

# Joe's Garage Leading Hill Industrial League

Last week's action opened Monday night on a Christmas note. The air was chilly and all four squads went home with ties. In the opener Barrows' Insurance and Lake Wilcox battled to a 5-all draw.

The Lakers opened the scoring in the bottom of the second as Rick Collins doubled, Barry Bishop sacrificed and Matt Kinnari singled to score Collins. In the next inning Stacy Richard singled, John Uhan singled scoring Richard. Collins walked and Bill Mark scored both runners.

Meanwhile Barrows' Bob Viverette got on a fielder's choice which eliminated Glen Wright from the base paths. Paul Hunter was hit by a pitched ball and the two runners advanced on a passed ball. Grant Rose was also hit by a pitch and Viverette stole home. Carl Young picked up an RBI as he singled in Hunter.

In the third inning Fielder Dave Barrow of Barrows robbed the Lake of a homer as he stretched himself as far as he could over the fence to pull the ball back into the park before it hit the ground.

In the bottom of the fifth Barrows struck again when Rose singled as did Young and Dave Roberts who scored the others. The Lake knotted the count in the bottom of the sixth as Collins singled and advanced to third and scored on Mark's single.

The nightcap saw Richmond Hill Auto Body and Town Auto Body go home with six runs each. In the opening frame Rob Forget of the Hill slammed Gary Oliver's second pitch out of the park. In the bottom half Larry Black reached base, advanced to third and scored on a passed ball.

The Hillers exploded for three runs in their second inning. Paul Williams singled, Dave Luke singled and Don Turner tripled, scoring two runs. Turner scored as Forget filed deep.

Town added a run as Steve Plummer drew a walk and was doubled home by Doug Carter. Jim Dubkowski scored Carter and himself on a homerun shot. In a later inning Larry Black scored from second base as Hill Catcher Paul Williams overthrew in a pickoff attempt at second base.

Williams for the Hill got a walk, reached third and scored. Their sixth run came as the Hill loaded up the bases and Kenny Roberts walked to score Dubkowski. Town added the tying run late in the contest as Carter reached base, advanced as Dwight Powell got on an error to the second base man. Dubkowski fired a shot off the Hill first sacker to score Carter.

**WEDNESDAY GAMES**  
In the opening game Wednesday at Crosby, the firefighters of Fram Filtration spotted Barrows' Insurance a 7-0 lead and allowed it to stand until the seventh and final frame. The Fram rammed home eight big runs to steal the game away from Barrows.

Barrows got homerun efforts from Roger Ball and Paul Hunter. Fram got their runs not by homers but by numerous hits off the collapsed Barrow defense. The second half of the twin bill saw Joe's Garage and Town Auto struggle to a two-all draw. Joe's opened the scoring in the top of the first as Len McLean tripled and scored on Bobby Smith's single. Town tied the count in the bottom of the first as Larry Black drew a walk and stole second base, then scored on Colin Wood's long fly ball. Joe's grabbed the lead in the top of the fourth as Brian Madely singled, Jeff Snook sacrificed, Bob Howard singled and George Lewandowski clubbed a sacrifice fly scoring Madley. In the sixth Town squared the count when Steve Plummer doubled, advanced to third and stole home. Due to the tournament taking over the Town Park on Friday, one of the games scheduled for that day was advanced to Wednesday. This saw Jenkins whip Lake Wilcox 6-2. The other game will be rescheduled.

The Lake jumped into an early 2-0 lead in the first as Loren Mayes walked and Barry Bingham singled. Mayes scored on an error to the Jenkins hurler and Bingham came in on a passed ball. Jenkins bounced back in the second as Hurler John Lenneville walked, Sampson singled and advanced to second on an error to Mayes, Barry Pollard sacrificed, Nelson Lund got on an error to Lake's Pete Stuart and finally Phil Bellavance was hit by a pitched ball. Lenneville and Sampson scored, thus squaring the count.

Jenkins jumped on the Lake for three more runs in the fifth as Bellavance singled, stole second, was sacrificed to third by Al McKenzie and scored on an error to Peter Stuart at third. Dave Stuart singled to score Hough and Lenneville hit to drive in Stuart. The final Jenkins run came in the seventh as Bib Blue doubled, followed by a run-scoring double by Al McWilliams.

Only three divisions will be represented, mosquito, peewee and bantam, as defined by the North York Minor Soccer Association. If anyone can help with billeting boys of 10 and 11 and 14 and 15 years, preferably in pairs, please call Mr. Trotman at 884-6317. It has been discovered that two boys per home is ideal. Transportation is also being sought for all three days. Any offers? Mr. Trotman will be pleased to hear from interested soccer fans of this town.

