Maple Dump
(Continued from Page 1)
site before 8 am and do not leave the site after 4 pm.

- Landfill operations at the site should be restricted to the hours from 8 am to 5 pm.
- The final engineering should be completed and approved before a certificate is issued by the Ministry, and before Disposal Services commence operations on the site.
- Disposal Services Limited should be requested to put up a bond to ensure performance and final closing out of the site, including the handling of the leachate.
- The trucks should be adequately covered.
- Better screening at the site should be provided to prevent blowing papers from leaving the site.
- The site should be operated in strict accordance with the engineer's plans.
- Some natural screening of the site from Keele Street should be provided.
- Competent on-site supervision by a qualified and experienced person should be provided.
- Monitoring of the wells, including the Maple municipal well should be provided.
- If wells become polluted from the operation of this site, then Disposal Services Limited should pay for rectification which might include providing an alternate supply, if necessary.
- Adequate fencing, gates and locks should be provided.
- The streams in the area should be protected to meet the quality and quantity requirements of the Ontario Water Resources Act.
- Continued supervision of the site be maintained.

IMPROVE APPEARANCE
The board's report also expressed concern about the appearance and operation of the Town of Vaughan's own landfill site; about the lack of good management in the past by Disposal Services.

Disposal Services' Solicitor Murray Chusid was quoted in the Toronto press as stating that "with the 20-acre site now out of the way, we can look to the big one. If and when we get approval to develop that site, Metro will have a big sigh of relief. We hope to get approval for it before the 20-acre site is full."

Chusid, learning that the Maple group has decided to appeal the board's recommendations said:

"I am not aware of any such provision under the act that allows an appeal."
Connolly agrees but with this exception.

"There is no formal appeal that can be made but there is a personal one right to the Minister of Environment. That's where we're going now before a certificate of approval is issued."

Rev. Chas. Higginson Retiring June 30

Rev. Charles Higginson, who served as minister of Richmond Hill United Church for 16 years, will preach his last sermon as minister of St. Paul's United Church, Ajax, June 30. He will be completing 41 years as a clergyman, having been ordained in 1931 after graduation from McMaster University and Emmanuel College.

Mr. Higginson came to Richmond Hill in 1951, being inducted into the charge on July 4 and beginning his duties July 9. He came from Prospect Park United Church in Toronto where he had served for six years. Before that he had served as a travelling missionary in the district north and west of Cochrane and held regular pastorates at Thornloe, Cookstown and Victoria Harbour. He moved to Ajax in 1969.

Public Service, Fun At Richmond Heights

There was great fun for all age groups at the public service events during the recent Bonanza Days presented by the merchants at Richmond Heights Centre, Levedale Road and Yonge Street. There were parties, treats and entertainment for everyone, but most especially for the children and senior citizens. The Richmond Heights Centre Association was assisted by the Alhambra Richmond Hill Branch and Sn. Jack Matthews, Claire Flood and Louis Nolan in entertaining the retarded children from Thornhavan School. The youngsters enjoyed the Wilkie Ranger, Billy the Clown and the Clown Band, and were treated to pop, ice cream, etc. They really enjoyed themselves, joining in the singing in groups with solos.

Both boys and girls enjoyed the quick-draw contest run by the Wilkie Ranger, winning prizes and trophies. This was topped off with the pistol packing duel between Radio Station CFGM, The Liberal and the Merchants Association. The Liberal's Hal Blaine first succumbed to the lightning speed of CFGM's Frank Proctor, who went on to down the Merchant's representative Ron Wake of the Firestone Store to win the Quick Draw Trophy.

Here at one of the children's parties, Pepper, a horse owned by Don Devins, entertained old and young alike with a great number of tricks. Afterwards two Richmond Hill sisters, Amanda and Allison Miloff, had their first horseback ride.

County Public School Tax Hike

A \$48 million budget, which will mean about a \$15 boost per taxpayer in Richmond Hill, was approved by York County Board of Education at a meeting Monday afternoon.

