Shot Putter Bill Milley Will Represent Ont. In Track, Field

For the second year in a row, one of Richmond Hill Athletic Club members has been selected to represent the Province of Ontario in track and field.

Last year, hurdler Greg Binkley was the 110 metre hurdle champion. This year, Shot Putter Bill Milley has won team placement on the strength of his second place finish at the Ontario Games in Sudbury. This week Bill flies to Edmonton to compete for the national title in the iron ball throwing event. Richmond Hill's other two competitors at the Ontario Games showed well but both Greg Binkley and Sprinter Liz Srebrnjak failed to score victories and selection for the Ontario Team.

While Binkley advances to

senior competition next year, both Srebrnjak, with three years left, and Milley with one year, leave RHAC with a solid possibility for repeat Ontario champions in the future. Milley will be paired with Kevin Thomson as the provincial entry in the Edmonton affair, and both Ontario athletes have excellent chances to be crowned Canadian Junior Shot Put Champions for 1974. Thomson edged Milley by six inches at the Ontario Competition.

This coming weekend will

also see the bantam and mid-level track team competing in Ottawa at the Legion Ontario Finals. Leslie Rogers, Cheryl Paxton, Marnee Buckles, Jane Toporoski, Sandra Digiacchini, Daniela Tosoni, Kathy Mark, Jeff Bells, Jim Mark, Richard Lapenna, Laurie Stockall, and Rick Buchan.

Hill Rangers Win

Aurora United 3 - 2

The Richmond Hill Rangers picked up two valuable points in league soccer competition Saturday by edging Aurora United 3-2. A hat-trick by Andy Godchalk gave the Rangers the win. Aurora started the scoring with the Rangers just missing on three or four counts. Vincent Fottrell then kicked the ball high and it just came down onto the head of Godchalk who made no mistake.

United scored the lone

goal of the first half as Ivan Brown put Murwin Evans (playing in the unfamiliar position of left wing) in the clear and he had no difficulty in placing the ball well wide of the goal keeper's reach and into the back of the net. Collingwood tied the game in the second half as United's defence let down shortly after the commencement of play. Murwin Evans set up the go-ahead goal for Richmond Hill as his shot at the 30 minutes mark got away from the goalkeeper and Frank McCloskey very alertly to put the ball home.

Collingwood came back

strongly and the United defence allowed Collingwood to tie the game. Richmond Hill should have had a goal shortly afterwards when Richard Simpson was awarded a penalty spot kick but the Collingwood goalie came up with a spectacular save. Saturday the Rangers meet Richmond Hill United at Pearson Park, Langstaff at 6 pm.

Collingwood By 2-2

Richmond Hill United struggled to a 2-2 tie with Collingwood Saturday in a soccer match at Thornlea Secondary School. Robert Wilson, 19, of 32 Thornybrae Drive was stopped by York Regional Police Wednesday on Malaren Road after a citizen complained of a car burning rubber noisily. Police thought the youth was acting impaired and took him to Richmond Hill Division 28 Police Station for a breathalyzer test. They ended up asking Wilson to appear in Richmond Hill Court August 12 to face an impaired by marijuana driving charge.

At midnight Sunday two

YRP officers searched a field behind Royal Orchard Public School and found James Palmer, 18, of 183 Kirk Drive in a tree house, which was high enough. Palmer was charged with possession of hashish. BRADFORD: Antique car collector Ken Wood of Bradford drove his 1929 Pierce Arrow roadster more than 1,400 miles recently to a rally in Fredericksburg, Virginia. BARCLAY: Henry Bernick is expected to present plans for developing the more than 3,500 acres under his control in the near future. The land known as South Simcoe Estates, is immediately south of Barrie in the Lovers' Creek basin.

Practice Net Fails In Practice

Probably not all that many of you know that we had a practice net, and certainly far less have ever used it. I haven't for one, and I need it more than most. The executive in its infinite wisdom and simple faith in mankind, bought a practice net for close to a couple of hundred bucks and sited it next to No. 4 court at Crosby Park. This was back at the beginning of June. Since that time I doubt that it has been in operation more than ten days. During the first few days the springs were sprung, presumably by cretins climbing or jumping on it, and it had to be taken down. These were replaced by a superior type (no, not John Beck, Mary, the springs) but they fared not much better and reluctantly we have had to remove it completely. It is unlikely that we will re-erect it until such time as we have a separate fenced-off and lockable area for it; but we are working on it.

Rose Trailers Have 16 Wins

The Maple Team has always played the Rose Trailers a battle this year and are, in fact, the only team the Trailers have lost to, with the scores of the three contests being 4-3, 11-8 and 9-4. The game played August 8, was a good one. Bill Logush pitched, backed by Catcher Paul Gregoire, and turned in an excellent performance considering that he has been pitching only one week. Bill took to the mound in the absence of Robbie Haenel who is holidaying in the USA with his parents. A beautiful fielding catch was made by Chris Michaleo and Tony Roman is doing a great job at shortstop cutting off many runners on all bases. Eric Hamalainen and Tim Willis had two hits each. Paul Gregoire, Harry Ablett, Pat Tomasso and Logush one each.

The regular season ended

with the August 8 game with Maple winning 16 games and losing 10, Richvale with 16 wins and 11 losses, Thornhill Green with eight wins and Thornhill Black with 2. In the playoffs Maple is matched against Thornhill Green and Richvale against Thornhill Black.

Drugged Driving, Hashish In Tree Thornhill Charges

Thornhill youths were arrested last week for driving while impaired by marijuana and having marijuana in a tree house behind Royal Orchard Public School. Robert Wilson, 19, of 32 Thornybrae Drive was stopped by York Regional Police Wednesday on Malaren Road after a citizen complained of a car burning rubber noisily. Police thought the youth was acting impaired and took him to Richmond Hill Division 28 Police Station for a breathalyzer test. They ended up asking Wilson to appear in Richmond Hill Court August 12 to face an impaired by marijuana driving charge.
