George Bailey Students Present Comedy

The grade 8 students at George Bailey Senior Public School tonight (Wednesday) and Thursday night are staging the comedy production "Radio and TV Satire" to raise

money for a trip to Ottawa later this month. Here students Kate Hull and Rob Fenton rehearse. Show time is 8 o'clock at the school auditorium.

Neighborhood Notes

HELP is celebrating its second birthday Saturday by sponsoring a cake decorating contest for young people at its headquarters at 132 Woodbridge Avenue, Woodbridge. There will be an open-house at Help Centre from 10:30 am to 3 pm. People visiting the centre during this time will view and sample the cakes from the contest and coffee will be served. Mayor Williams will be there at 11:30 am to present the prizes for the cake decorating contest.

Children interested in participating must have their entry at the Help Centre by 4 pm Friday (10). The actual judging will be done Saturday morning. There will be prizes awarded to the winners and any age child can enter. The cake itself is not that important, you will be judged on the decorations.

Since HELP is soon hoping to expand to Moon, this would be a good opportunity for Maple residents interested in the services that HELP offers to visit the centre and talk to some of the volunteers who would be very interested in meeting you.

This year's Bible Society Walkathon will be held in September, there were just too many marathons this spring to hold another.

Numerous pictures were taken at the hockey banquet April 24 of the presentation of awards to individuals and teams. These proofs are available for view at Al Taylor's, 28 Malaren Road. If anyone is interested, please make arrangements to see the proofs immediately as Al will only have them about one week.

There will be an exhibition of oil paintings at Joseph Gibson Public School, Naylon Street, May 25, 26, Saturday, the exhibit will be open from 1:30 to 9 pm and on Sunday from 1:30 to 5 pm.

Oil paintings will be displayed, the works of Roy Robson, Wayne Asquith, Sadie Barnes, Louise Robson and Elinor Tolman.

Tennis Club
A further reminder that tennis lessons begin next week at the tennis courts on Keele Street North. The lessons are free to all members and the fees are: family \$20.00, adults \$12.00, under 16 \$2.00.

The lessons are scheduled to begin: ladies only, May 14, 9:30 to 11:30 am; under 16, May 14, 7 to 9 pm; adults, May 15, 7 to 9 pm.

Registration fees will be accepted at the courts prior to the lessons.

School News
The grade 8 students of George Bailey Senior Public School are presenting in the school auditorium a "Radio and T.V. Satire", May 8 and 9 at 8 o'clock. This is a comedy production coached by the grade 8 teacher Ed Murphy. Admission will be for adults and the proceeds will be put towards the grade eights' trip to Ottawa May 23, 24 and 25. Any parents who would be interested in accompanying the grade eights, please contact Ed Murphy at the school, 832-1451.

The York County Board of Education is holding a study group this summer to consider extended student journeys. Recommendations arrived at by the study group will help the trustees in formulating new or revising present board policy regarding these trips.

The committee will consist of two teachers, two trustees, two students, two members of the public, one principal, and one superintendent. These people will meet for one week in the summer, and the members will be reimbursed for their participation. Anyone interested in joining this study group please submit an application to: Superintendent of Planning and Development, York County Board of Education, Box 40, Aurora, Ontario. All applications must be in by **Church News**

The ladies of St. Andrew's Presbyterian will hold their monthly meeting May 15 at 8 pm at the home of Mrs. Gordon Ingram, 9 Malaren Road. All ladies of the church are urged to attend and visitors are always welcome.

Senior Citizens
The tentative plans we mentioned last week for a trip to Rochester at 11:00 am have been dropped for lack of interest.

In the meantime, the cost for the trip to Queen's Park and a tour through the Ontario Legislature is May 21, with lunch extra. There is still lots of room left for this

trip and anyone interested may call their club travel representative or Mrs. Louise Cooper, 832-2408.

There has been some interest shown in a week long trip through New England and Cape Cod in early September, our readers might keep this one in mind, and

Maple Minor Hockey Executive Elected At Annual Meeting

BY EVA HAWKINS
The Maple Minor Hockey Association held its annual meeting Sunday in the Masonic Hall. The outgoing executive presented its financial statement and prepared the way for the election of a new executive.

Considerable discussion centered around the financial statement since it is apparent that the cost of providing a good hockey program is likely to increase. Some residents are most concerned that Vaughan Town Council recognize its responsibility to provide adequate subsidies so individual families will not be burdened with excessive fees. A vote of appreciation is due to the many dedicated persons who gave freely of their time and efforts to make this another successful year. Approximately 225 boys were involved in the program this year. The committee established

to report on House League activities presented a number of constructive ideas for the new executive to consider. Among these are ideas which should assist the executive in administering activities of the House League, provide new opportunities for coaches to improve their skills, create additional opportunities for players to develop their abilities and expand the range of programmes to include the 5 to 7 year olds.

The new executive is made up of Dale Watts (President), Bill Lawson (Past President), Fred Cook, Bob Fowler, Art Hills, Jim Jones, Len Kaiser, Al Saunders, Frank Steele, Al Taylor, Ian West and Ron Wilson.

Continued community support and assistance will considerably help the executive in their efforts to provide an opportunity for our youth to play hockey this coming year.

1974-75 Executive Elected Garbage, Planning Are Issues For Ratepayers Of Maple Area

BY EVA HAWKINS
Maple Correspondent
The annual meeting of the Maple Ratepayers Association Incorporated was held April 30. The meeting dealt with several important matters affecting Maple and elected a new slate of officers for 1974-75.

A report from M.A.D. Subcommittee outlined the creation, function and numerous activities in the recent garbage question. The Co-Chairman Tom Connolly reported no decision had yet been made by the Environmental Hearing Board in Disposal Service's application to extend dumping operations in Maple. This subcommittee was reconstituted under the co-chairmanship of Tom Connolly and John Becker.

Community Plan
The Maple Community Plan was reviewed at some length by Glen Noreliffe. Numerous suggestions and reactions were put forth by members for inclusions in an official brief to the Vaughan planning department.

The chairman, Roy Hawkins outlined the activities of the organization this year. He cited the involvement with Vaughan Council on the widening of Major Mackenzie Drive, the formation of M.A.D., the submission to the planning committee for the Maple community plan and the incorporation of the organization. He noted the latter now gives the association official status and provides it with a much stronger basis from which to represent the residents of Maple.

NEW EXECUTIVE
