**Your promptness in paying him is appreciated...**  
 Your thoughtfulness in paying your Liberal carrier each month the very first time he calls to collect encourages him in prompt service. It saves him extra work for which he would receive no additional profit, and gives him more time for school and other activities. He begins collections on the last Thursday of each month after school and may continue them Friday evening and Saturday. This schedule is followed to provide you convenient service and best meet his school and study schedule.  
 Thank you!
