the final game.

My informants tell me the entire team came up with a super effort all the way to down a tough Belle River crew. Particularly outstanding during the series and throughout the season was Goalie Len Bishop of RR 1, Muirhead Crescent. Len is being looked at by the Aurora Tigers of the Provincial "A" league along with other members of the team. All in all, an all-round effort by everyone. Len has played his minor hockey in both Richmond Hill and Oak Ridges associations.

### GALS' HOCKEY

Ron McAndrews tells me his Richmond Hill Gormley Sand and Gravel girls had themselves an enjoyable weekend at the Oro Jets Hockey Meeres. Maybe the pressures If your name did not ap-Tournament. No, they didn't win it all but they of being club president for pear it is probably because did come up with the Consolation "B" Trophy.

Coach Ron tells me the team was also hit by the injury bug with Bonnie Bryan, Darline Harrison and Patti Barclay taking their lumps in that department.

Ron would like to thank Mary Williamson substitutions are required he is now making a good for assisting the injured girls. Mary, incident- and the naming of winning recovery. ally, played for the Oro Flyerettes.

### BANQUET

Coach Van Williams of the Richmond Hill Minor Hockey Association House League Seafood Peewees treated his players and their parents to a dinner Sunday at Summit Restaurant. Each player received a trophy and, in turn, Mr. Williams was presented with one from the players which referred to him as "the greatest coach of them all." Very pleasing way to end a hockey

### STEVE MADDEN

In a report on last week's Richmond Hill Tournaments Incorporated Minor Bantams Hockey Championship win over Chatham the name of player Steve Madden was inadvertently omitted from the team's line-up. Apologies to Steve and hope that this mention will make up for the omission.

Really, finally, I should add that regarding the Oro Tournament a Richmond Hill gal by the name of Sue O'Connor was selected as the Most Valuable Player in the "B" Division. Sue plays defence for the Gormley Sand and Gravel crew, and, according to reports is a fine young hockey player. Congrats, Sue.
