

**Art Trek For Embryo Artists**

Art Trek, a group of travelling artists, who offer workshops free of charge in painting, printing, silkscreening and other media, will hold a three-day workshop at Kilenburg Junior Public School, August 29 to 31, according to a release from Vaughan parks and recreation department.

The first two will be held at 2 pm and 7 pm, while the third one will be held from 10 am to 2 pm on the final day.

The group, which travels across the province from July 1 to Labor Day weekend, is sponsored by the Ministry of Community and Social Services and Visual Arts Ontario. Conducting the program in Kilenburg will be Lynn Stevens, a graduate of the University of Windsor's fine arts program, and David Campbell, who is at present talking postgraduate studies at the Ontario College of Arts.

He has also exhibited in numerous group and one-man shows and has taught art in high schools.

**Volunteers Needed**  
A reminder that volunteer mothers and students are urgently required to help keep the 2nd and 4th Richvale Brownies going throughout next season. If sufficient help is not forthcoming, it is quite possible Brownie activities will have to cease in this area.

The minimum age for leaders is 17. However, two persons, a little older than that are also needed to take on the responsibilities of Brownies.

If interested please call or visit Mrs. Elaine Hobbs, 65 Westwood Lane at 889-2897, as soon as possible.

**Public Meeting.**  
A reminder that tomorrow (August 29) is the Ward 6 meeting on the Working Aims and Objectives of the new Richmond Hill Official Plan. The place is the town council chambers and the time is 7:30 pm. This is your opportunity to contribute your thinking towards the new town plan. Questions and open discussion are encouraged.

**BRADFORD:** Bradford's new high school is expected to be ready for occupancy in 1976. The architect's sketch plans have been approved by the Simcoe County Board of Education and now await Ministry approval. Bradford has 600 high school students at present and the new school is designed to accommodate 700.

**NEWMARKET:** A dozen students recently spent three days ringing doorbells here looking for odd jobs to do. The exercise led to one definite job commitment, leads on baby sitting jobs and other odd jobs for the future.
