Anna McKee Wins Matches, Bob Lights Them

Over 40 people turned out in grand weather Saturday for the Handicap Doubles Tournament and barbecue. (What Manry? Yes I know some were under 40 but... On never mind) John Marais ran the event with his usual competence and everyone had a thoroughly good time.

John also fixed the handicaps, and though there were hoots of derision and cries of disbelief when these were announced, he was almost 100% vindicated by the closeness of the games. I can only think of one handicap that might have been just a little off. Just one in over 20, and at that only maybe. Heck! That's a pretty good record you must admit. There are not many of us who could have worked things that well. And let's face it, he didn't have all that much time in which to fix it. Handicapping isn't a science, it's an art, and a difficult one when you have to rate people you haven't even heard of, that alone is a feat.

Naturally, John didn't want some unknown dark horse wiping everyone off the courts by virtue of too high a handicap. And to John's credit that didn't happen. So, by and large, all things considered, honi soit qui mal y pense and all that load of old cobblers, John should be congratulated.

He should also be congratulated for winning the event with Anna McKee over Sam Malcolmson and Joy August who fought heroically but in vain against towering odds. The "Wooden Spoon" was won by Wes and Carol Draper who beat Didi and Marylou you know who, in a play-off. This part of the tournament was a little vague in concept and resulted in both pairs fighting tooth and nail to win in order to avoid being awarded the trophy, only to be fooled in the end.

While all this was going on, Bob McKee and helpers had prepared the main event of the day - the barbecue. Although the Richmond Hill Fire Department were twice called to the scene of the blaze there really was no cause for alarm, and at no time was the pavilion in any real danger. That's more than can be said for the hamburgers and hot-dogs some of which were almost totally destroyed. There was a grill missing from one of the barbecues, and Phil August, who had heard about those all-metal racquets from a Thornhill acquaintance of his, thought that a mistake. There was no need for that chap to make all that fuss. Crying and all that. \$60 he said. What's more he wasn't even a member. He just popped in to use the wash-room on his way to Mayfair, and only put his racquet down for a moment. Jack Brodrick then asked him to pay a \$1 guest fee or he'd throw him out. We

were able to lead him quietly away after that. So from all of us who took part, to all of those who arranged, thanks for a splendid day. Let's do it again sometime.

ICTA LADIES LEAGUE
A luncheon meeting of the captains and division chairmen was held at RHTC. The ladies have a flourishing league which is now divided into three divisions of six teams each, with the prospect of at least another 4 teams joining next season. The winners this year were:

East Division — Richmond Hill
Centre Division — Three Valleys Yellow
West Division — Credit Valley

At the conclusion of the meeting it was decided to hold a Veteran Ladies Doubles Tournament on September 18 at Mayfair Valley. So the moment of truth has arrived says Monica Vermeulen, director of the ladies league. Big mistake Monica. You should have made it 39.

TEAM RESULTS
The majors seem to have found out what it's all about these days and won yet again August 20 away at Oshawa 4-2. What's more the 'C' team won by the same score at home against Markham two nights later and thereby lifted themselves out of last place. One small step for mankind but one giant step for the 'C' team.

BERMUDA STAKES
It seems I was in error last week in naming Brian Stainer and Monica Vermeulen as our representatives. Dennis Stainer claims that not only did he and Eleanor Lloyd challenge them, but they beat them too.

Finally a word of congratulation to Margaret Lade for her fine appreciation of who's really who in Richmond Hill. It wasn't so much that she mentioned me first in her "It's happening in the Hill" column, but that she put Dennis Stainer last. Boy did that ever feel good.

Peewee Lions Rally Whip Aurora By 11-6

Richmond Hill's Peewee Lions drew first blood in the quarter finals of the York Simcoe Softball League with an 11-8 win over Aurora at Crosby Park August 19. Ted Inch picked up his 19th win of the year as he allowed eight hits while striking out four. Inch survived a shaky start as Aurora scored seven times in the first two innings but found his composure thereon in allowing only one more run in the final innings and but one more hit.

Lead-off batter Matt Knights walked in the first and was sent skooting home on Jamie Tuck's slashing single. Down 7-1, the Lions caught fire as Billy Madden, Dennis Kane and Dave Allen all singled, Robbie Steel and Knights walked while Tuck doubled, and the Lions closed the gap to 7-6.

GAME TIED UP
With Inch settling down, the Hillers tied the game at

7-7 in the fourth when Knights picked up his third straight walk and Jamie Tuck singled for his third consecutive hit and rbi. Dave Kane broke the game wide open in the fifth with a wrong field homerun, his seventh of the year. This was the signal the rest of the Lions had waited for as Dale Moreland beat out a bunt, Dennis Kane singled and Knights walked yet another time as all runners scored and the Lions put the game beyond reach.

Shortstop Matt Zurich and Second Baseman Dave Allen combined to make nine excellent defensive plays. While Tuck went three for four and upped his rbi total to 50 for the season.
