Should YOU pre-arrange your funeral?
The wise head of every family takes care to prepare a Will and carry ample Life Insurance with one unselfish motive in mind—to assure his family of security and peace of mind.
Doesn't it make sense then that one should pre-arrange his funeral and leave instructions as to his wishes?
Generally speaking, should it not be YOUR responsibility to arrange YOUR funeral?
Any member of the Ontario Funeral Service Association will sit down and discuss pre-arrangement with you without obligation. Why leave this task to someone else?
