**Maple TOROS Plan Car Wash**

The young people of Maple and area have found the summer's program provided by them by the Town of Vaughan Recreation Department to be so enjoyable that they are determined to carry it on during the winter months. To be able to do so, they are setting out to earn the necessary funds themselves and the first project they will be undertaking to raise money is a car wash at the Maple BP station Saturday from 9 am to 4 pm. Canvassers will be at your door offering you tickets at \$1.25 in advance of that date. If you are out when the canvasser calls, you can still help these young people help themselves and get you car wash at the BP station for \$1.50 Saturday.

The group of young people are calling themselves TORO, short for Teens' Outdoors Recreation Organization, and are planning a program of interest to everyone in their age group in Vaughan. Already they have undertaken a roadside litter cleanup on their own initiative.

**TV And Film Production**

An introductory course in Television and Film Production will be offered at Seneca King this fall. This should be of intense interest to anyone wanting to get involved in community programming for local cable TV. You won't learn everything you may need to know in the ten-week course, but you will receive a solid production background in both media. Classes will be held Thursday nights from 7-10 and start September 26. For further information call 884-9901 or 895-1581.  
**GREENWOOD:** Explosions in nine roadside mailboxes in this area have Durham Regional Police stumped. The work was done at night and traces of a chemical found in the boxes has been sent to a Toronto laboratory for analysis. The boxes were located on Concessions 4, 5 and 6.