Note — There will be 48 teams competing in this tournament, three from Britain and one from Mexico, plus several from the United States and many Canadian entries. Richmond Hill will be represented either by supplying two or three boys from each of the three teams competing in the North York League or, if one of those three teams happen to be at the top of the league as of August 1, the entire team will be entered. This will be an outstanding tournament. Please help us with transportation and billeting.

The Richmond Hill Minor Soccer Association will recess for the next three weeks as far as league play is concerned and will start off in earnest again on August 12. In the meantime, coaches may arrange practices and games as much as possible for boys not away on holidays. It's congratulations to Lazenby Leaders and Dynes Jewellers in the Squirts Division, Richvale Scaffolding and Travelways in the Atoms, and Richmond Hill Lions and Pony in the Peewees for leading their divisions at the end of the first half.

But boys playing on teams at the foot of the table should take heart as we hope to strengthen your teams for the second half and give the leaders a much harder battle. Have a good holiday. To answer a question that has been asked a number of times, each team will be in the cup games at the end of the season.

## Runner Steals Home

# Dairy Queen Squirts Win Cobourg Tourney

A steal from third base was the margin of victory for the Richmond Hill Dairy Queen Squirts Saturday as they downed Stouffville 1-0 to win the Cobourg "A" Tournament Championship.

The Hillers won three straight games enroute to the big win. That final game saw Paul Harrietha single and then proceed to steal second, third and home for the winning run.

The rest of the game remained scoreless with Stouffville coming up with only one error and Richmond Hill none. Both teams played excellent ball and deserve the best of congratulations.

The winning pitcher was Mike Smith who only gave up four hits while walking none and striking out 16. Coaches are Bob Davies and Al Apps.

In the first game they met the host club, Cobourg and opened up the scoring with one run in the second which proved to be the winner as they won 2-0.

Paul Harrietha led off with a single and again stole second, third and home. Another single went to Warren Nye in the second. Dairy Queen picked up another run in the third when Darrell Lewis walked and also stole second, third and home.

This ended the scoring for the game which saw both teams playing errorless ball. Winning pitcher was Mike Smith who gave up two walks, no hits, and struck out 19 of the 23 batters he faced.

The Dairy Queen boys won a thrilling extra inning game off Scarborough Cedar Hill by 2-1 in the second game of the tournament. Richmond Hill opened the scoring in the bottom of the first when Paul Farrell singled, stole second and third, and then scored on Matt Thompson's single.

The game remained scoreless after that until the top of the fifth when Cedar Hill tied it on an error by Richmond Hill.

The score was tied at the end of seven and went into extra innings. Cedar Hill threatened in the eighth when they got three men on but couldn't score.

Then came the eighth as Harrietha singled, stole second, and went to third on a single by Peter Mills. That same play resulted

in the winning run as Mills thought he had been called out and walked off first drawing a throw. When the dust had settled Harrietha had scored the winning run. Winning pitcher was Glenn Apps who struck out 11.

**LEAGUE PLAY**  
League action saw the Dairy Queen Squirts winning two and losing their first game of the season. That first defeat came July 8 at the hands of Keswick by 6-4.

They were back in winning form July 16 as they blasted Pottageville 11-0. Dairy Queen scored twice in the second on singles by Paul Harrietha, Peter Mills, Warren Nye, and Neil Moreland. They scored two more in the fifth on a single by Matt Thompson, a triple by Darrell Lewis and a sacrifice by Kevin Robin.

They came up with seven runs in the seventh on singles by Robin and John Farrell, doubles by Thompson, and triples by Lewis, Harrietha, Wayne Girard and Glenn Apps.

Winning hurler was Harrietha with eight strikeouts. He gave up only one hit. They then downed East Gwillimbury 9-1 Thursday of last week behind the one hit pitching of Glenn Apps who struck out 10.

## Win 'B' Honors

# Peewees Lose Title 8-4 To Belleville

It was too much Belleville for the Richmond Hill Peewee Lions July 14 as they bowed by 8-4 to that club in the third annual local softball tournament.

The loss came in the grand championship game at the town park as the Belleville squad won its fourth consecutive game without a defeat. Enroute to the championship they edged Richmond Hill 3-2 in their first game, walloped Stouffville 13-2, and man-handled Preston 9-2 to win the "A" Trophy before meeting the "B" winning Richmond Hill team again.

A couple of local area teams, Stouffville and East Gwillimbury, left early. Stouffville lost 13-2 to Belleville in the second game after defeating East Gwillimbury 14-5. East Gwillimbury lost two straight games, one to Stouffville and then 18-9 to Richmond Hill.

