

Pork Producers Get A Break \$22.41 Margin Is Guaranteed

Pork producers in York who have been feeding hogs for the last couple of months for either no profits at all, or at a loss, have some good news this week.

KENNETH P. MORRISON

Mr. G. W. Wilson wishes to announce that Kenneth P. Morrison has joined the staff of Wilson Niblett as sales representative. Mr. Morrison, a resident of the Richmond Hill area, has a total of 27 years business experience. He is a graduate of the Sales Marketing Institute (Automobile) 1971, of the Heavy Truck School 1958 and of the National Defence Mechanical Instructors School 1942. He has also served with the Ontario Government Motor Vehicles branch.

The Hog Stabilization Plan, announced last week, will provide at least a fixed margin between the cost of feed and the selling price of a hog.

This margin is \$22.41 on 100 lbs. of pork, which means that if the market doesn't give a producer \$22.41 per hundred over his feed cost, the government will make up the difference. At this rate the difference is \$37 on a 165 lb. carcass.

At present, the wholesale cost of feed to finish a hog is about \$36 and with the \$37 fixed margin added, the return to the producer would be \$73. Since a 165 lb. carcass is only bringing about \$66 today the government payment would come to about \$7 per hog. This figure will change as the cost of feed and the price of pork change.

The payment won't be made until a year from now, when feed prices will be averaged and producers can apply for the extra payment on up to 1500 hogs sold between April 1 this year and March 31 next year. It's the first time that any price stabilization program has been based on margin. It assures producers they won't lose their shirts if they continue to produce pork without interfering with the open market price changes for both pork and feed, according to Ag. Rep. Art Wall.

Neighborhood Notes

Dates to remember — Wednesday of next week at 12:30 noon is the desert luncheon and euchre at the W.I. Buttonville Branch, in aid of the hospital. For \$2 you can eat all the dessert you like, and spend a pleasant afternoon with friends playing cards. Come along ladies.

Next Sunday, is memorial day at Brown's Corners United Church, and June 9 is the annual Sunday school picnic. Following the morning service the congregation will proceed to Bruce's Mill for a barbecue lunch, games and swimming (provided the weather co-operates).

Last Sunday was the 50th meeting of Toronto Conference, Rev. Allen Hallett and Walter Craig attended services held this year at Orillia. At Brown's Corners United Church Charles Clarke of Unionville, treasurer of the 'Alcohol and Drug Concerns, Inc.' was guest speaker. Clerk of Session Donald Reesor conducted the service and told the children's story, and Robert Hood read the lesson. Organist Mrs. Don Reesor led the choir.

Mr. and Mrs. Alfred Miller returned this week from a trip to Pueblo, Colorado, where they visited with their daughter Velma's family, the Dr. Don Otises. Gardeners have been tak-

ing advantage of good garden soil for the asking at the new road bed east of Don Mills Road on Highway 7. On weekends and in the evenings, cars are lined up waiting their turn to dig into the good black earth.

