Maple OASA Peeewees Defeat Thornhill, Uxbridge, Unionville

By EVA HAWKINS
Maple Correspondent
Maple 10, Thornhill 5

Maple hosted Thornhill at the local diamond in an exhibition game May 26. Scott Lawson was on the mound for the Maple team for the first five innings, giving up five runs on five hits and gaining credit for the win.

Kim Weese pitched the final two innings, giving up just one hit. The Maple boys played terrific ball for the entire game, gaining their 10 runs on just eight hits and with six walks from the Thornhill pitcher.

Maple 24, Uxbridge 1
Maple opened their home season on May 28 at Maple Park, matched up against Uxbridge. The game was played in drizzling rain and the Maple team proved just too powerful for the inexperienced Uxbridge team.

Kim Weese was the winning pitcher for the home team, giving up just two hits while striking out 15 batters. The visitors bagged their only run in the seventh inning when the Maple team committed an error after Kim had walked the first three batters. He then struck out the side to end the game.

Ernie Chefro and Kim Weese each scored five times for the Maple team as they collected only eight hits. But the Uxbridge pitchers gave up 17 walks and their team committed eight errors.

Maple 13, Unionville 5
The Maple team chalked up their third win in scheduled league play in Union-

ville on May 30. This was by far the Maple's team strongest competition but they broke it wide open with a big eight-room outburst in the sixth inning. Kim Weese was again on the mound for Maple, giving eight hits, striking out four and walking six.

Maple struck early with two runs in the top of the second but Unionville scored four runs in their half of the inning. Maple took the lead with three runs in the fifth inning and then broke the game wide open with eight runs in the sixth.

Blair Sutherland and Wayne Boudreau highlighted the inning, each of them hitting a home run. Derek Hoare hit a home run in the second inning with a man on.

The team is shaping up and the coaches are pleased with the boys' play to date and feel they will get even better as the year progresses. The team plays home games on Tuesday nights at 7 pm at the baseball diamond on Keele Street and would appreciate your support at any of their games.

St. John Ambulance Brigade Gives Maple First Aid Course

By EVA HAWKINS

Maple United Church was host to the St. John Ambulance "Save A Life Program" on May 27. York Central Division 548 offers first-aid coverage for the Maple area as well as Richmond Hill, Thornhill and Markham. So its members felt it would be advantageous to hold a one night course in each of these centre outside of Richmond Hill.

Twenty-two people attended the program and all were instructed in two methods of artificial respiration, control of bleeding and treatment of burns, insect bites and bruises. Rev. Stanley Snowden, Freeman Newton, Mrs. Bob Jordan, Tom Hoe and Mrs. Renee McKee mustered up enough nerve to practice artificial respiration on each other with the help of the brigade and their teaching aides. Privates Chris Stephenson and Anne and Keith Mathewson then held an open

forum, answering questions about treatments of shock, splinters and poison ivy. The brigade was pleased with the Maple turnout, in that the openness and eagerness of the audience indicates to everyone is apathetic towards the learning of first-aid.

The St. John Ambulance Brigade is a non-profit, volunteer organization, serving the public. Anyone wishing first-aid coverage or courses for events in our area, feel free to contact Mrs. A. Mathewson at 884-9854 or Mrs. Joyce Doherty at 889-8359. New members are also welcome to join the brigade. It is a very worthwhile experience.

GOODWOOD: A prized 13-month-old German Shepherd dog has been shot and its owner, Eric Munding, RR 1 Goodwood, is angered over the incident. The pet was on Mr. Munding's property when killed.

Senior Citizen Week

Vaughan Activities

By EVA HAWKINS

The Vaughan Seniors are looking forward to an active month in June with Senior Citizens Week and their annual Town of Vaughan Picnic to be held in the Woodbridge Legion Park on June 20. Members of the Kleinburg, Maple, Woodbridge and Thornhill Clubs will be attending.

Individual clubs are planning outings during the month of June, including a trip to Woodbine Track by the Woodbridge group. Several members of the Maple Club are interested in a seven-day tour of New England and Cape Cod in July. Also in the plans for the summer are a three-day trip to Watkin's Glen and Corning, New York. Several seniors are considering a tour of Western Canada.

Anyone interested in joining Vaughan area seniors on one of these bus tours, please call Mrs. Louise Cooper at 832-2408.

outside of Maple. The hearings adjourned the last week of March.

The reasons for the positive findings were given as follows: it is possible to minimize ground water pollution. Disposal's trucks are only a portion of the total truck traffic. Disposal's lawyer committed his client to meet the conditions imposed by the Ministry.

The board insists that 14 conditions be met by Disposal Services and the most crucial are: site operates only between 8 am and 4 pm. Disposal must post a bond to insure its performance, monitoring of wells (including the Maple Town Well) must be provided. Disposal to pay for rectification of polluted wells (I don't know if this applies to the reportedly already polluted Chefro well); streams in the area must be protected.

Two special points were made by the Board: a lack of good management in the past by Disposal and a suggested public hearing to be held at the completion of the present project.

Members of M.A.D. (Maple Against Dumping Unhappy) are understandably unhappy with this decision by the Environmental Hearing Board. If anyone is interested in more detail about the decision, contact ratpayer representative Tom Connolly at 832-1577.
