

maple medium

It is kind of fun to be in the harness again, writing your column for Mrs. Hawkins, who is on two weeks holidays. Any news this week before (August 30, 10 am) can be delivered or called to Mrs. Louise Cooper, 832-2048.

An entry of four items in the handicrafts exhibit at the Canadian National Exhibition netted some surprises and a real thrill for Mrs. Freda Bourke of Gram Street, Maple. Last year, Freda knit the wedding dress for her daughter Sandra's December wedding. And at the urging of the family, entered it at the CNE. She received a second prize!

A third prize was awarded to a knitted shawl and an honorable mention for a baby's coat. An excellent score for entries against competition from as far away as Manitoba and Quebec.

We have been asked to remind our readers of the tins and bottles that were being left at the Maple IGA Plaza, are no longer being

picked up. People are still leaving them there and making a bigger mess all the time.

This was an excellent effort on the part of Mrs. Beryl Ward and those who were involved. But no one can keep up that kind of work indefinitely. It is hoped our readers might do as we have done in our home. Now we are in the habit of saving the cans, we accumulated in a large garbage bag full and leave them at the depository at Crown Cork and Seal on Keele Street, just north of Highway 7.

Our family visited the new Metro Toronto Zoo Tuesday of last week and came home Very Very Tired, but pleased with all we had seen. The effort to retain as much of the natural terrain and the beautiful old trees, including beech and oak adds greatly to the value of the zoo, and the surroundings for the animals, particularly in the pavilions, is really amazing. The assortment of tropical vegetation is truly impressive and the animal compounds to us seemed very well planned.

Barker - Diceman

Married In Teston United Will Reside In Indiana

An early summer wedding took place July 6 at Teston United Church when Lorraine Diceman, daughter of Mr. and Mrs. Orville Diceman, RR 2, Woodbridge, became the bride of David Barker, son of Mr. and Mrs. Keith Barker of Woodbridge.

The bride was escorted down the aisle by her father to the strains of the wedding music played by Roy Robson. She wore a long white gown featuring a high neck, lace sleeves and trim. Her full-length veil fell from a flowered headband and she carried a bouquet of red carnations and white daisies.

Mrs. Lorna Troyer was matron of honor. She wore a peasant style long green gown of flopped nylon over taffeta. The bridesmaids, Mrs. Nancy Darlington and

Marjorie Diceman, sisters of the bride, and Karen Barker, sister of the groom wore similar styled dresses of flopped nylon over taffeta. They all carried baskets of white daisies.

Rev. Martin Jenkinson officiated at the ceremony, assisted by Dr. William Pardee.

Lori Barker, cousin of the groom, was soloist.

The reception was held at the King City Community Centre. The bride's mother received the guests wearing a full-length gown of pale pink knit trimmed with silver sequins. She was assisted by the groom's mother, who chose a long gown of lavender chiffon with ruffle trim.

The young couple will be residing in Indiana, USA, where the groom plans to attend Grace Theological Seminary.

Vaughan Senior Citizens Take Trip To CNE And Grandstand

By EVA HAWKINS
Two bus loads of seniors from Vaughan and Richmond Hill enjoyed the afternoon and evening of August 19 at the Canadian National Exhibition including the grandstand performance of Lawrence Welk's entourage.

Both 49 passenger buses were filled with stand-by's who had to be disappointed. The bus from Woodbridge was filled very early with club members. The Maple and Kleinburg riders enjoyed the company of friends from Richmond Hill, including Mr. and Mrs. Ted Hucks, Mrs. Phyllis King and her grand-daughter Sydney and Mr. and Mrs. John Plauticis.

From Woodbridge they were pleased to have them. Mrs. Lucky Dooks who has been visiting from England.

SHAW FESTIVAL TRIP
A tentative date has been set for the trip to the Shaw Festival for September 25. It has been impossible to set a day that would not interfere with some activity or someone's plans, and this seems to be the one and only day we can come up with. More next week.

The four-day trip to Algonquin Park, Ottawa, Maniwaki, the Laurentians and Montreal and the Adirondacks is being filled. But full payment of \$95 per person for twin accommodation should be in during the first week of September. This cost covers air conditioned tour coach and driver escort as well as accommodation.

Call Mrs. Louise Cooper for details at 832-2408.