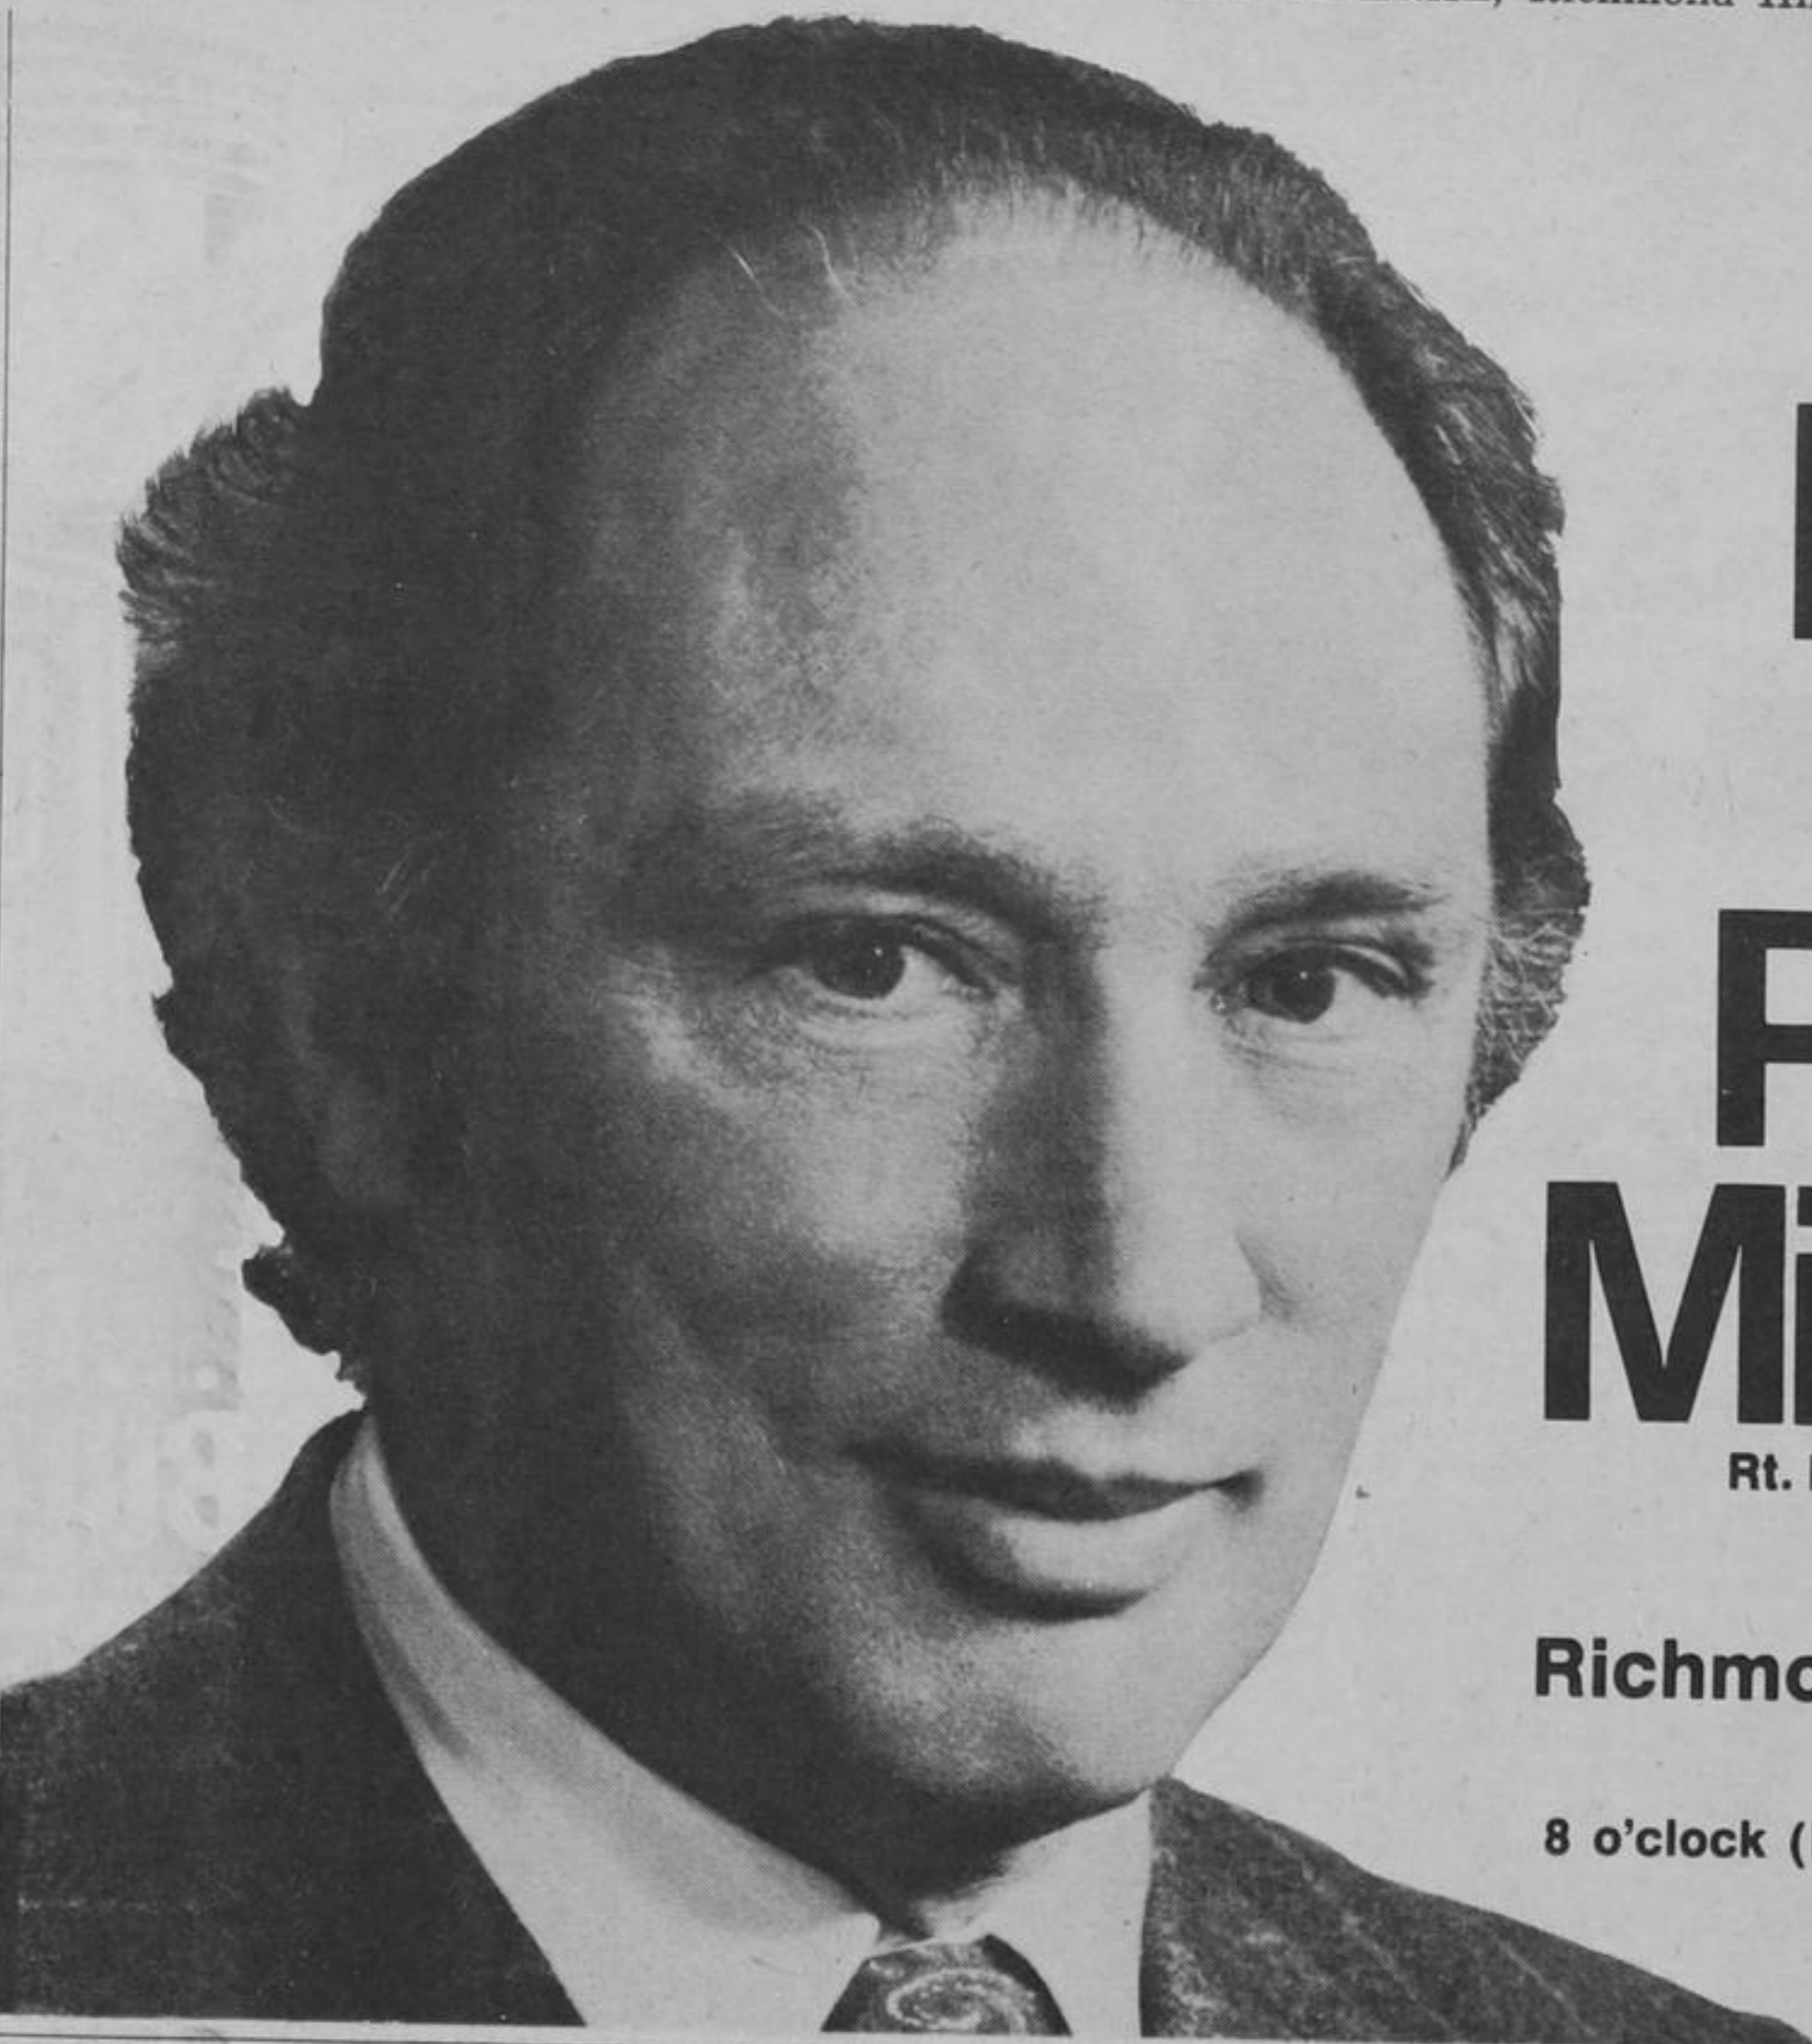

Friends were sorry to learn that Russell Boyington is back in Sunnybrook Hospital, this time for more surgery.

The Gordon Colton Family is leaving their Buttonville home (the former Dr. George Kelly residence) and will return to Erie, Pennsylvania, in June. We will miss them.

That's a smashing little head-dress Heather Hooper has been wearing since she had ear surgery two weeks ago.

Keith Hood tells us the East York Barbershoppers earned \$500 toward their Kansas trip, when they sang at Victoria Square Community Centre, May 9.