**LIONS LEAD EARLY**  
That final Hill loss to Belleville saw the locals coming out strong to take a 2-0 lead in the first inning via two solid homerun clouts by Jamie Tuck and Dave Allen.

Convenor Howie Tneh and Fred Kane presented the "A" Trophy, as well as individual cups to the grand champion Belleville club. Captain Dennis Kane accepted the "B" Trophy on behalf of his mates, as the Lions won their second trophy in two weeks.

**HEART-BREAKER**  
Richmond Hill lost a heart-breaker to Belleville in the opening game as Pitcher Allen limited the tough hitting Belleville Club to seven hits losing by 3-2.

Belleville struck early and led 3-0 after two innings until the sixth when Allen doubled sharply, followed by Shawn McKenzie's pinch hit homerun. Red-hot Allen hit three straight singles in this game.

The Lions, relegated to the "B" section, disposed of East Gwillimbury 18-9 as Ted Inch tossed a four hitter. Dale Moreland took over pitching duties in the fifth to rest Inch. This didn't work out as East Gwillimbury greeted Moreland with seven runs and it was back into the game for Inch.

**TWO LIONS HOMER**  
Jamie Tuck and Rob Steel lashed out homeruns while Matt Zurich connected for a triple. Tuck scored three times; Zurich, Allen, Billy Madden and Steel counted twice, while McKenzie, Dave Kane, Tim King, Dennis Kane and Moreland all scored once. Steel earned four RBIs and Dave Kane 2.

The Lions now qualified for the Consolation trophy and faced Bramalea. Allen started on the mound but was greeted by four straight Bramalea hits and a Hill error as the locals fell behind by a 5-0 score.

Fireman Ted Inch was rushed in to extinguish the rally. Inch went the rest of the game allowing only four hits in seven innings.

Only lead off batter Matt Zurich scored in the first inning even though Allen and Jamie Tuck both singled. Down 5-1, the Lions plated five runs in the third inning as Shawn McKenzie, Allen, Gord Fournier and Tim King singled, while Inch lofted a double, all runners scoring.

Inch and Zurich added runs while Fournier, Dennis Kane, Inch and Zurich later scored to advance the Hillers into the grand championship with a 12-6 win over a determined Bramalea.

**TOURNAMENT RESULTS**  
Belleville 3, Richmond Hill 2; Stouffville 14, East Gwillimbury 5; Barrie 5, Bramalea 0; Preston 13, Lawrence Heights 11.

## Sport Spots

anyway, climbed a hydro pole, and did all kinds of things. I was frustrated, also thirsty.

**JUST MARY NOTE**  
I should take this time to thank Mary Dawson for filling in column-wise for me whilst I was having a quiet but nervous breakdown the past two weeks. You probably didn't know she was doing it. That's because her name never saw the light of day. The first week saw the "gremlins" mangle her name so that it came out as "By Mary Dawn — Designated Hitter." They improved the next week simply by leaving her name out altogether. Oh well. Shall we gather at the river? Thanks, anyway Mary.

**RON McANDREWS**  
Happy to see that local sportsman par excellence Ron McAndrews is making a speedy recovery after suffering a slight stroke recently. Bumped into Ron at the tournament on the weekend and he asked me to thank all the people who expressed concern for his health. Ron, a former Mic Mac stalwart for years, is feeling pretty good. From Ron, via me, thanks. Best of health, Ron.

Should mention that I attended yet another big tournament on the weekend. That was the Richmond Hill Legion shuffleboard finals between Gary Moss and "Homer" Auger. Homer won it two games to one. Both survived some 32 other competitors. Gary, incidentally, looks like a cross between Omar Sharif and Groucho Marx. Only kidding, Gary.

P.S., it was the third straight time Gary was runner-up.

Finally, see where former Richmond Hill Golf and Country Club Pro, Ernie Nerlich's past has been dredged up again. Globe and Mail Columnist Dick Beddoes refers to Ernie's "bad game" while talking about the Canadian Open at Mississauga this week. States Beddoes, re the 18th hole, par four: "Then there was Ernest Nerlich of Richmond Hill who playing like something out of duffer's nightmare, took 14 shots on 18.

"Mr. Nerlich twice hit his drive out of bounds, wound up in the impenetrable jungle down a cliff on the right of the green, hit a tree coming up, hit a member of the expedition trying to find him, landed on a stump, then three-putted for a glorious 14. Naturally this dramatic travesty set the record for the worst score on any hole in any Canadian Open."