The budget calls for a total of \$48,069,284, with \$26,279,210 for elementary school purposes and \$21,375,630 for secondary school purposes. Last year's budget was \$43,667,182.

The municipal levy for elementary, after adjustments, is \$11,516,730, and \$9,087,638 for secondary.

In Richmond Hill, a public school supporter, with a home assessed at \$20,000, will pay \$258.94 in taxes, compared with \$243.20 last year. The increase in total mill rate is 6.5 percent.

In adjoining areas, which also will pay increased taxes this year, the rates for a public school supporter, all based on a \$20,000 assessed value, are as follows: Aurora — \$245.26 (last year \$227.36); Vaughan — \$237.96 (\$219.32); King — \$288.06 (\$256.16); Aurora — \$262.10 (\$241.82); Whitchurch - Stouffville —

\$265.50 (\$243.10); Newmarket — \$265.90 (\$245.16); Georgina — \$246.76 (\$235.52); East Gwillimbury — \$263.42 (\$238).

TEACHERS' SALARIES
Teachers' salaries have been budgeted at \$29,862,049, compared with \$27,504,038 for 1973.

Other main expenditures are \$5,229,696 for debt charges, and \$4,242,172 for plant operations.

The board saved \$1,404,256 on teachers' salaries withheld during the six-week strike in March and April, but the final ceilings for 1974 in the secondary panel depend on the recent arbitration award and the ceiling reduction approved by the minister of education.

At present, the board is budgeted about as close as it can to the ceiling without going through the roof.

The ceiling on ordinary expenditures per pupil is \$752.21 for elementary and \$1,195.19 for secondary, less the 1974 expenditures of

All-Candidates At Thornhill

There will be an "All-Candidates" meeting for the York North federal constituency election hopefuls to meet the Thornhill area public at Henderson Avenue Public School at 8 pm June 24, it was announced this week by Acting South Thornhill Ratepayers' Association Chairman Nick Belak of 5 Henderson Avenue. All interested citizens are invited.

Moderator for the platform action will be Jack Stone of 77 Grandview Avenue.

Newmarket To Open New Farmers' Market

The Town Council of Newmarket has decided to restore a service that has been missing from the town for nearly 20 years.

On June 22 a farmers' market will open in the downtown arena, providing stalls for local merchants as well as for the farmers of the salad bowl of Ontario, the neighboring Holland Marsh area.

Spearheading the program is Councillor Bob Scott, and the market will highlight fresh fruits and vegetables, local craft articles and homebaking and preserves by local women's groups.

Later in the season, farmers from the surrounding area will be bringing in their new potatoes, fresh corn, prize tomatoes and other produce.

Specialty booths are being made available to local merchants from the town 19th Century flavored Main Street. The market will continue to operate each Saturday through the summer and into September.

BAIF Recreation Complex Approved

York County Board of Education has approved in principle the proposal for a municipal recreation complex in the BAIF Subdivision in Richmond Hill, as presented to members of the board and council in a joint meeting May 29.

Monday afternoon, Trustee Morley Kinnee of Vaughan, who was taken to task by Mayor William Lazenby at the May meeting for venturing to ask a few questions about the proposal, made the recommendation, which will see the board lease three acres to the town for a period of 50 years at \$1,150 per acre annually.

Leasing the land, instead of making it an outright gift, was one of the bones of contention cited by Mayor Lazenby. However, Trustee Douglas Allen of Richmond Hill pointed out that, as York County ratepayers had paid for the land, it was necessary to "square up" with them.

When asked by Trustee Tom Johnston of Keswick, why the lease was for 50 years, Mr. Kinnee said he had just been re-affirming a motion from a previous meeting. It was felt to be a fair period of time, as the life of a building was about 50 years.

The complex, which will contain an arena, library, skating rink and swimming pool, will be jointly shared by the York Board of Education, the Roman Catholic School Board and the Richmond Hill arena and library boards, will be linked together by a common street.

A separate school and an elementary and public school will eventually be added to the area.
