

**SINCLAIR STEVENS  
REPORTS  
SINCLAIR STEVENS MP  
YORK SIMCOE**

**Contrary To National Trend  
Tory Vote Increased In Yk. Simcoe**

A popular vote swing of 4.5% has given Canada once again a majority Liberal Government.

In 1972, the Liberals received 39% of the votes and 109 seats in the House of Commons. Last week, 42.9% in votes produced 141 seats for them. The Progressive Conservatives increased their votes by 6% to 35.6%, but lost 10 of their 106 seats. The NDP fell 2.4% in popular support receiving 15.6% of the national vote. This resulted in Socialist strength begin slashed from 31 to 16 seats in the House. Other parties — mainly the Social Credit, gave up 2.1% in votes. This reduced the Social Credit strength in the House from 15 to 11 members.

Voting preference in York Simcoe appears to have run contrary to the national trend. Here, the Progressive Conservative vote went up while both the Liberal and NDP vote fell.

I am most appreciative to the voters of York Simcoe for re-electing me as their Member of Parliament with an increased plurality.

Station masters in many of our communities are being phased out. Wednesday July 10, two days after the election, station masters in Maple, Aurora, Stouffville, Markham and Richmond Hill received word that the CNR wished to reduce station office hours from the present 8 hours to one hour per day. The railroad indicated they planned to hire local personnel for one hour a day in each community to man the Stations from 7:00 am to 8:00 am.

It is difficult to reconcile such downgrading of our stations with statements repeatedly made by Ottawa that they plan to increase

and upgrade commuter train service in the metropolitan areas.

The current CNR move appears to be another step in their approach to discourage passengers from using rail service.

The week before our present commuter train service commenced operations, the CNR locked up all the washrooms in the Stations so they could not be used by the travelling public.

At that time, a group of men came from Toronto to put special locks on each of the washrooms which have remained closed to this date.

Before that, local station telephone numbers became unlisted leaving the local agent in the position where no one could contact him to receive information.

I intend to draw these facts to the attention of the Canadian Transport Commission and request that they require the CNR to take steps to encourage rather than discourage passenger service, particularly in this area.

Saturday July 13 Noreen and I were pleased to have a brief visit with William and Dorothy Cutting who were celebrating their 45th Wedding Anniversary at their residence on Gorham Street in Newmarket. Some 70 people attended the reception which was hosted by their daughter, Marie Monkman of Richmond Hill and their son, Murray Cutting of Newmarket. The Cuttings were married at the Dove residence on Concession 4 of King.

My Action Office remains open in Newmarket at Suite 202, 92 Davis Drive, telephone 895-1287. Please contact me at that address or c/o House of Commons, Ottawa if you feel I can be of assistance.