WINTER FAIR TRIP
Plans are underway for

a visit to the Royal Winter Fair in November and one day color tour during the second week of October.

Last week the United Senior Citizens of Ontario held their convention at McMaster University in Hamilton. Delegates from Maple were Mrs. Hilda Allen and Mrs. Florence Marwood, from Kleinburg, Mrs. Grace Miller, and from Woodbridge Mrs. Gladys Maginn and Mrs. Dot Robertson. The delegates were most fortunate as Mrs. Robertson was able to drive, since the current transportation strike hampered their plans. All three clubs and the Vaughan cabinet will be eager to hear their reports.

CABINET MEETING
On our calendar, the first cabinet of the Town of Vaughan senior citizens has been tentatively written in for September 11. If there is any change in this date, we will correct it next week.

The Maple club members are eager to welcome back to their number, Mrs. Margaret Penlington who has been visiting her sister in England and Mrs. Marjorie Robson, visiting in New Zealand, as well as those who have been on shorter holidays including Mr. and Mrs. Fred Bentley who will have returned from a Maritimes tour by the time your column goes to print.

They will also be anxious about several of their members who are undergoing surgery or hospital treatment. More news next, and we sincerely hope that it will be good news.

Unfortunately, we missed the excitement of the previous day when the baboons escaped. They had all been returned to their compound before we arrived, although we did pass through the pavilion where the mandrill had slipped out of his cage. But we didn't stick around to help locate him.

The real event of the day was being greeted at the lunch stand in near 90 degree weather, with the announcement that a water main had ruptured and there was no water, which included pop, milk shakes and milk. We all ended up with cups full of ice cubes!

All in all, an eventful day, although we would recom-

mend that anyone considering the outing should wait till next spring when more of the work will be completed.

Church News
The congregations of the United and Presbyterian Churches will have as their minister, September 1, Rev. Berton Andrew, who has graciously consented to relieve Rev. Stanley Snowden and his family for the holiday week-end.

This will be the last of the combined service of the four churches, Maple and Carville plus St. Andrew's and St. Paul's Presbyterian in St. Andrew's Church at 10 am.

Lions Septemberfest At Maple On Sept. 14

By EVA HAWKINS
The men of the Maple Lions Club are reminding everyone of their annual Septemberfest coming up on September 14, little more than two weeks away in the Maple arena.

The big party, from 6 pm till 1 am, will feature dancing to the music of George Kash and a delicious hot and cold buffet. As in the past there are only 1,000 tickets available. And these at \$3 per person (not including the buffet) are available from members of the Lions Club of Maple.

TICKETS GO FAST
Anyone interested would be wise to contact a member of the Lions club or call 832-2689 very soon, as all the tickets were sold last year in advance sales.

Included in the list of Maple Lions is Les Alexander, Rev. Biff Andrew, Dominic Azzolin, Lindsay Boudreau, Kirby Broc, Doug

Chalmers, Roy Clegg, Fred Constable, John Dean, Bill Dodds, Duane Forrest, Mike Granger, Jim Hodgson and Ray Jellison. We will add to this list for our readers next week.

LIONS AUCTION
Doug Chalmers and John Kucherawy are building up their pick-up campaign for the Lions Auction Sale, October 12. Doug can be reached at 832-1551 and John at 832-2336 or 832-8863 to have any saleable item picked up. Just about anything is acceptable, as long as it is in good condition, including furniture, appliances, televisions, gardening equipment, bicycles and toys etc.

Don't put it off, do it now while the thought is fresh in your mind. Go over the attic or garage and sort out those items that are no longer of use to you, but might be just what someone else is looking for.

Maple Peewees Win First Game Of Semi-Finals

By EVA HAWKINS
Maple OASA Peewees engaged Oak Ridges in battle in the first game of the Zone "C" semi-finals in Richmond Hill August 20 and came home the winners by a score of 15-5.

Maple opened the scoring with two runs in the top of the first inning, only to have the Oak Ridges tie the score with two runs in their half of that inning. Maple went ahead with a single run in the third and then blew the game wide open with a nine-run outburst in the fourth, making the score 12-2.

The Maple lads added a single run in the fifth and two more in the seventh for a game total of 15. Oak Ridges meanwhile added two runs in the sixth and one in the seventh for a game total of five.

10 STRIKEOUTS
Kim Weese went all the way on the mound for Maple, limiting Oak Ridges to four hits while striking out 10 and issuing three walks. Maple boys committed just one error.

Maple scored their 15 runs on 15 hits, six walks and one error while the Oak Ridges pitcher also struck out 10 Maple batters.

Leading Maple at the plate were Blair Sutherland with three hits for three at bats, two walks and a homer; Ernie Chefero, three for four and a walk; Derek Hoare, Bob Kucherawy and Wayne Bureau, all two for four with one of Wayne's hits being a homer.

The local boys are playing crowd-pleasing ball and will be encouraged by your attendance. Watch the Maple BP for announcement of future games.

Not Golf! Not Softball! --- It's T-Ball

Showing the concentration, determination and technique of a two-year veteran in Maple T-ball, seven-year-old Lonny Caudero of 16 Gram Street, Maple, son of Mr. and Mrs. Renzo Caudero, takes a mighty swing and sends the softball flying. This interesting adaptation of golf to the baseball diamond gives children aged 6 to 8 the opportunity to learn the basics of the game and have fun like their older brothers and sisters without too many rules

and frustrations. Each Tuesday at 7 pm these youngsters turn out at the Maple Community Centre to play. Regardless of numbers, the participants are divided into teams and usually everybody wins. The parents have fun too. The "T" holds the ball up for the batter and eliminates the need for pitchers, who at this age have trouble hitting the strike zone.

Vaughan Council Is Raising Woodbridge Lot Fee To \$3,000

By JIM IRVING
Vaughan Town Council last week served notice it intends to increase its lot fees in the Woodbridge Community Plan area from \$2,500 to \$3,000.

A report of the works committee said the cost of local improvements in the Woodbridge-Pinegrove area were "far more than anticipated," and the estimates to determine the amount of levy per dwelling unit as a contribution toward the cost of constructing municipal services in the Woodbridge area were too low.

As a result, it recommended that developers owning land within Stage 1 of the Woodbridge Community Plan be informed of the probable increase.

TAKES EXCEPTION
Councillor Ab Hollingsworth took exception to the proposal, arguing that on the one hand they were doing their best to eliminate lot fees, and on the other were trying to raise them.

How could council reconcile that? he asked.

DIFFERENT MATTERS
Mayor Garnet Williams said they were two different things. One development was government financed, thus eliminating lot fees, while

"the other we pay for." Could newly-appointed Federal Urban Affairs Minister Barney Danson help? asked Councillor David Fraser. MP Danson paid a brief visit to council prior to its meeting.

"I respect Barney Danson," said Councillor Ab Hollingshead, "but he's saying 'look at how beautiful Woodbridge is,' and on the other hand, saying 'We've got to do something about housing.'"

"No he's not," said Mayor Williams. "We were talking about services for people already here... We talked about programs that could come out of the urban affairs department."

ASKS FOR TIME
Lucy Stocco, representing West Woodbridge Developments, asked council if her

company would be allowed time to make a presentation on the matter.

Councillor James Cameron said that those involved would receive sufficient notice.

Council also agreed to send a letter to Maple Lions Club granting permission for beer and liquor to be sold at its Septemberfest, September 14 at the Maple Arena, and to request York Region authorities to make the necessary arrangements for parking on both sides of Keele Street during the festival hours.

BUGGIES AND BIKES
They agreed to seek a meeting with Inspector Clare Penrose of York Regional Police and representatives of the Woodbridge area to see if something could be done about the unauthorized use of motorcycles and dune buggies on property owned by the Metro Authority, Pilgrim Properties, Woodfield Developments and others in the district.

THE YORK COUNTY BOARD OF EDUCATION Administrative Area No. 3

10,271 Yonge Street - Richmond Hill
School Opening - Sept. 3rd, 1974

REGISTRATION
All students resident for the first time in Area 3 and who have not already done so should register during the week of August 26th at the Elementary or Secondary School they will be attending.

TRANSPORTATION
Because of the increase in building development and of changes in attendance zones in some areas it has been necessary to make some minor revisions to the bus numbers and routes for the 1974-75 school year. For specific information please contact your local school during the week of August 26th.
